

CHAPTER 1
GETTING STARTED

CONTENTS

	Page
1. Introduction	1
2. Are You the Right Person For the Job?	2
3. Case Selection—Checklist of Considerations	2
a. Provable Neglect	3
(1) Procedures	3
(2) Step #1	3
(3) Step #2	3
(4) Step #3	3
(5) Step #4	3
(6) Step #5	4
(7) Step #6	4
(8) Step #7	4
(9) Practice pointer	4
b. Damages?	4
c. Statute Of Limitations?	4
(1) Civ. Proc. Code, §335.1	4
(2) Civ. Proc. Code, §352	5
(3) The Discovery Rule	5
(4) Civ. Proc. Code, §340.5	5
(5) Financial Elder Abuse	5
d. Elder Abuse v. Professional Negligence	5
e. Living Plaintiff/Statutory Preference	6
f. Considerations Relating to Plaintiffs	6
(1) Involvement In Victim's Life	6
(2) Credibility Issues	7
(3) Heir Defendants	7
g. Considerations Relating to Defendants	7
(1) Enterprise Valuation	7
(2) Judgment Worthiness	8
(3) Reputational Issues	8
h. Arbitration	8
i. Venue	8
4. Client Sign-Up Meetings and Fee Agreements	8
a. Overview	9
b. All Clients Present	9

c.	Living Plaintiffs	9
d.	Matters to Cover	9
e.	Litigation Timing	9
f.	Trial	10
g.	Expected Recovery	10
h.	Fee Agreement Provisions	10
i.	Client Sign-Up	10
5.	Case Opening	10
a.	Overview	11
b.	Case Opening Protocols	11
(1)	Preservation Letter	11
(2)	Client Fact-Gathering Letters	11
(3)	Complaint	11
(4)	Statement of Damages	11
(5)	Successor-In-Interest Declaration	11
(6)	Initiate Expert Review by Additional Experts	11
(7)	Liens	11
(8)	Records Requests	12
(9)	DPH/DSS, SOS, OSHPD, Other Publicly Available Documents	12
(10)	Identifying Defendants	12
6.	Standing and Special Issues Relating to Elderly Plaintiffs	12
a.	Overview	12
b.	Standing/Agency of Claims Belonging to Living Victim	12
(1)	Victim with Mental Capacity to Act	12
(2)	Victim Who Lacks Mental Capacity to Act	13
c.	Standing/Agency of Claims Belonging to Deceased Victim	13

CHAPTER 2
OVERVIEW OF ELDER ABUSE ACT & INTERPLAY
WITH MICRA

CONTENTS

	Page
1. Elder Abuse Act Introduction	1
2. Essential Factual Elements of Simple Elder Neglect .	1
3. Neglect—Enhanced Remedies Sought	1
4. Elder Abuse Act and MICRA—Overview	2
5. <i>Delaney v. Baker</i>, 20 Cal. 4th 23 (1999)	2
a. Procedural History and Issue Presented	2
b. Three Possible Interpretations	3
c. <i>Delaney</i> Court’s Holding	3
d. Professional Negligence vs. Neglect Under Elder Abuse Act	4
e. Healthcare Providers Included in Enhanced Remedies of Welf. & Inst. Code, §15657	4
6. <i>Covenant Care, Inc. v. Superior Court</i>, 32 Cal. 4th 771 (2004)	4
a. Background and Issue Presented	4
b. Civ. Proc. Code §425.13 Does Not Apply to Elder Abuse Actions	5
(1) Plain Language	5
(2) Legislative History	5
(3) Statutory Purposes	5
(4) Past Precedent	5
7. Aftermath of <i>Delaney</i> and <i>Covenant Care</i>	6
8. Common Elder Abuse Act and MICRA Fact Patterns .	6
a. Fact Patterns More Likely Viewed as Custodial Neglect	6
(1) Failure to Prevent Pressure Sores	7
(2) Falls	7
(3) Failure to Timely Report a Patent Change of Condition	7
(4) Elopements	7
(5) Failure to Protect Resident from Physical or Sexual Assault from Another	7

b.	Fact Patterns More Likely Viewed as Professional Negligence	7
(1)	Misdiagnosis	7
(2)	Failed Surgery or Other Highly Skilled Medical Procedure	7
(3)	Selection of Treatment Option	8
9.	Implications of Being Subject to MICRA	8
a.	Attorney Fees Under Welf.& Inst. Code, §15657	8
b.	Pre-Death Pain and Suffering for Deceased Victim ..	8
c.	Pain and Suffering for Living Victim	8
d.	Wrongful Death, NIED, and Loss of Consortium Recoveries for Victim's Heirs	8
e.	Shortened Statute of Limitations	8
f.	Periodic Payments	8
g.	Civ. Proc. Code §425.13	8
h.	Other Procedural Rules	9

CHAPTER 3
THE ELDER ABUSE ACT—THE CARE OR CUSTODY
ELEMENT

CONTENTS

	Page
1. When Care or Custody Is Required	1
2. Statutory Definitions	1
a. Abuse of an Elder or a Dependent Adult	1
b. Dependent Adult	1
c. Elder	1
d. Financial Abuse	1
e. Neglect	1
f. Care Custodian	1
g. Physical Abuse	1
3. Care or Custody Analysis	1
a. Responsibility for Basic Need	2
(1) Basic Needs Include Areas of Care Enumerated in Welf. & Inst. Code, §15610.57(b)	2
b. Substantial Caretaking or Custodial Relationship	2
c. Practice pointer	2
4. Seminal Case re Care and Custody—<i>Winn v. Pioneer</i> <i>Medical Group, Inc.</i>	2
a. Background and Issues Presented	2
(1) Facts Alleged	2
(2) Trial Court Proceedings	3
(3) Appellate Court Proceedings	3
(4) Issues Presented	3
5. Post-<i>Winn</i> Cases	5
a. <i>Stewart v. Superior Court</i>	5
(1) Background and Issues Presented	5
(a) Facts Alleged	5
(b) Trial Court Proceedings	6
(c) Care or Custody Issues Presented	6
(2) <i>Stewart</i> Court’s Holding Re Care or Custody	6
(a) Task-By-Task Analysis	7
b. <i>Oroville Hospital v. Superior Court</i>	7
(1) Background And Issues Presented	7
(a) Facts Alleged	7
(b) Trial Court Proceedings	8

(2) <i>Oroville Hospital</i> Court's Holding	8
(a) Responsibility for Basic Needs Not Assumed	8
1) Wound Care	9
2) Failure to Secure Medical Care	9
3) Custodial Relationship with Third Parties Not Undermined by Family Member Taking Responsibility for Basic Needs	9
(b) Robust Relationship Not Found	9
c. <i>Kruthanooch v. Glendale Adventist Medical Center</i> ..	9
(1) Background and Issues Presented	9
(a) Facts Alleged	9
(b) Trial Court Proceedings	10
(c) Care or Custody Issue Presented	10
(2) <i>Kruthanooch</i> Court's Holding Regarding Care or Custody	11
(b) No Robust Relationship	11
(c) Theory of Neglect Tied to Basic Needs—Task-by-Task Analysis Part Two	11
(d) Practice pointers	12
6. Care or Custody and Corporate Overseers	12
a. Indirect Liability and Corporate Care or Custody	12
c. Direct Liability and Corporate Care or Custody	12
(1) Care or Custody by Corporate Defendants Over Individuals at Facilities Under Their Control	12
(2) Elder Abuse Act, Protecting Elders, and Corporate Liability	13
(a) Elder Abuse Act's Purpose	13
(b) Corporate Liability Is Consistent with that Purpose	13
(c) Construction Consistent with Legislative Purpose	13
(d) Alternative Interpretation Undermines Legislative Purpose	14

CHAPTER 5
THE ELDER ABUSE ACT—THE RMOF ELEMENT

CONTENTS

	Page
1. Overview	1
2. Plaintiff’s Burden for Securing Enhanced Remedies Under Elder Abuse Act and Securing Punitive Damages Finding	1
a. Practice pointer	1
3. Available Remedies Where Plaintiff Can Show Custodial Neglect but Not Recklessness, Malice, Oppression or Fraud	2
4. “Recklessness,” “Malice,” “Oppression,” and “Fraud” Under the Elder Abuse Act	2
a. “Recklessness” Defined	2
b. “Malice” Defined	3
c. “Oppression” Defined	3
d. “Fraud” Defined	3
(1) Practice pointer	3
5. Cases Discussing Reckless, Malicious, Oppression, or Fraudulent Element	4
a. <i>Samantha B. v. Aurora Vista Del Mar, LLC</i>	4
b. <i>Cochrum v. Costa Victoria Healthcare</i>	5
c. <i>Jarman v. HCR ManorCare, Inc.</i>	5
d. <i>Fenimore v. Regents of University of California</i>	6
e. <i>Worsham v. O’Connor Hospital</i>	6
f. <i>Carter v. Prime Healthcare Paradise Valley LLC.</i>	6
(1) Practice pointer	7
g. <i>Sababin v. Superior Court</i>	7
h. <i>Intrieri v. Superior Court</i>	8
i. <i>Marron v. Superior Court</i>	8
6. Theories For Proving Recklessness, Malice, Oppression, or Fraud Element	8
a. Overview	8
b. Proving Defendants Were Reckless in Neglect of Plaintiff	9
(1) Practice pointer	9
(2) Practice pointer	9
c. Pervasive Neglect	10

d.	Profits Over Patient Care	10
	(1) Understaffing	10
	(2) Corporate Defendants' Extraction of Cash from Defendant Facility	11
	(3) Budget	11
	(4) Related Party Transactions	12
	(5) Facility/Chain Profitability Relative to Industry ...	12
	(6) Bonuses/Salaries	12
	(7) Financial Focus of Communications	13
	(8) Board Members	13
	(9) Corporate Shells	13
	(10) Growth/Profitability Ambitions	14
	(11) Shareholder Distributions	14
	(12) Identity of Owners	14
	(13) Identity of Governing Body	14
	(14) Supervisor of Facility Administrator	14
	(15) Private Equity/Venture Capital/REITs	14
e.	Understaffing	14
	(2) Reckless Neglect	15
	(3) Understaffing in Numbers	15
	(a) Overview	15
	(b) Required Staffing Levels in Skilled Nursing Facilities	15
	(c) Required Staffing Levels in Assisted Living Facilities	16
	(4) Checklist for Showing Numerical Understaffing ..	16
	(a) Staff Levels Below Minimal Numerical Limit	16
	(b) Staff Levels Below Necessary Amount Given Acuity of Residents	17
	(c) CMS Expected	17
	(d) Comparative Metrics	18
	(e) Testimony by Employees of Defendant Facility	19
	(f) Testimony by Third Parties—Victim Plaintiff, Family Members, Other Residents, Paramedics, or Other Third-Party Healthcare Providers	19
	(g) Expert Opinions	19
	(h) Multiple Pathways to Numerical Understaffing	20
	(5) Understaffing Due to Lack of Training	20
	(a) Governing Law	20
	(b) Training Requirements	20
	(c) Testing Care Provider Knowledge by Direct Questioning	20
	(6) Understaffing due to Lack of Supervision	21
	(a) Governing Regulations	21
	(b) Registered Nurses in Skilled Nursing Facilities	21

(c)	Proof of Lack of Supervision in Long-Term Care Facilities	22
1)	Employee Testimony	22
2)	Failures in Systems	22
3)	Performance Evaluations	23
4)	Absence of Writeups	23
a)	Practice pointer	23
f.	Failure to Act After Being Put on Notice	23
(1)	Overview	24
(2)	Types of Notice of Evidence	25
(a)	Prior DPH/DSS Deficiencies and Citations .	25
1)	Gathering Prior Deficiencies and Citations	25
2)	Challenging Plaintiff's Introduction of Regulatory Records	25
3)	Correction Plans	25
4)	Practice pointer for plaintiff	25
5)	Practice pointer for defense	25
(b)	Facility Employee Complaints	26
(c)	Corporate Overseers	26
1)	Practice pointer for plaintiff	26
(d)	Resident and Family Complaints	27
(e)	Third Party Healthcare Provider Complaints	27
(f)	Public Complaints—Yelp, Indeed, Etc.	27
g.	Equating Defendants' Conduct to Criminal Conduct .	28

CHAPTER 6
THE ELDER ABUSE ACT—THE MANAGING AGENT
ELEMENT

CONTENTS

	Page
1. Overview	1
2. Interplay Between “Managing Agent” Element Related to Securing Enhanced Remedies and for Securing Punitive Damages Finding	1
3. Civ. Code, §3294(b)—Part 1—Officer, Director, or Managing Agent	1
a. Overview	1
b. Code, §3294(b)	1
c. “Director” within Civ. Code, §3294(b)	2
d. “Managing Agent” within Civ. Code, §3294(b)	2
(1) Overview	2
(2) Examples	3
e. Employment by Corporation not Required to be Managing Agent	4
f. Multiple Officers, Directors, Managing Agents possible	4
g. Where Company Engaged in Conduct Constituting Malice, Oppression, or Fraud, Plaintiff Need Not Show Particular Managing Agent Acted with Malice on Particular Date	5
(1) Practice pointer	5
h. Managing Agent Element Applied to Elder Abuse Actions	5
(1) Corporate Overseers	5
(2) Facility Administrator	6
(3) Facility Director of Nurses	6
(4) Supervising Nurses and Charge Nurses	7
(5) Unaffiliated Management Companies	7
4. Civ. Code, §3294(b)—Part 2—Engage in, Authorize, Ratify, or Hire/Retain Unfit Employee—Overview	8
a. Managing Agent “Engaged In” Reckless Neglect	8
b. Managing Agent “Authorized” Employee’s Reckless Neglect	9
c. Managing Agent “Ratified” Employee’s Reckless Neglect	10

d. Managing Agent Had Advanced Knowledge of Employee's Unfitness, Hired/Retained Employee with Conscious Disregard of Others' Rights or Safety	10
--	----

CHAPTER 7
THE ELDER ABUSE ACT—CAUSATION AND DAMAGES

CONTENTS

	Page
1. Overview	1
2. Causation	1
a. Overview	1
b. <i>Perlin v. Fountain View Management, Inc.</i>	1
c. Quantum of Harm Necessary to Establish Causation	1
d. Substantial Contributing Factor to Plaintiff's Harm ...	1
e. Causation of Death	2
f. Causation of Harm for Other Torts	2
g. Multiple Causes of Plaintiff's Harm/Death	2
h. Unusually Susceptible Plaintiff	2
(1) Comorbidities	3
i. Proving Harm/Death	3
(1) Quantum of Proof	3
(2) Expert Opinion	3
(3) Layperson Testimony	3
j. Issues of Causation Found in Elder Abuse Litigation	4
(1) Death Certificate's Cause of Death	4
(a) Death Certificate Reliability and Admissibility	5
(2) Conduct that Hastens Death Supports Wrongful Death Finding	5
(3) Increased Debility Caused by Neglect Can Support Wrongful Death Finding	5
(4) Deep Tissue Injuries	5
3. Damages	6
a. Overview	6
b. Past Medical Specials	7
(1) Collateral Source Rule	7
(2) Civ. Code, §3333.1(a) Does Not Apply to Elder Abuse Cases	7
(3) Calculating Past Medical Specials	7
(4) Proving Past Medical Specials	7
(5) Practice pointer	7

c.	Future Medical Specials	8
	(1) Reasonable Necessity of Future Care Due to Defendant's Wrongful Conduct	8
	(2) Reasonable Cost of Future Medical Care	8
	(3) Expert Testimony and Life Care Plans	8
d.	Past Pain and Suffering	8
	(1) Every Aspect of Suffering Counts	9
	(a) Present Each Category That Applies	9
	(2) Pre-Death Pain and Suffering	9
	(a) Amendments To CCP Section 377.34	9
	(b) Uncapped Pre-Death Pain And Suffering Unclear	10
	(c) Practice pointer	10
e.	Future Pain and Suffering	11
	(1) Practice pointer	11
f.	Examples of Pain and Suffering Fact Patterns	12
	(1) Capture Full Spectrum of Pain and Suffering ...	12
	(2) Victim's Lived Experience: Multifaceted Approach	12
	(3) Pressure Injuries	12
	(a) Physical Pain	12
	1) Chronic Nature	12
	(b) Indignity and Psychological Trauma	12
	1) Emotional Distress	12
	2) Autonomy Loss	13
	(c) Infected Wounds Odor	13
	1) Malodorous Wounds	13
	(d) Wound Vacuums and Medical Interventions	13
	1) Wound Vacuum (Wound VAC)	13
	2) Physical and Psychological Discomfort	13
	a) Practice pointer	13
	(e) Amputations	13
	1) Medical Necessity	13
	2) Emotional and Physical Consequences	14
	(f) Social Isolation	14
	1) Relationship Impact	14
	2) Stigmatization	14
	(g) Fear of Future Health Complications	14
	1) Risk of Infection	14
	2) Concern for Long-Term Disability	14
	(h) Envisioning Death	14
	1) Fatal Progression	14
	2) Emotional Toll on Family	15
	(i) Visual Evidence of Injury	15
	1) Photographic Evidence	15
	2) Before-and-After Comparisons	15
	(j) Practice pointer	15

(4) Dehydration and Malnutrition	15
(b) Emotional and Psychological Suffering	15
1) Dementia and Alzheimer’s Patients	16
(c) Severe Complications	16
(5) Fall Injuries	16
(a) Physical Pain and Ongoing Disability	16
(b) Loss of Independence and Emotional Harm	17
g. Wrongful Death Damages	17
(1) Noneconomic Damages	17
(2) Economic Damages	17
(3) Prohibited Considerations for Damages Under CACI 3921	17
(4) Life Expectancy	18
h. Loss of Consortium Damages	18
i. Attorney Fees	18
(1) Reasonable Attorney Fees—Lodestar and Multiplier	18
(2) Lodestar—Reasonableness of Time Spent	18
(3) Lodestar—Reasonableness of Hourly Rates	19
(a) The Laffey Matrix	19
(4) Multiplier—Factors	19
(5) Multiplier—Examples	21
j. Punitive Damages	22
(1) Practice pointer	22

CHAPTER 8
ELDER ABUSE IN VARIOUS SETTINGS

CONTENTS

	Page
1. Introduction	1
2. Assisted Living Facilities (ALFs)	1
a. Overview	1
b. Terminology and Definition	1
c. Types and Different Operational Models	1
(1) Six-Packs	1
(2) Traditional ALFs	1
(3) Memory Care Units	2
(4) Common Care Staff Roles in Assisted Living Facilities	2
(a) Caregivers	2
(b) Medication Technicians (Med Techs)	2
(c) Resident Care Coordinators/Directors	2
(d) Resident Wellness Nurses	2
(e) Licensed Administrators	2
(f) Regional and Corporate Oversight	2
(5) Multi-Level Care Campuses	2
d. State Regulation of Assisted Living Facilities	3
(1) Licensing Agency	3
(2) State Laws and Regulations	3
(3) Key Regulations Affecting Care and Safety	3
(a) Staffing Requirements	3
(b) Caregiver Licensing and Training	3
(c) Resident Assessments	3
(d) Dementia Care	4
(e) Medication Management	4
(f) Admission and Discharge Criteria	4
(g) Reporting Requirements	4
(h) Plan of Operation	4
1) Practice pointer	4
e. Federal Regulation	5
f. Distinctive Features	5
(1) No Numerical Minimum Staffing Set by State for ALFs	5
(2) Point Systems Used for Determining Acuity and Fee Rate	5

(3) MICRA Does Not Apply to Assisted Living Facilities	5
(4) Suitability of Residents	5
(5) ALF versus Memory Care	6
3. Skilled Nursing Facilities (SNFs)	6
a. Overview	6
b. Terminology and Definition	7
c. Types and Different Operational Models	7
(1) Small, Independently-Owned Nursing Homes (“Mom and Pop” Facilities)	7
(2) Large, Corporate-Owned Facilities	7
(3) Acuity Levels and Payer Source	7
(4) Common Departments	8
d. Specialized SNF Units	9
(1) Alzheimer’s and Dementia Units (Lockdown Units)	9
(2) Subacute Units	9
(3) Distinct Part Facilities	9
(4) Corporate and Regional Oversight In Larger Chains	9
e. State Regulation	10
(1) Licensing Agency	10
(2) State Laws and Regulations	10
(3) Key State Laws and Regulations Affecting Care and Safety	10
(a) State Numerical Staffing Requirements	10
(b) Resident Assessments	11
(c) Care Plans	11
(d) Common Care Issues	12
1) Pressure Sore Prevention	12
2) Fall Prevention	12
3) Infection Control	12
4) Changes of Condition	12
5) Medication Management	13
f. Federal Regulation	13
(1) Federal Oversight by California State Surveyors	13
(2) Federal Laws And Regulations	13
(a) Federal Regulations Apply Regardless of Medicare Status	13
(3) Key Federal Regulations Affecting Care and Safety	14
(a) Resident Rights	14
(b) Quality of Care	14
(c) Quality of Life	14
1) Practice pointer	14
(d) Resident Assessments	15
(e) Staffing Requirements	15
1) Staffing Levels Must Be Sufficient to Meet Resident Acuity Care Needs	15

2) Minimum Numeric Staffing	15
a) Staff to Acuity	16
3) Staff Qualifications/Competencies	16
4) Staff Training	16
5) RN Oversight	17
(f) Pressure Sore Prevention	17
(g) Fall and Accident Prevention	18
(h) Infection Control	18
(i) Incontinence	18
(j) Medication Management	18
(k) Condition Changes	18
4. General Acute Care Hospitals (GACHs)	19
a. Overview	19
b. Definition	19
c. Types and Different Operations Models	19
(1) For-Profit vs. Non-Profit Models	19
(2) Publicly Operated vs. Privately Owned	19
(4) Specialty Units	20
(5) Typical Department Structures	20
(a) Emergency Department (ED)	20
(b) Intensive Care Units (ICU)	20
(c) Medical/Surgical Units (Med/Surg)	20
(d) Telemetry Units	20
(e) Post-Anesthesia Care Unit (PACU)	20
(f) Operating Rooms (OR) and Surgical Services	20
(g) Labor and Delivery Unit (L&D)	21
(h) Pharmacy and Medication Management ...	21
(i) Diagnostic and Imaging Services	21
(j) Administrative and Support Services	21
(6) Typical Personnel	21
d. State Regulation	22
(1) Licensing Agency	22
(2) State Laws And Regulations	22
(3) Key State Laws and Regulations	22
(a) Staffing Ratios for Licensed Nurses	22
1) Minimum Requirements	23
2) Mislabeling Prohibited	23
(b) Patient Classification System	23
(c) Written Staffing Plans	23
(d) Importance of RN Care	24
(e) Nursing and Patient Care Staff Competency	24
(f) Nursing Staff Development	24
e. Federal Regulation	25
(1) Federal Oversight by California State Surveyors	25
(a) Deemed Status	25
(2) Federal Laws and Regulations	25

(3) Key Federal Laws and Regulations	25
(a) Staffing Requirements	25
(b) Care Planning	25
(c) Infection Control	26
(d) Physical Environment	26
(e) Patient Rights	26
f. Shorter Stays	26
(1) Complex Medical Conditions	26
(2) Fragmented Care	26
(3) Joint Commission Accreditation	27
(4) Number of Touches	27
5. Long Term Acute Care Hospitals (LTACs)	27
a. Overview	27
b. Terminology and Definition	28
c. Types and Different Operations Models	28
(1) Free-standing LTACs	28
(2) Hospital-within-Hospital (HwH) LTACs	28
(3) Similarities with GACHs	28
d. State Regulation	28
e. Federal Regulation	29
(1) Different Payment Model	29
(2) Length of Stay Requirement	29
(3) Quality Reporting	29
f. Distinctive Features	29
(1) Similarities and Differences Between GACHs and LTACs	29
(2) LTAC Assessment Data Sets and LTRAX	29
6. Home Health Agencies (HHAs)	30
a. Overview	30
b. Definitions	30
c. Services Provided	30
(1) Nursing Care	30
(2) Therapy (Physical, Occupational, and Speech) ..	30
(3) Medical Social Services	30
(4) Home Health Aides	31
(5) Homemaker or Basic Assistance Care	31
d. State Regulation	31
(1) Licensing Agency	31
(2) State Laws and Regulations	31
(a) Plan of Treatment; Plan of Care; Plan for Personal Services	31
(c) Home Health Aid/Personal Services Supervisor	31
(d) Patient Rights	31
e. Federal Regulation	31
(1) Key Federal Regulations	31
(a) Patient Rights	31
(b) Patient Assessments	32
(d) Infection Control	32

f.	Distinctive Aspects	32
(1)	Care and Custody	32
(2)	Scope of Duties and Intermittent Presence	32
7.	Hospice Providers	32
a.	Overview	33
b.	Hospice Care Defined	33
(2)	Terminally Ill.	33
(3)	24-Hour	33
c.	Care Environment	33
(1)	Hospice Care in Own Facility	33
(2)	Hospice Care While Admitted to Facility	33
(3)	Hospice Care at Home	33
d.	State Regulation	34
e.	Federal Regulation	34
(1)	Key Federal Regulations	34
(a)	Interdisciplinary Group, Care Planning, and Coordination of Services	34
(b)	Core Services	34
(c)	Hospice Aide and Homemaker Services ...	34
(d)	Infection Control	34
(e)	Patient Rights	34
f.	Distinctive Aspects.	35
(1)	Hospice Care at Facility or Home—Who Is Responsible For The Care	35
(2)	Hospice Certification	35
8.	Other Settings	36

CHAPTER 9
COMMON FACT PATTERNS IN ELDER ABUSE
LITIGATION

CONTENTS

	Page
1. Overview	1
2. Common Fact Patterns	1
a. Practice pointer	2
3. Common Fact Pattern—Pressure Injuries	2
a. Introduction	2
(1) Practice pointer	2
b. Definitions	2
(1) CMS Definition	2
(2) National Pressure Injury Advisory Panel Definition	2
c. Terminology	3
(2) Practice pointer	3
d. Staging	3
(1) Normal Layers of Skin	3
(2) Pressure Injury Stages	3
(a) Stage 1: Non-blanchable Redness (Erythema) of Intact Skin	3
(b) Stage 2: Partial-Thickness Skin Loss with Exposed Dermis	3
(c) Stage 3: Full-Thickness Skin Loss	4
(d) Stage 4: Full-Thickness Skin and Tissue Loss	4
(e) Unstageable Pressure Injury: Obscured Full-Thickness Skin and Tissue Loss	4
(f) Deep Tissue Pressure Injury: Persistent Non-Blanchable Deep Red, Maroon, or Purple Discoloration	4
(3) Practice pointer	5
e. Terminology Often Used in Medical Records	5
f. Occur in Areas of “Bony Prominences.”	6
g. High Risk Individuals	6
(1) Individuals with Limited Mobility	7
(2) Elderly Persons	7
(3) Individuals with Chronic Conditions	7
(4) People with Incontinence	7

(5) Individuals with Poor Nutrition or Hydration	7
(6) People with Cognitive Impairments	7
(7) Individuals with History of Pressure Injuries	8
h. Assessing Pressure Injury Risk	8
(2) Practice pointer	8
i. Prevention and Interventions	8
(1) Regular Repositioning	9
(a) Turning/Repositioning Program	9

j. Recklessness Finding Based on Failure to Provide Needed Interventions	12
(1) Practice pointer	12
k. Treatment	12
(1) Higher Level of Care	12
(2) Wound Cleaning	12
(3) Dressing Application	13
(4) Laboratory Tests	13
(5) Infection Control	13
(6) Pain Management	13
(7) Nutritional Support	13
(8) Debridement	13
(9) Other Surgical Interventions	14
(10) Advanced Wound Care Technologies	14
l. Common Defenses	14
(1) Pre-Existing Pressure Injury	14
(2) Pre-Existing Medical Conditions	14
(3) Unavoidable Pressure Injury	15
(a) “Unavoidable” defined	15
(4) Contesting Pressure Injury	15
(a) Other Wound Types	15
4. Common Fact Pattern—Falls	16
a. Introduction	16
b. Individuals at Risk for Falls	17
(1) Intrinsic Risk Factors	17
(2) Extrinsic Risk Factors	18
c. Prevention and Interventions	18

(1) Comprehensive Fall Risk Assessment	19
(2) Mobilization	19
(3) Lowering Bed Height	19
(4) Non-Slip Footwear	20
(5) Bedside Mats	20
(6) Environmental Modifications	20
(7) Use of Pendants and Wristbands	20
(8) Alarms	20
(a) Practice pointer	20
(9) Toileting and Toileting Plans	21
(10) Bedrails	21
(b) Practice pointer	21
(11) Increased Supervision	22
(12) Medication Review	22
(13) Exercise Programs	22
(14) Vision and Hearing Assessments	22
(15) Foot Care and Podiatry Services	22
(16) Hydration and Nutrition Management	22
(17) Other interventions	22
d. Treatment	23
(1) Immediate Assessment and Care	23
(2) Medical Evaluation and Treatment	23
(3) Post-Fall Monitoring	23
(4) Root Cause Analysis	23
(5) Care Plan Review and Modification	23
(6) Documentation and Communication	24
e. Single Fall Cases	24
(1) Defense Argument	24
(2) Plaintiffs' Response	24
f. Common Defenses	25
(1) People Fall Naturally	25
(2) Fall Was Unavoidable Due to Clinical Condition ..	25
(3) Lack of Causation	25
(4) Met Standard of Care	26
5. Common Fact Pattern—Dehydration and Malnutrition	26
a. Introduction	26
(1) Dehydration	26
(2) Malnutrition	26
(3) Often Viewed As Clear Neglect	26
b. Persons Most At Risk	27
(1) Cognitively Impaired Residents	27
(2) Residents with Swallowing Disorders (Dysphagia)	27
(3) Residents with Physical Disabilities	27
(4) Residents on Certain Medications	27
(5) Elderly Residents	27
(6) Residents with Chronic Illnesses	28

c.	Dehydration and Malnutrition—Prevention And Interventions	28
(1)	Nursing Homes Required to Maintain Nutritional Status	28
(2)	Dietician Evaluations	29
(3)	Swallow Evaluations	29
(a)	Practice pointer	29
(4)	Caregiver Cuing and Prompting	29
(5)	Restorative Feeding Assistance	29
(6)	Monitoring Fluid and Nutrition Intake	29
(7)	Special Diets	30
(8)	Providing Quality, palatable Food and Fluids	30
d.	Important Signs and Symptoms	30
e.	Relevant Laboratory Results	32
f.	Treatment	33
g.	Common Defenses	35
(1)	Unavoidable Due to Resident’s Medical Condition	35
(a)	Assessing underlying medical conditions properly	35
(2)	Caused by Alzheimers	35
(a)	Interventions are still necessary	35
(3)	Weight Loss Due to Diuretics (e.g., Lasix)	36
(a)	Practice pointer	36
6.	Common Fact Pattern—Sexual Abuse	36
a.	Introduction	36
b.	Definition	36
c.	Key Elements in Civil Cases	37
d.	Persons Most at Risk	37
e.	Prevention and Interventions	38
(1)	Staff Screening and Training	38
(2)	Resident Supervision and Care Planning	39
(3)	Incident Reporting and Response	40
(4)	Environmental Controls	40
(5)	Culture of Accountability	40
f.	Failure to Act Despite Notice of Potential Abuse	40
(1)	Resident-on-Resident Abuse and Known Behavioral Issues	41
(2)	Staff Misconduct	41
(3)	Failing to Investigate/Act When Resident Abused by an Employee	41
g.	Police Investigations	41
(1)	Scope	42
(2)	Challenges	42
(3)	Access to Police Investigative Files	42
(a)	By Public Records Act Requests	42
(b)	By Subpoena	43
h.	Common Defenses	43
(1)	No Direct Evidence of Sexual Assault	43

(a)	Clear and Convincing Evidence	43
(b)	Circumstantial Evidence	44
(2)	Consent	44
(a)	Cognitively Impaired Residents	44
1)	Mental Capacity	44
2)	Protection from Manipulation	44
3)	Intimate Relationships Prohibited	44
(3)	Alzheimer's Residents Suffer Harm Despite Lack of Recollection	45
(a)	Establishing Harm	45
1)	Practice pointer	45
7.	Common Fact Pattern—Assault and Battery (Non-Sexual)	46
a.	Introduction	46
b.	Perpetrators	46
(1)	Staff-on-Resident	46
(2)	Resident-on-Resident	46
(3)	Third Parties	47
c.	Prevention and Interventions	47
(1)	Resident Assessments and Care Plans	47
(2)	Staff Training and Education	47
(a)	Practice pointer	47
(3)	Supervision and Monitoring	47
(4)	Behavioral Interventions	48
(5)	Environmental Controls	48
(6)	Resident Placement and Grouping	48
(7)	Incident Reporting and Response	48
(8)	Engagement with Mental Health Professionals ..	48
d.	Common Defenses	48
(1)	Unforeseeable Aggression	49
(a)	Evaluating Foreseeability of Aggression ...	49
(b)	Practice pointer	49
(2)	Unavoidable Incident	49
(a)	Sudden and Unexpected	49
(b)	The Role of Cognitive Decline or Impairment	50
(3)	Reasonable Preventative Measures	50
(a)	Staff Training and Preparedness	50
(b)	Supervision and Monitoring	50
8.	“Common Fact Pattern—Elopement and Wandering”	50
a.	Introduction	50
b.	Persons Most at Risk	51
c.	Prevention and Interventions	52
(1)	Assessing Risk	52
(2)	Supervision and Security Measures	52
(3)	Examples of Specific Interventions	53
(4)	Transfer to Higher-Level Facility	54
d.	Importance of Immediate Response	54

(1) Prompt Activation of Alarm Systems	55
(2) Initiating Facility-Wide Search	55
(3) Contacting Law Enforcement and Emergency Services	55
(4) Notifying Family Members	55
(5) Post-Elopement Protocol	55
(6) Practice pointer	56
e. Common Defenses	56
(1) Unforeseeable	56
(2) Adequate Supervision and Security Measures in Effect	56
(3) Resident's Condition Was Unpredictable	57
(4) Physical Restraints Are Illegal and Contrary to Resident Autonomy	57
9. Common Fact Pattern—Chemical and Physical Restraints	57
a. Introduction	57
b. Physical Restraints	57
(1) Use in Facilities	58
(2) Legal Considerations	58
c. Chemical Restraints	58
(1) Common Types of Medications in Chemical Restraint Cases	58
(2) Legal and Ethical Issues	58
(3) PRN Medications	59
d. Understaffing and Chemical Restraint Cases	59
e. Risks and Consequences of Restraints	59
f. Alternative Interventions	59
g. Common Defenses	60
(1) Restraints Were Clinically Necessary	60
(2) Physician Ordered and Monitored Restraints	60
(3) Informed Consent Was Obtained	60
(4) Less Restrictive Alternatives Were Ineffective or Unavailable	61
(5) Resident's Behavior Presented Immediate Risk	61
(6) Other Defenses	61
10. Common Fact Pattern—Choking and Aspiration Pneumonia	61
a. Introduction	61
b. Definitions	61
c. Highest Risk Individuals	62
d. Prevention and Interventions	63
(1) Swallowing Assessments	63
(2) Dietary Modifications	63
(a) Types of Textured Food Diets	63
(3) Supervised Eating	64
(4) Proper Positioning	64
(5) Aspiration Precautions	64
(6) Medication Review	64

(7) Oral Care	64
(8) Emergency Response Preparedness	64
e. Common Defenses	65
(1) Unforeseeable	65
(a) Practice pointer	65
(2) Facility Followed Care Plan	65
(3) Caused by Underlying Medical Condition	66
(4) Resident or Family Refused Interventions	66
11. Common Fact Pattern—Infections	66
a. Introduction	66
c. Common Types of Infections	68
d. Prevention and Interventions	70
e. Common Defenses	71
(1) Infection Originated Outside Facility	71
(a) Practice pointer	72
(2) Infection Was Unavoidable Due to Resident's Health	72
(3) Adequate Infection Control Measures	72
(a) Practice pointer	72
(4) Infection Was Not Primary Cause of Harm	72
(5) Appropriate Staff Response	73
12. Common Fact Pattern—Fecal Impaction	73
a. Introduction	73
b. At Risk Persons	73
c. Prevention and Interventions	74
d. Common Defenses	74
(1) Unavoidable	74
(a) Practice pointer	75
(2) Staff Provided Appropriate Care	75
(3) Other Defenses	75
13. Common Fact Pattern—Changes of Condition	75
a. Introduction	75
b. Importance of Timely Response	75
(1) Proper assessment	75
(a) Scope of Practice—RNs vs. LVNs in Assessments	76
(2) Proper reporting and notifications	76
(3) Proper documentation and monitoring	76
(4) Proper root cause analysis	76
c. Common Defenses	77
(1) Change Was Unpredictable or Inevitable	77
(2) Staff Responded Appropriately	77
(3) Resident or Family Declined Further Medical Intervention	77
(4) Complex Medical Issue	77
(5) Other Defenses	77
14. Common Defenses and Responses	77
a. Introduction	77

b.	Comorbidities	78
	(1) Hearsay Evidence of Comorbidities	78
c.	Physician Supervised Care	78
d.	Third Party Negligence	78
e.	Documentation Error	79
f.	Resident Non-Compliance or Refusals	79
g.	Poor behavior of Resident or Family	79
h.	Suspicion of Abuse Not Reported to Authorities	80
	(1) Mandated Reporter Laws	80

CHAPTER 10
PRE-TRIAL DISCOVERY

CONTENTS

	Page
1. Scope of Discovery Against Facilities Overview	1
2. General Considerations	1
a. Production Requests and Document Depositions ...	1
b. Motions To Compel	1
3. Discovery re Abuse and Neglect in Long-Term Care Facility	2
a. Document Discovery	2
(1) Plaintiff's Chart	2
(a) Electronic Health Records	3
1) Printed, Shuffled, And Rescanned Productions	3
2) Effective Date v. Created Date	3
3) Audit Logs	3
4) Audit Reports	3
5) Form	4
(b) Omission of Critical Documentation	4
1) Assessments	4
2) Care Plans	4
3) Physician Order and Progress Notes ..	4
4) Nursing Progress Notes	4
5) Incident Reports	4
6) Therapy Records	4
7) Treatment Administration Records (TARs)	4
8) Medication Administration Records (MARs)	4
9) Activities of Daily Living (ADLs)	4
10) Legends	5
(2) Communications and Electronically Stored Information (ESI)	5
(3) Policies and Procedures, Job Descriptions	5
(a) SNF Policies and Procedures	5
(b) ALF Policies and Procedures	5
(c) Beyond Neglect in Complaint	5
(4) Shift and Assignment Sheets	6
(5) 24-hour Reports and End-of-Shift Reports	6

b.	Care Provider Testimony	7
(1)	Defendant Facility Care Provider Depositions ...	7
(a)	Former Employees	7
(b)	Current Employees	7
(c)	Practice pointer	7
(2)	Third-Party Depositions	7
(a)	EMS Responders	7
(b)	Healthcare Personnel Who Provided Care Before and After Neglect	8
(c)	Primary Care Physician	8
(d)	Practice pointer	8
4.	Discovery into Long-Term Care Facility Operations ..	8
b.	Notice of Problems at Facility	14
(1)	Notice From Facility Quality Metrics and Complaints	14
(a)	Notice From Residents/Families	14
(b)	Notice From Employees	15
(c)	Notice From Quality Metrics Available to SNFs	15
(d)	Governing Body Meeting Minutes for SNFs	15
(2)	Notice From Regulators	15
(a)	Inspections (CDSS) And Surveys (CDPH) .	16
(b)	Complaints, Facility Reported Incidents, and Investigations	16
(c)	Citations and Deficiencies	16
c.	Failure To Respond to Problems as Reckless, Malicious, Oppressive, or Fraudulent	16
(1)	Budgets/Labor Allocation	16
(2)	Bonuses	16
(3)	Revenues/Profits	17
5.	Discovery to Support Corporate Defendant Liability ..	17
a.	Common Corporate Organization	17
b.	Theories of Corporate Liability and Relevant Evidence Generally	17
c.	Operational Control	17
(1)	Access to Facility Information	18
(2)	Supervision of Facility Employees/Directors	18
(3)	Management Agreements	18
(a)	Services	18
(b)	Parties and Negotiation	19
(4)	Communications	19
(5)	Contracts, Policies and Procedures	19
(6)	Form	19
d.	Financial Control	19
(1)	Ownership Control	19
(2)	Budget Control	19
(a)	Variance Reports	19
(3)	Accounts Control	20

(a)	Revenues Control	20
(b)	Expenses Control	20
(c)	Credit Agreements	20
(4)	Related Party Transactions	20
(a)	General Ledgers	20
6.	Common Objections to Discovery	20
a.	Overbreadth	20
(1)	Overbreadth—Scope	20
(2)	Practice pointer	21
b.	Privacy	23
(1)	Objections Based on Defendants' Privacy Interests	23
(2)	Practice pointer	23
(3)	Objections Based on Employees' Privacy Interests	23
(a)	Identifying Witnesses	23
(b)	Personnel Files	24
(4)	Objections Based on Residents' Privacy Interest	24
c.	Civ. Code, §3295 Financial Evidence Objections	25
(1)	Civ. Code, §3295 Applicability	25
(2)	Discoverable Where Relevant to Plaintiffs' Damages Pursuant To Civ. Code, §3294	25
(3)	Financial Evidence Discoverable to Prove Defendants' Liability	25
d.	Burden Objections	26
e.	Quality Assurance Objections	26

CHAPTER 11
CORPORATE LIABILITY

CONTENTS

	Page
1. Overview	1
2. Early Understanding of Enterprise	1
3. Establishing Corporate Liability	1
4. Understanding Enterprise’s Corporate Structure	2
a. Timing of Corporate Structure Discovery	2
b. PMQ Depositions	2
(1) Practice pointer	3
(2) Multiple entities	3
(3) Document Production Requests	3
c. Corporate Entities to Include In Complaint	3
d. Corporate Entities and Relation Back	3
5. Theories Of Liability Over Corporate Overseers	4
a. Overview	4
b. Direct Liability	4
(1) Care or Custody	4
(a) Practice pointer	4
(2) Reckless Neglect Causing Harm	5
c. Joint Venture	5
(1) Overview	5
(2) Element 1—Two Entities Combined Their Property, Skill, or Knowledge with Intent to Carry Out Single Business Undertaking	6
(3) Element 2—Two Entities Had Ownership Interest	6
(4) Element 3—Two Entities Had Joint Control Over Business, Even Where Control Delegated	6
(5) Element 4—Agreement to Share Profits and Losses	6
(6) Potential Defense Arguments	6
d. Aider and Abettor Liability	7
(1) Overview	7
(2) Specific Knowledge	7
(3) Aiding and Abetting Defendants	7
e. Conspiracy	7
(1) Overview	7

(2) “Wrongful Act.”	8

12. Medical Malpractice	19
a. Basic Elements	19
b. Practice pointer	19
c. Exception—High Past and Future Medical Specials .	19

CHAPTER 13
FINANCIAL ABUSE

CONTENTS

	Page
1. Introduction	1
2. Statutory Financial Abuse	1
a. "Financial Abuse" Broadly Defined	1
b. Personal Property Defined	4
c. Conclusive Presumption of "Financial Abuse"	4
d. "Taken" Defined	5
(1) Practice pointer	6
3. Two Remedies and Two Standards Of Proof for Financial Abuse Under Welf. & Inst. Code, §15657.5 .	6
a. Attorney Fees and Costs, Compensatory Damages, Remedies Provided by Law	6
b. Practice pointer	7
c. General Damages for Pain and Suffering After Death	8
(1) Practice pointer	8
d. Financial Abuse of Incompetent Victim	8
(1) Practice pointer	9
4. Typical Theories Asserted in Financial Abuse Cases .	9
a. Litigation Under Probate Code	9
b. Litigating Financial Abuse Cases in Civil Actions	10
(1) Consumers Legal Remedies Act (CLRA)	10
(2) Class actions	10
5. Recovery of Specific Property	11
a. Fraudulent Transfer Act Claim	11
b. Quick Action Essential	11
6. Typical Fact Patterns	11
a. Family Theft or Overreaching	11
b. Caregiver Theft or Overreaching	11
c. Lawyer or Accountant Misconduct	12
d. Financial Institutions	12
e. Scams	12
f. Insurance and Annuity Salespersons	12
g. Mortgage Brokers	12
h. Real Estate Transactions	12

7. Recovering and Securing Property Pending Judgment	12
a. Urgency	12
b. Methods of Securing Misappropriated Personal Property	13
(1) Self-Help (Action By Or On Behalf Of The Elder, Without Court Process)	13
(2) Provisional Remedy of “Attachment” to Secure Claim of Financial Abuse, by Attaching Property or Money to Secure Judgment	13
(a) “Attachment” Defined	13
(b) Property Subject to Attachment	14
(c) Attachment on Contract Actions or Actions Arising From Trade or Business	14
(d) Attachments Issue on Ex Parte Application or Motion	14
(e) Temporary Protective Orders to Aid in Attachment	14
1) Practice pointer	14
(f) Attachment Available in Financial Abuse Cases	15
(3) Attachment Through Fraudulent Transfer Act	15
(4) Receivers in Fraudulent Conveyance Actions	15
(5) Writ of Possession	15
(6) Temporary Restraining Order; Preliminary Injunction	16
(a) Practice pointer	16
(7) Protective Orders Under Welf. & Inst. Code, §15657.03	17
c. Securing Real Property	17
(1) Attachment of Defendant’s Interest in Real Property	17
(a) Practice pointer	17
(2) Lis Pendens To Secure Claim Against Real Property	18
8. Earnings Withholding Order to Enforce Judgment for Elder/Dependent Adult Financial Abuse	19

CHAPTER 14
PUNITIVE DAMAGES

CONTENTS

	Page
1. Introduction	1
2. Purpose of Punitive Damages	1
3. Pleading Punitive Damages	1
a. Entitlement to Punitive Damages May Be Plead in Complaint Without Leave to Amend	1
b. Amount of Punitive Damages Sought Cannot Be Stated in Pleadings	2
c. Statement of Damages	2
d. Practice pointer	2
e. Punitive Damages Must Be Plead with Particularity .	2
(1) Overlap with Pleading Enhanced Remedies Under Elder Abuse Act	3
f. Motions to Strike Prayers for Punitive Damages	3
(1) Practice pointer	3
4. Showing Required to Secure Punitive Damages	3
a. Civ. Code §3294(a)—Malicious, Oppressive, or Fraudulent Conduct	3
(1) Malice Defined	3
(2) Oppression Defined	3
(3) Fraud Defined	3
(4) Despicable Conduct Defined	3
(5) Cross-refer	4
b. Civ. Code §3294(b)—Employer Liability	4
c. In Commission of Wrongful Conduct That Formed Basis for Liability	4
d. Showing Required For Punitive Damages Award vs. Enhanced Remedies Under Elder Abuse Act	5
5. Discovery Relevant to Punitive Damages	5
a. Finding Defendant’s Conduct Was Malicious, Oppressive, or Fraudulent	5
b. Financial Discovery	5
c. Evidence of Financial Condition and Profits (Civ. Code §3295(c) Motion)	6
6. Securing Punitive Damages—Phase One (Special Finding)	6

a.	Overview	6
b.	Evidence Supporting/Opposing Punitive Damages Finding in First Phase	7
c.	Phase One Jury Instructions	7
d.	Verdict Form	7
7.	Securing Punitive Damages—Phase Two—Amount ..	7
a.	Overview	7
b.	Governing CACI Instruction	7
(1)	Punishment and Deterrence	7
(a)	Practice pointer	8
(2)	Factors to Determine Punitive Damages Award ..	8
(a)	Practice pointer	8
(b)	Factor One—Reprehensibility	8
1)	Practice pointer	8
(c)	Factor Two—Relationship Between Punitive Damages and Plaintiff’s Harm	9

(7) Compilation Exhibits	26
6. Defendants' Case-In-Chief	26
a. Generally	26
b. Re-Calling Witnesses	27
7. Closing Arguments	27
a. Governing Law	27
(1) Right to Present Closing Argument in Civil Jury Trials	27
(2) Jury Instructions Precede Closing Arguments ...	27
(3) Plaintiff's Right to Opening Closing, and Rebuttal Closing	27

(4) No Mandatory Minimum Time for Closing Argument	28
(5) Wide Latitude About What and How to Argue in Closing Argument	28
(6) Opponent’s Failure to Address Evidence	28
(7) No Reference to Excluded Matters	29
(8) Evidence Admitted for Limited Purpose Cannot Be Considered for Other Purposes	29
(9) Misstating Evidence or Law	29
(10) No Personal Attacks	29
(11) Appealing to Jury’s Self-Interest Prohibited	30
(12) Improper to Make “Golden Rule” Arguments	30
(13) Cannot Imply Party’s Case Has Judicial Approval	30
(14) Improper to Argue Community Impact	30
b. Challenging Improper Argument	30
(1) Timing	30
(2) Requesting Curative Measure	31
(3) Preservation for Appeal	31
(4) Practice pointer	31
c. Practice Pointers for Closing Arguments	31
(1) Prepare for Closing Throughout Trial	31
(2) Organization	31
(3) Keep Jury’s Attention by Varying Presentation ..	32
(4) Use Verdict Form	32
(5) Show Key Jury Instructions	32
(6) Use Exhibits and Make It Easy for Jury to Find References	32
(7) Create Organizational Charts with Witness Headshots	32
(8) Focus Extensively on Damages	32
(9) Specify Verdict and Damages Sought	33
(10) Powerful Beginning and Ending to Closing	33
(11) Plaintiffs Should Pre-Plan Rebuttal Closing	33
(12) Arguments Will Be Considered by Reviewing Court on Appeal	33
8. Punitive Damages Phase	34
9. Alter Ego Phase	34
10. Jury Deliberations	34
a. Rules of Law	34
(1) Juror Requests for Information	34
(2) Juror Agreement on Each Question	34
(3) Non-Agreeing Jurors Not Required to Deliberate Damages	34
(4) Replacing Jurors During Deliberations	35
(5) Deadlocked Juries	35
(6) Juror Misconduct During Deliberations	36
b. Other Tips	36

(1) Ensure Exhibits Are Timely Taken to Jury Room	36
(2) Remain Available During Deliberations for Jury Questions	36
11. Jury Verdicts	36
a. Verdict Forms	36
b. Irregularities	36
c. Jury Polling	37
d. Entry of Judgment Based on Jury Verdict	38
