

## INTRODUCTION TO 2025 EDITION

This 2025 Edition of the *Georgia Handbook on Foundations and Objections* is an up-to-date guide to making evidentiary objections for the Georgia attorney. Since last year's edition, new material has been added and/or existing material updated on the following subjects, among others:

- Personal knowledge
- Lay opinion
- Expert testimony
- Impeachment
- Hearsay
- Cell phone data
- Videos or photographs
- Text messages
- Business records
- Best evidence rule
- Relevance
- Offers of compromise
- Other crimes or acts
- Collateral sources
- Bolstering

**This 2025 Edition replaces the 2024 Edition, which may now be recycled or discarded.**
