

Index

Abandonment

- CERCLA remedial actions (Section 106), inactive and abandoned sites, **6:39**
- Hazardous wastes regulations, abandoned or discarded materials, **5:4**
- RCRA imminent hazard actions jurisdiction of Section 2003, inactive and abandoned sites, **6:23**

Absence

- Permanent permitted TSD facilities, absent owner/operators, **5:99**

Accidental release

- Air emissions. See entries throughout this heading
- Air pollution. See entries throughout this heading
- List of regulated substances and thresholds for accidental release prevention, requirements for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**
- Petitions, list of regulated substances and thresholds for accidental release prevention, requirements for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**
- Standards
 - Hazardous emission standards, **7:14**
 - List of regulated substances and thresholds for accidental release prevention, requirements for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**

Agreements

- Covenant not to sue, settlement provision, **6:146**
- Guidance on financial assurance in Superfund settlement agreements and unilateral administrative orders, **App 6Z**
- Joint defense and dispute resolution agreement for superfund site, **App 6E**
- Professional services contract, expert and specialized legal representation, **App 6X**
- Prospective purchasers of contaminated property, **App 6R**

Agricultural commodities

- See also **Food and Food Additives** (this index)
- Unregulated or minimally regulated agricultural wastes, **5:18**

AHERA

- See **Asbestos Hazard Emergency Response Act (AHERA)** (this index)

Air pollution

- Generally, **7:1; 7:2**
- Accidental releases
 - List of regulated substances and thresholds for accidental release prevention, requirements for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**
 - Standards, **7:14**
- Categories of sources, **App 7D, 7H**
- Contingency plan guidance, national response team's, **App 7G**
- Emissions. See entries throughout this heading
- EPA lists, rules, and reports
 - Historical perspective
 - Before the 1990 regulation, **7:4 to 7:6**
 - 1990 amendments, **7:7**
 - List of categories of sources, **App 7D, 7H**
 - List of regulated substances and thresholds for accidental release prevention, requirements for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**
 - National response team's contingency plan guidance, **App 7G**
 - Schedule for promulgation of emission standards, **App 7E**
 - Tier 2 motor vehicle emissions standards and gasoline sulfur control requirements, **App 7K**
- Global and regional limits on air emissions from ships, **7:17**
- Greenhouse gases, **7:15**
- Historical perspective
 - Before the 1990 regulation, **7:4 to 7:6**
 - Lead, **7:6**
 - 1990 amendments, **7:7**
 - Particulates and volatile organic compounds, **7:5**
- International conventions impacting air emissions, **7:17**
- Lead, **7:6**
- List of air contaminants standards: PEL Z-Tables, **App 9C**
- List of categories of sources, **App 7D, 7H**
- List of regulated substances and thresholds for accidental release prevention, requirements for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**
- Motor vehicle emissions standards and gasoline sulfur control requirements, **App 7K**
- National response team's contingency plan guidance, **App 7G**

Air pollution—Cont'd

- New source performance, standards, **7:8**
- OSHA standards, amended, **9:21**
- Particulates and volatile organic compounds, historical perspective, **7:5**
- Petitions, list of regulated substances and thresholds for accidental release prevention, requirements for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**
- Residual risk standards, **7:13**
- Schedule for promulgation of emission standards, **App 7E**
- Standards
 - Accidental releases, **7:14**
 - Before the 1990 amendments, **7:9; 7:10**
 - EPA schedule for promulgation of emission standards, **App 7E**
 - Greenhouse gases, **7:15**
 - List of regulated substances and thresholds for accidental release prevention, requirements for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**
 - New source performance, **7:8**
 - 1990 amendments
 - emissions from hazardous waste remediated sites, **7:12**
 - Residual risk standards, **7:13**
- State regulation, **7:16**
- Tier 2 motor vehicle emissions standards and gasoline sulfur control requirements, **App 7K**
- Vessels, global and regional limits on air emissions, **7:17**
- Volatile organic compounds, **7:5**

Air transporters of hazardous wastes

- Manifest, **5:53**

American Trucking Assoc., Whitman v.

- Case law, **App 7L**

Antarctic conservation act

- Generally, **7:30**

Appeal and review

- Toxic Substances Control Act (TSCA), **2:51; 2:92**

Asbestos

- Generally, **2:54**
- Asbestos Hazard Emergency Response Act (AHERA), **2:58 to 2:60**
- CERCLA actions against responsible parties under Section 107, **6:87**
- Clean Air Act requirements, **2:55**
- Contractor accreditation under AHERA, **2:62**
- Disposal, **2:65; 2:66**
- EPA's regulations under AHERA, **2:60**
- Inspection and reinspection under AHERA, **2:61**

Asbestos—Cont'd

- Litigation, asbestos-related, **2:67**
- Management plans under AHERA, **2:62**
- Occupant protection under AHERA, **2:64**
- OSHA requirements, **2:56**
- Response actions under AHERA, **2:63**
- State and local law, **2:66**
- Statutory requirements of AHERA, **2:59**
- TSCA requirements, **2:57**
- Worker protection, **2:56; 2:64**

Asbestos Hazard Emergency Response Act (AHERA)

- Background, **2:58**
- EPA's regulations, **2:60**
- Inspection and reinspection, **2:61**
- Management plans, **2:62**
- Response actions, **2:63**
- Statutory requirements, **2:59**
- Worker and occupant protection, **2:64**

Attorneys

- Professional services contract, expert and specialized legal representation, **App 6X**

Audits

- Admissibility of internal audits, **5:143**

Bankruptcy

- CERCLA actions, effect of PRP's bankruptcy, **6:134**
- Enforcement of hazardous wastes law, effect on, **5:166**
- Imminent hazard RCRA actions, effect on, **6:33**
- TSD facility owner/operator, effect on TSD's permanent permitted status, **5:99**

Bestfoods, et al., United States v.

- Case law, **App 6T**

Biennial reports

- Generators of hazardous waste, **5:39**

Biotechnology

- Generally, **2:95**
- Policy statement of EPA, **App 8C**

Boilers and industrial furnaces

- Permanent permitted TSD facility standards, **5:106**

Bona fide prospective purchasers

- CERCLA new amendments and, **App 6V**

Bulk shipments or transports of hazardous wastes

- Generator manifest, **5:36**
- Transport manifest, **5:54**

Burden of proof

- Worker exposure to chemicals, **9:8 to 9:12**

Buyouts

- De micromis, **6:149**
- De minimus, **6:148**

Cancellation of pesticide registration

- See **Pesticides** (this index)

Century Alumina co., et al., Mathes v.

- Case law, **App 6Y**

CERCLA

- See **Comprehensive Environmental Response, Compensation And Liability Act (CERCLA)** (this index)

Chemfuel

- Permanent permitted TSD facilities standards, **5:108**

Chemical Facility Anti-Terrorism Standards (CFATS)

- Toxic Substances Control Act (TSCA), **2:96**

Children

- Food with pesticide residues, exposure to, **8:20**

Chlorinated naphthalenes (non-PBC chemical)

- Generally, **2:69**

Chlorinated terphenyl (non-PBC chemical)

- Generally, **2:69**

Citizen suits or petitions

- CERCLA provisions enforcement, **6:153**
- Community right-to-know provisions, **6:187**
- Consumer Product Safety Act, **4:9**
- Feasibility and expense considerations, **5:150; 5:151**
- Intervention, **5:149**
- Language of citizen suit, **5:147**
- Limitations and prohibitions, **5:148**
- Manifest system requirements, **5:151**
- Pesticides regulations, **3:94**
- Trade secret protection, disclosure, **6:181**
- TSCA provisions, **2:76 to 2:77**
- TSD facility standards, **5:150**
- Underground storage tanks, EPA's regulations, **5:175**
- Wastewater effluents, **7:21**

Civil monetary penalty inflation

- Adjustments, **App 2P**

Clean air

- See **Air Pollution** (this index)

Cleanup statutes

- Federal
 - CERCLA. See **Comprehensive Environmental Response, Compensation And Liability Act (CERCLA)** (this index)

Cleanup statutes—Cont'd

- Federal—Cont'd
 - RCRA. See **Resource Conservation And Recovery Act (RCRA)** (this index)
 - Spills on waters. See **Spills On Navigable Waters** (this index)
 - State, voluntary cleanup statutes, **6:162; App 6H**

Clean water

- Spills on navigable waters. See **Spills On Navigable Waters** (this index)
- Wastewater effluents. See **Wastewater Effluents** (this index)

Closure

- Employee rights, layoffs and plant closings, **2:79**
- Treatment, storage, or disposal (TSD) facilities
 - Financial requirements, **5:75; 5:100**
 - Interim status facility, **5:73 to 5:72**
 - Permanent permitted status facility, **5:98 to 5:97**
 - Postclosure, **5:74; 5:75**
- Underground storage tanks, federal requirements, **5:172**

Community right-to-know provisions of the Superfund Amendments and Reauthorization Act of 1986 (SARA)

- Generally, **6:164**
- Discretionary information, EPA revised policy on release of, **App 6M**
- Duties of governmental representatives
 - Emergency response plans, **6:171**
 - Formation and operation of local emergency planning committees, **6:170**
- Emergency planning requirements (Subtitle A)
 - Duties of governmental representatives, above
 - Obligations of facility owners and operators, below
- Enforcement provisions
 - Administrative orders, **6:186**
 - Citizen suits, **6:182; 6:187**
 - Civil and criminal penalties, **6:186**
 - State and local entities, suits by, **6:187**
 - State superfund provisions, summary of selected, **App 6H**
 - Trade secret protection, **6:185**
- Extremely hazardous substances, obligations of facility owners and operators, **6:167**
- Obligations of facility owners and operators
 - Contaminated aquifers owners and operators, **App 6Q**
 - Emergency notification in event of release
 - Generally, **6:166**
 - Contents of notice, **6:169**
 - Extremely hazardous substances, **6:167**
 - Other substances, **6:168**
 - Extremely hazardous substances, **6:167**

Community right-to-know provisions of the Superfund Amendments and Reauthorization Act of 1986 (SARA)

—Cont'd

Obligations of facility owners and operators
—Cont'd

Initial notification, **6:165**

Reporting requirements, routine or periodic

Generally, **6:166; 6:172**

Disclosure to public, inventory reporting,
6:175

Inventory reporting, **6:174; 6:175**

Safety data sheets, **6:173**

What must be reported, **6:178**

Who must report, **6:177**

Summary of selected state superfund provisions,
App 6H

Summary of selected state underground storage
tank provisions, **App 6I**

Trade secret protection

Generally, **6:179**

Citizen petition for disclosure, **6:182**

Criteria, **6:181**

Disclosure to governor, **6:184**

Disclosure to health professionals, treating
doctors, and nurses, **6:183**

Enforcement and confidentiality protection,
6:185

Procedure for claiming, **6:180**

Composite Wood Products Act

Formaldehyde standards, **App 2N**

Comprehensive Environmental Response, Compensation and Liability Act (CERCLA)

Generally, **6:35; 6:36**

Actions against responsible parties under Section
107

Generally, **6:78; 6:79**

Asbestos, **6:87**

Bankruptcy of PRP, **6:134**

Corporate entities

Dissolved corporations, **6:102**

Employees, shareholders, and officers,
6:108

Parent corporations, **6:109**

Successor corporations, **6:107**

Defenses, statutory, **6:119**

Federal facilities, **6:85**

Gasoline service stations, **6:90**

Indemnification and exculpatory schemes, **6:83**

Liability

Bankruptcy of PRP, **6:134**

Contribution, **6:111 to 6:113; 6:131**

Divisibility of harm among PRPs, **6:114**

Indemnification and exculpatory schemes,
6:83

**Comprehensive Environmental Response, Compensation and Liability Act (CERCLA)
—Cont'd**

Actions against responsible parties under Section
107—Cont'd

Liability—Cont'd

Joint and several liability and correlative
rights of contribution, **6:111**

Limitations on liability, **6:80**

Orphan shares, **6:115**

Persons liable, below

Scope of liability, **6:111 to 6:115**

Standard of liability, **6:110**

Strict liability, **6:110**

Limitations on liability, **6:80; 6:84**

Limitations on natural resources damage
recovery, substantive and procedural, **6:84**

Natural resources damage recovery limitations,
substantive and procedural, **6:75; 6:84;**
6:123

Persons liable

Dissolved corporations, **6:102**

Federal agencies, **6:104**

Generators, **6:105**

Innocent purchasers, **6:100**

Owners and operators, **6:99 to 6:104**

Private owners and operators, **6:99**

Secured creditors and other fiduciaries,
6:101

State and local governments, **6:103**

Transporters, **6:106**

Pesticides, **6:86**

Private cost recovery actions, **6:118**

Procedural issues

Joinder of parties, **6:98**

Jury trial, **6:97**

Punitive damages, **6:81**

Reclaimers of used oil, **6:90**

Recyclers of scrap, **6:91**

Relationship of section 107 to

Section 104, **6:116**

Sections 111 and 112, **6:117**

Releases, federally permitted, **6:88**

Relief available

Contribution, **6:111 to 6:113; 6:131; 6:154**

De micromis, **6:92**

Indemnification and exculpatory schemes,
6:83

Municipal solid waste, **6:93**

Preexpenditure review and declaratory
relief, **6:94**

Punitive damages, **6:81**

Recoverable response and ancillary costs,
6:95

Timing of cost recovery actions, **6:96**

Scrap recyclers, **6:91**

**Comprehensive Environmental Response,
Compensation and Liability Act (CERCLA)
—Cont'd**

- Actions against responsible parties under Section 107—Cont'd

Settlement provision, **6:146**

Damages

Buyouts

De micromis, **6:149**

De minimus, **6:148**

Contribution, **6:34; 6:111 to 6:113; 6:131; 6:154**

Indemnity

CERCLA liability, indemnification and exculpatory schemes, **6:83**

Pesticide registration under FIFRA, cancellation or suspension of, **3:71; 3:72**

Natural resource damages

Assessment of damages under CERCLA, **6:75**

Limitations on CERCLA claims, **6:84; 6:123**

Litigation, **6:155 to 6:163**

Marine discharges, international regulation, **6:159**

Navigable waters oil spills, cleanup obligation, **6:17**

Overview of litigation, **6:155**

Preemption by CERCLA, **6:156**

State laws, **6:160 to 6:162**

Penalties. See **Penalties** (this index)

Punitive damages, **6:81**

DBPP, TBPP, and TRIS-BP phosphate

Generally, **2:68**

Defense

CERCLA actions, statutory defenses, **6:119**

Cleanup of spilled oil, defenses, **6:16**

Joint defense and dispute resolution agreement for superfund site, **App 6E**

Worker exposure to chemicals, defense to liability, **9:14**

Definitions

Food additive

Generally, **8:6 to 8:9**

Generally recognized as safe (GRAS) status, **8:10; 8:11**

Public Water System, **App 7I**

TSCA-related terms and acronyms, **App 2B**

De micromis

Buyout, **6:149**

Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), **6:92; 6:149**

De minimus buyout

Generally, **6:148**

Disclosure of information about chemicals and hazards

Community right-to-know provisions. See **Community Right-To-Know Provisions Of The Superfund Amendments And Reauthorization Act Of 1986 (SARA)** (this index)

Confidential information (trade secret). Trade secret disclosure, below

Confidential information under TSCA, disclosure of

Generally, **2:37; 2:38; 2:41**

Asserting confidentiality claims, **2:39**

Congress, disclosure to, **2:42**

Contractors, disclosure to, **2:45**

Necessity of unreasonable risk of injury, **2:46**

Other federal agencies, disclosure to, **2:43**

Protected and unprotected information, generally, **2:38**

Substantial risks notice to EPA under TSCA Section 8(e), **2:34**

Substantive confidentiality standards, **2:40**

TSCA administrative proceeding, information relevant to, **2:44**

Employees, disclosure of hazards to

Discrimination and wrongful discharge, **9:29**

Emergency response activities, **9:30; App 9D**

Hazard communication rule of OSHA, **9:28; App 9B**

Hazardous waste and emergency response activities, **9:30; App 9D**

Requirements, **9:27**

Owners and operators of facilities, disclosure by Contaminated aquifers, **App 6Q**

Contents of emergency notification in event of release, **6:169**

Emergency notification in event of release, **6:166 to 6:169**

Extremely hazardous substances, **6:167**

Initial notification, **6:165; 6:169**

Other substances, **6:168**

Pesticides registration, disclosure of proprietary data, **3:38**

Recordkeeping. See **Recordkeeping And Reporting** (this index)

Toxic chemical release, **6:176 to 6:178**

Trade secret disclosure

Generally, **6:179**

Citizen petition for disclosure, **6:182**

Criteria, **6:181**

Disclosure to governor, **6:184**

Disclosure to health professionals, treating doctors, and nurses, **6:183**

Disclosure of information about chemicals and hazards—Cont'd

Trade secret disclosure—Cont'd

Enforcement and confidentiality protection, **6:185**

Procedure for claiming, **6:180**

Discrimination

Disclosure of hazards to employees, **9:29**

Disposal of toxic substances and hazardous wastes

Asbestos, **2:65; 2:66**

Facilities. See **Treatment, Storage, Or Disposal (TSD) Of Hazardous Wastes Facilities** (this index)

Generators of hazardous waste, liability for Improperly disposed waste, **5:45**

Local action affecting hazardous waste disposal, **5:132**

PCBs, **2:85**

Transporters of hazardous wastes. See **Hazardous Wastes** (this index)

Dissolved corporations

CERCLA Section 107 actions, **6:102**

DNA products (biotechnology), recombinant

Generally, **2:95**

Policy statement of EPA, **App 8C**

Drinking water

See **Water** (this index)

Economic feasibility

CERCLA investigatory/feasibility studies, **App 6B, 6L**

Citizen suits or petitions, **5:150; 5:151**

OSHA standards for toxic materials and harmful physical agents, **9:20**

Emissions

Generally

1990 Amendments, **7:12**

Hazardous waste

Generally, **7:12**

Remediated sites, **7:12**

Employers and employees

Generally, **9:1**

Ability of employer to materially reduce the hazard, proof of, **9:12**

Air contaminants, amended OSHA standards, **9:21**

Asbestos response

AHERA coverage, **2:64**

OSHA coverage, **2:56**

Burden of proof

Generally, **9:8**

Employers and employees—Cont'd

- Burden of proof—Cont'd
 - Ability of employer to materially reduce the hazard, **9:12**
 - Causation of harm, proof of, **9:11**
 - Failure to maintain premises free from recognized hazard, proof of, **9:10**
 - Recognized hazard, proof of, **9:9**
- Causation of harm, proof of, **9:11**
- Causing or likely to cause death or serious physical harm, **9:7**
- CERCLA actions
 - Section 107, **6:108**
 - Sections 104 and 105, **6:72; 6:73**
- Challenging OSHA enforcement orders, **9:35 to 9:37**
- Cross-references table, session law and U.S. Code cites for OSHA, **App 9A**
- Defenses of employer, **9:14**
- Disclosure of hazards to employees

Manifest—Cont'd

- Generators of hazardous waste, regulation of
 - Bulk shipments, use of manifest and special manifest rules, **5:36**
 - Manifest requirements, **5:35; 5:36**
 - Motor vehicle transport, manifest, **5:53**
 - Railroads transport, manifest, **5:55**
 - State manifest requirements, **5:57**
- Marine discharges, international regulation, **6:159**
- Medical Waste Tracking Act of 1988
 - Applicability, **5:177**
 - Inspections and enforcement, **5:180**
 - Overview of regulations, **5:179**
 - Overview of statute, **5:178**
- Mining and mineral processing wastes, **5:13**
- Miscellaneous, **5:20**
- Mixtures as regulated substances, **5:8**
- Perfluorinated compounds, **5:26.30**
- Petitions
 - Addition of substance to regulations, **5:30**
 - Regulation of wastes
 - Addition by petition, **5:30**
 - Exclusion by petition (delisting), **5:27**
 - perfluorinated compounds, **5:26.30**
 - plastics, **5:28**
- Pharmaceuticals, **5:26**
- Polychlorinated biphenyls (PCBs), **2:80 to 2:85; 5:22**
- Radioactive wastes, **5:12**
- Reclaimed materials, **5:14; 5:21; 5:24**
- Recycled materials, **5:5; 5:14; 5:21**
- Remediated sites, **7:12**
- Reporting, biennial generator report form (EPA Form), **5:39**
- Resource Conservation and Recovery Act (RCRA)
 - Enforcement and penalty policies, **5:145; 5:153; 5:154**
 - Table of session law to U.S. Code cross-references, **App 5A**
 - TSD facilities, RCRA-based requirements, **5:114**
- Resource recovery and incinerator residues, **5:17**
- Reused materials, **5:5; 5:14; 5:21; 5:24**
- “Second third” land ban rule of EPA, excerpts from preamble, **App 5E**
- Sewage and industrial discharges to water bodies, **5:10**
- Sludges, **5:16**
- Special waste categories, **5:26**
- State program
 - Delegation, **5:131**
 - Environmental cleanup responsibility statutes, **5:133**

Hazardous wastes—Cont'd

State program—Cont'd

- Local action affecting disposal, **5:132**
- Storage facilities. See **Treatment, Storage, Or Disposal (TSD) Of Hazardous Wastes Facilities** (this index)
- Technical appendixes to Part 264, **App 5B**
- Transporters of hazardous waste
 - Generally, **5:48**
 - Air transport, manifest, **5:53**
 - Bulk water transport, manifest, **5:54**
 - Containerized water transport, manifest, **5:53**
 - Delivery of waste for treatment, storage, or disposal, **5:58**
 - Discharges, transportation-related, **5:59**
 - Exports, manifest, **5:56**
 - Generators, transporters as, **5:49**
 - Identification number of transporter, **5:50**
 - Manifest requirements, **5:52 to 5:54**
 - Motor vehicle transport, manifest, **5:53**
 - Railroads transport, manifest, **5:55**
 - Spills, transportation-related, **5:59**
 - State manifest requirements, **5:57**
 - TSD facilities, transporters as, **5:51**
- Treatability study samples, **5:19**
- Treatment and storage. See **Treatment, Storage, Or Disposal (TSD) Of Hazardous Wastes Facilities** (this index)
- Treatment facilities. See **Treatment, Storage, Or Disposal (TSD) Of Hazardous Wastes Facilities** (this index)
- Underground storage tanks. See **Underground Storage Tanks** (this index)
- Under study, **5:15**
- Unregulated or minimally regulated wastes
 - Generally, **5:9**
 - Agricultural wastes, **5:18**
 - Empty containers, residues in, **5:17; 5:23**
 - Exports, **5:25**
 - Generator-controlled reclamation exclusions, **5:14**
 - Hazardous secondary material legitimately reclaimed by generator, **5:14**
 - Household wastes, **5:17**
 - Incinerator residues, **5:17**
 - Irrigation return waters, waste in, **5:11**
 - Mining and mineral processing wastes, **5:13**
 - Miscellaneous, **5:20**
 - Petition for exclusion (delisting), **5:27**
 - Pharmaceuticals, **5:26**
 - Polychlorinated biphenyls (PCBs), **5:22**
 - Radioactive wastes, **5:12**
 - Reclaimed materials, **5:14; 5:21**
 - Recycled materials, **5:5; 5:14; 5:21**
 - Resource recovery and incinerator residues, **5:17**

Hazardous wastes—Cont'd

- Unregulated or minimally regulated wastes—Cont'd
 - Reused materials, **5:14; 5:21**
 - Sewage and industrial discharges to water bodies, **5:10**
 - Sludges, **5:16**
 - Special waste categories, **5:26**
 - Study, wastes under, **5:15**
 - Treatability study samples, **5:19**
 - Used materials, **5:14; 5:21**
 - Used oil, **5:24**
- Used materials, **5:14; 5:21; 5:24**
- Used oil, **5:24**
- Very-small-quantity generators, **5:31**
- What substances are regulated
 - Generally, **5:2; 5:3**
 - Abandoned materials, **5:4**
 - Criteria for identifying regulated wastes, **5:7**
 - Discarded materials, **5:4**
 - Excluded wastes. Unregulated or minimally regulated wastes, above
 - Inherently waste-like materials, **5:6**
 - Mixtures, **5:8**
 - Petition for addition, **5:30**
 - Recycled materials, **5:5; 5:21**

Hexachloronorborene (non-PBC chemical)

- Generally, **2:69**

Historical perspective

- Air emissions regulations
 - Before the 1990 regulation, **7:4 to 7:6**
 - 1990 regulation, **7:7**
- Food, pesticide residues regulatory regime, **8:17**
- Pesticides, registration under FIFRA, **3:13 to 3:14**

Household wastes

- Unregulated or minimally regulated wastes, **5:17**

Ignitable and reactive waste storage

- Generally, **5:89; 5:104**

Imminent hazards

- Abandoned sites, **6:23**
- Bankrupt defendants, **6:33**
- Generators and transporters, jurisdiction, **6:24**
- Generators of hazardous waste liability, **5:45**
- Inactive and abandoned sites, **6:23**
- Indispensable or necessary parties, **6:27**
- Intervention by private plaintiffs and others, **6:28**
- Joint and several liability, RCRA actions, **6:32**
- Jury trial, **6:29**
- Owners and operators of TSD facilities, jurisdiction, **6:25**
- Private party contribution actions, **6:34**
- Proof, RCRA actions, **6:30**

Imminent hazards—Cont'd

- RCRA actions
 - Abandoned sites, **6:23**
 - Background and overview of Section 7003, **6:21**
 - Bankrupt defendants, **6:33**
 - Generators and transporters, jurisdiction, **6:24**
 - Governmental entities jurisdiction, **6:26**
 - Guidance on use of Section 7003, **App 6S**
 - Jurisdiction of Section 2003
 - Generators and transporters, **6:24**
 - Governmental entities, **6:26**
 - Inactive and abandoned sites, **6:23**
 - Owners and operators of TSD facilities, **6:25**
 - Waste types, **6:22**
- Owners and operators of TSD facilities jurisdiction, **6:25**
- Private party contribution actions, **6:34**
- Procedural issues
 - Indispensable or necessary parties, **6:27**
 - Intervention by private plaintiffs and others, **6:28**
 - Jury trial, **6:29**
 - Proof, **6:30**
- Remedies
 - Generally, **6:31**
 - Bankrupt defendants, **6:33**
 - Joint and several liability, **6:32**
 - Private party contribution actions, **6:34**
- TSCA Section 7, **2:25**
- Types of wastes, **6:22**
- Waste types, RCRA action jurisdiction, **6:22**
- Wastewater effluents, **7:29; 7:46**

Imports

- Consumer Product Safety Act, **4:7**
- Consumer products or goods, **4:7; 4:17**
- Hazardous Substances Act, **4:17**
- Pesticides, registration under FIFRA, **3:73**
- Toxic Substances Control Act, **2:52**

Incinerators

- Permanent permitted TSD facility standards, **5:105**
- Residues, unregulated or minimally regulated wastes, **5:17**

Indemnity

- CERCLA liability, indemnification and exculpatory schemes, **6:83**
- Pesticide registration under FIFRA, cancellation or suspension of, **3:71; 3:72**

Indispensable and necessary parties

- RCRA actions, imminent hazards, **6:27**

Inert ingredients

Generally, **3:37**

Inflation

Civil monetary penalty inflation adjustment rule, **2:74**

Infrastructure Investment and Jobs Act

Water, **7:43**

Inherently waste-like materials

Generally, **5:6**

Injunctions

Pesticides regulation violation, **3:82**

Innocent purchasers

CERCLA liability, **6:100**

Insecticide, fungicide, and rodenticide

See **Pesticides** (this index)

Inspection

On-site civil inspection procedures, **App 2Q**

Inspections

Asbestos, inspection and reinspection under AHERA, **2:61**

Enforcement of TSCA, inspection and forcible entry, **2:70**

Medical Waste Tracking Act of 1988, **5:180**
TSD facilities, **5:87**

Insurance

Interim status TSD facilities, requirements, **5:76**
Permanent permitted TSD facilities, requirements, **5:96**

International conventions

Air pollution, global and regional limits on air emissions from ships, **7:17**

International regulation

Marine discharges of oil and hazardous substances, **6:159**
Mercury, **2:94**

Intervention of parties

RCRA actions, imminent hazards, **6:28**

Introducing new chemicals into commerce

See **Premanufacture Notice (PMN)** (this index)

Investigations

Remedial investigations/feasibility studies under CERCLA
Municipal landfill sites, summary, **App 6L**
Outline of contents of, **App 6B**

Irrigation return waters

Unregulated or minimally regulated wastes, **5:11**

Joinder of parties

CERCLA actions, **6:98**

Joint and several liability

CERCLA actions (Section 106), **6:45**
Imminent hazard actions under RCRA, **6:32**

Judicial review

CERCLA matter
Litigation-related matter, **6:130**
Preenforcement judicial review, **6:47**
Consumer Product Safety Act, **4:4**
EPA actions enforcing hazardous wastes law
Actions of general applicability, **5:158**
Other actions, **5:161**
Permit actions, **5:159**
State program authorizations, **5:159**
State program decisions, **5:160**
Greenhouse gases as air pollutants, **7:15**
Pesticides law under FIFRA. See **Pesticides** (this index)
Worker exposure to chemicals
OSHA emergency temporary standard, **9:26**
OSHRC decisions, **9:39**

Jurisdiction

CERCLA remedial actions (Section 106), **6:42**
RCRA Section 2003 imminent hazard actions, **6:22 to 6:25**

Jury trial

CERCLA actions, **6:97**
RCRA imminent hazard actions, **6:29**

Labeling and packaging

Consumer products, labeling requirements, **4:12; 4:19**
EPA's Safer Choice Standard (formerly the DfE Standard for Safer Products), **4:19; App 4A**
Generators of hazardous waste, requirements, **5:37**
Hazardous substances in consumer goods, **4:12; 4:19**
Inert ingredients, **3:37**
Pesticides, requirements
Labeling, **3:32; 3:34**
Packaging, **3:36**
Safer Choice product labeling program of EPA, **4:19; App 4A**

Laboratories

Standards for, **9:22**

Laidlaw, Friends of the Earth v.

Case law, **App 6U**

Land ban rule, TSD facilities

EPA implementation of land ban rule, **5:103**

Landfills

EPA interim municipal settlement policy, **App 6J**
Excluded wastes, standards, **5:79**
Permit requirements and procedure, **5:127**

Landfills—Cont'd

Remedial investigations/feasibility studies, summary of municipal sites, **App 6L**

Layoffs

Generally, **2:79**

Lead and lead-based paints

Air emission/pollution, **7:6**

Toxic Substances Control Act. See **Toxic Substances Control Act (TSCA)** (this index)

Licenses

See **Permits And Licenses** (this index)

Liens

CERCLA superlien action, **6:120**

Limitations

Actions against responsible parties under CERCLA Section 107, **6:80; 6:84**

CERCLA limitations

Actions against responsible parties under Section 107, **6:80; 6:84**

Claims against the fund, Sections 111 and 112, **6:123; 6:124**

Government-funded cleanup of hazardous waste sites and spills (Section 104), miscellaneous limitations on expenditures, **6:77**

Liability limitations, **6:80**

Natural resources damage recovery limitations, **6:84; 6:123**

Remedial actions (Section 106) limitations, **6:48**

Statute of limitations, **6:129; 6:132**

Citizen enforcement, hazardous wastes violations, **5:148**

Claims against the fund, CERCLA Sections 111 and 112, **6:123; 6:124**

Generator status, hazardous wastes, **5:43**

Government-funded cleanup of hazardous waste sites and spills (CERCLA Section 104), miscellaneous limitations on expenditures, **6:77**

Hazardous wastes limitations

Citizen enforcement, **5:148**

Generator status, **5:43**

Liability, CERCLA limitations, **6:80**

Natural resources damage recovery, CERCLA limitations, **6:84; 6:123**

Remedial actions (CERCLA Section 106) limitations, **6:48**

Statute of limitations, CERCLA, **6:129; 6:132**

Lists and tables

Air emissions and pollution

Categories of sources, list, **App 7D, 7H**

List of regulated substances and thresholds for accidental release prevention, require-

Lists and tables—Cont'd

Air emissions and pollution—Cont'd

ments for petitions under Section 112(r) of Clean Air Act as amended, **App 7F**

PEL Z- Tables, air contaminants standards, **App 9C**

CERCLA Sections 104 and 105, national priorities list

Compilation, effect, and challenges, **6:56**

Criteria and development, **6:55**

EPAs hazard ranking system, **App 6G, 6G-1**

Drinking water, list of chemicals EPA must evaluate for safe drinking water, **App 7C**

Hazardous wastes

Technical appendixes to 40 CFR Part 264, **App 5B**

Technical appendixes to Part 264, **App 5B**

PEL Z- Tables, air contaminants standards, **App 9C**

Table of cross-references (session law to U.S. Code cite)

CERCLA provisions, **App 6A**

Federal Food, Drug, and Cosmetic Act, **8:2**

FIFRA numbers, **App 3A**

OSHA provisions, **App 9A**

RCRA numbers, **App 5A**

TSCA numbers, **App 2A**

Wastewater effluents law, **App 7A**

Toxic Substances Control Act, Section 5 PMN polymer exemption: preamble to final rule (November 1984), **App 2F**

Wastewater effluents

CFR parts and sections containing toxic effluent limitations, **App 7B**

Impaired waters lists and controls, **7:24**

Marine environment protection committee

Fifty-Sixth Session, report, **App 6W**

Marine tort and regulatory law

Generally, **6:158**

International regulation of discharges of oil and hazardous substances, **6:159**

Mathes v. Century Alumina Co., et al.

Case law, **App 6Y**

MBOCA (non-PBC chemical)

Generally, **2:69**

Medical Waste Tracking Act of 1988

Applicability, **5:177**

Inspections and enforcement, **5:180**

Overview of regulations, **5:179**

Overview of statute, **5:178**

Mercury

International regulation, **2:94**

Mercury—Cont’d

Minamata Convention on Mercury Text and Annexes, **App 2O**

Mining and mineral processing wastes

Unregulated or minimally regulated wastes, **5:13**

Mixtures

As regulated substances, **5:8**
 Chemical fate testing guidelines, **2:10**
 Environmental effects testing guidelines, **2:9**
 EPA’s hazard ranking system, **App 6G, 6G-1**
 Health effects testing guidelines, **2:11**
 Laboratory practices, **2:8**
 TSCA Section 4, study of new and existing substances and mixtures
 Chemical fate testing guidelines, **2:10**
 Data compensation, **2:12**
 Environmental effects testing guidelines, **2:9**
 EPA’s hazard ranking system, **App 6G, 6G-1**
 Exemptions and data compensation, **2:12**
 Health effects testing guidelines, **2:11**
 Laboratory practices, **2:8**
 Test rule requirements, **2:8 to 2:12**

Motor vehicle

Gasoline sulfur control requirements, emission standards, **App 7K**
 Greenhouse gases and emissions standards, **7:15**
 Hazardous waste transporters manifest, **5:53**

Municipal landfill facilities/sites

EPA interim municipal settlement policy, **App 6J**
 Remedial investigations/feasibility studies, summary of municipal landfill sites, **App 6L**

Municipal solid waste

Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), actions against responsible parties under Section 107, **6:93**

National contingency plan

Air emissions. national response team’s contingency plan guidance, **App 7G**
 Hazardous waste sites and spills, CERCLA’s government-funded cleanup
 Administrative record, **6:61**
 Cost-effectiveness, **6:64**
 Extent of remedy, **6:62; 6:63**
 Private party voluntary cleanups, **6:60**
 Public participation, **6:59**
 State and local standards and participation, **6:65; 6:66**
 Statutory requirements, **6:57**
 Hazardous waste sites and spills, CERCLA’s government to funded cleanup
 Evaluation and analysis, **6:58 to 6:61**

National Institute for Occupational Safety and Health (NIOSH)

Chemical carcinogen policy, **App 9E**

Natural resource damages

Assessment of damages under CERCLA, **6:75**
 Limitations on CERCLA claims, **6:84; 6:123**
 Navigable waters oil spills, cleanup obligation, **6:17**

Necessary parties

RCRA actions of imminent hazards, **6:27**

Necessity

Disclosure of confidential information under TSCA, necessity of unreasonable risk of injury, **2:46**
 Occupational safety and health, emergency temporary standards, **9:25**

New source performance, air emissions

Standards, **7:8**

Non-waste

Fuel, standards of performance for specific TSD facility, **5:109**

Notice and notification

Introducing new chemicals into commerce.
 Premanufacture notice (PMN), below
 Owners and operators of TSD facilities, hazard disclosure and emergency notification in event of release, **6:165; 6:169**
 Pesticides registration
 Notice of intent to cancel, **3:62**
 Polymers, premanufacture notice exemption, preamble to final rule, **App 2F**
 Premanufacture notice (PMN)
 Generally, **2:15**
 Data submission obligations placed on PMN submitter, **2:18**
 Exemptions from PMN-related requirements, **2:21**
 Requirements, **2:16; 2:20**
 Section 8(c) rule preamble (August 1983), **App 2G**
 Section 5 polymer exemption, preamble to final rule (1984), **App 2F**
 Significant new use rules (SNUR), **2:17**
 Substantial risks notice to EPA under TSCA Section 8(e)
 Generally, **2:31**
 Confidentiality, **2:34**
 Spills, leaks, and accidents, **2:35**
 What must be reported, **2:33**
 Who must report, **2:32**
 TSD FACILITIES, notification requirements, **5:65; 5:84**

Occupants

Asbestos, occupant protection under AHERA, **2:64**

Occupational safety and health standards

See **Employers and Employees** (this index)

Office of Enforcement and Compliance

Assurance

Guidance on financial assurance in Superfund settlement agreements and unilateral administrative orders, Office of Site Remediation (April 2015), **App 6Z**

Oil pollution

Clean Water Act And The Oil Pollution Act Of 1990, Section 311. See **Spills On Navigable Waters** (this index)

Defenses to cleanup duty, **6:16**

Government-funded removals, **6:16**

Marine discharges, international regulation, **6:159**

Natural resource damages, **6:17**

Private discharger obligations, **6:15**

Reimbursement issues and defenses, **6:16**

Spills on waters. See **Spills on Navigable Waters** (this index)

Oil reclaimers

CERCLA actions against used oil reclaimers, **6:90**

Unregulated or minimally regulated hazardous wastes, used oil, **5:24**

Onshore and offshore facilities, cercla claims

Generally, **6:9**

Criteria for substantial harm determination, **App 6O**

Model facility-specific SPCC plan, **App 6P**

Operators and owners of facilities

See **Owners and Operators of Facilities** (this index)

Orders

Toxic Substances Control Act (TSCA), testing requirements by rule, order or consent agreement. See index heading **TOXIC SUBSTANCES CONTROL ACT (TSCA)**

Orphan shares

CERCLA liability, **6:115**

Owners and operators of facilities

CERCLA liability

Dissolved corporations, **6:102**

Federal agencies, **6:104**

Innocent purchasers, **6:100**

Private owners and operators, **6:99**

Secured creditors and other fiduciaries, **6:101**

State and local governments, **6:103**

Owners and operators of facilities—Cont'd

Contaminated aquifers, **App 6Q**

Contents of emergency notification in event of release, **6:169**

Dissolved corporations, **6:102**

Emergency notification in event of release

Generally, **6:166**

Contents of notice, **6:169**

Extremely hazardous substances, **6:167**

Other substances, **6:168**

Extremely hazardous substances, disclosure and response, **6:167**

Federal agencies, **6:104**

Hazard disclosure and emergency response under SARA, obligations

Contaminated aquifers, **App 6Q**

Contents of emergency notification in event of release, **6:169**

Emergency notification in event of release, **6:166 to 6:169**

Extremely hazardous substances, **6:167**

Initial notification, **6:165; 6:169**

Other substances, **6:168**

Penalties for nondisclosure, **6:186**

Imminent hazard actions under RCRA, owners and operators of TSD facilities, **6:25**

Initial notification of hazard and emergency response, **6:165; 6:169**

Innocent purchasers, **6:100**

Private owners and operators, **6:99**

Secured creditors and other fiduciaries, **6:101**

State and local governments, CERCLA liability, **6:103**

Packaging

See **Labeling and Packaging** (this index)

Parent corporations

CERCLA Section 107 actions, **6:109**

Parties

CERCLA actions, joinder of parties, **6:98**

Indispensable or necessary parties, **6:27**

Intervention, **6:28**

Joinder of parties, **6:98**

RCRA imminent hazard action, **6:27; 6:28**

PBBs

See **Polybrominated Biphenyls (PBBs)** (this index)

PCBs

See **Polychlorinated Biphenyls (PCBs)** (this index)

Penalties

CERCLA litigation-related matters, **6:152**

Civil monetary penalty inflation adjustment rule, **2:74**

Penalties—Cont'd

- Community right-to-know violations, **6:186**
- Consumer Product Safety Act violation, **4:8**
- Consumer products and goods, **4:8; 4:18**
- EPCRA violations, **App 6N**
- Hazard disclosure and emergency response requirements violation, **6:186**
- Hazardous Substances Act violation, **4:18**
- Laws and regulations, violation of, **1:6**
- Pesticides, FIFRA violations, **3:83; 3:84**
- Polychlorinated biphenyls (PBCs), **2:75**
- RCRA violations, **5:145; 5:153; 5:154**
- SARA violations, **6:186**
- TSCA violations, **2:73 to 2:75**

Perfluorinated compounds

- Hazardous wastes, regulation, **5:26.30**

Permits and licenses

- Judicial review of EPA hazardous wastes permit actions, **5:159**
- Landfills, permit requirements and procedure, **5:127**
- Pesticides registration under FIFRA, experimental use permits, **3:45 to 3:45**
- Treatment of hazardous waste. See **Treatment, Storage, Or Disposal (TSD) Of Hazardous Wastes Facilities** (this index)
- Underground injection control. See **Underground Injection Control (UIC) Well Permits** (this index)
- Wastewater effluents, permit conditions and limitations, **7:22**

Pesticides

- Generally, **3:1 et seq.**
- Applicators subject to FIFRA regulation
 - Generally, **3:7**
 - Commercial applicators, **3:8**
 - Pesticide worker protection, **3:9**
 - Private applicators, **3:10**
 - State regulation of applicators, **3:12**
- Cancellation of pesticide registration
 - Generally, **3:56**
 - After five years, **3:58**
 - Conditionally registered pesticides, **3:59**
 - Final cancellation, regulatory criteria, **3:63**
 - For cause, **3:60 to 3:60**
- Hearings
 - Judicial review, **3:66**
 - Nature and scope, **3:65**
 - Who may initiate, **3:64**
- Indemnities, **3:71; 3:72**
- Information reporting, **3:57**
- Notice of intent to cancel, regulatory criteria, **3:62**
- Special review (RPAR), **3:61**

Pesticides—Cont'd

- Citations to FIFRA, table of session law to U.S. Code Cross-references for FIFRA, **App 3A**
- Classification of pesticide, **3:31**
- Dealers subject to FIFRA regulation
 - Generally, **3:7; 3:11**
 - State regulation of dealers, **3:12**
- Disposal of pesticides under FIFRA
 - Containers and residues, **3:89**
 - Current requirements, overview, **3:87 to 3:87**
 - Pre-1988 provisions, **3:86**
 - Recalls, **3:88**
 - Releases during pesticide application, **3:90**
- Employees, protection for, **3:9**
- Enforcement
 - Generally, **3:81**
 - Administrative penalties, **3:83**
 - Citizen enforcement, **3:94**
 - Criminal penalties, **3:84**
 - Injunctive-type remedies and seizure, **3:82**
- European Union regulation, **3:97**
- Exemptions under FIFRA
 - Generally, **3:53; 3:80**
 - Administrative procedures, **3:55**
 - Environmental impact statement, **3:54**
 - Formulator's exemption, data compensation, **3:29**
 - Judicial review, **3:55**
 - Residue on agricultural commodities, **3:41 to 3:40**
- Experimental use permits, registration
 - Generally, **3:45**
 - Data, **3:46**
 - Miscellaneous issues, **3:48**
 - Procedure, **3:47**
- Exports, **3:74**
- Food Quality Protection Act (August 1999), implementing, **App 3B**
- Future directions
 - Citizen enforcement, **3:94**
 - European Union regulation, **3:97**
 - Toxic torts, **3:95**
- Groundwater protection, **3:96**
- Hearings
 - Cancellation of pesticide registration, **3:64 to 3:63**
 - Suspension of pesticide registration, **3:68; 3:69**
- Historical perspective
 - Food, pesticide residues regulatory scheme, **8:17**
 - Registration under FIFRA, **3:13 to 3:14**
- Imports, **3:73**
- Indemnities, cancellation or suspension of pesticide registration, **3:71; 3:72**
- Inert ingredients, **3:37**

Pesticides—Cont'd

- Judicial review
 - Cancellation of pesticide registration, **3:66**
 - Exemptions under FIFRA registration, **3:55**
 - Registration and reregistration decisions, **3:26**
 - Residue tolerances on agricultural commodities, **3:43**
 - Suspension of pesticide registration, **3:69; 3:70**
- Labeling, **3:32; 3:34**
- Laboratories subject to FIFRA regulation, **3:6**
- Local bans, **3:93**
- Misbranding, prohibition, **3:77**
- Misuse of pesticides, prohibition, **3:78**
- Notice
 - Cancellation of pesticide registration, notice of intent, **3:62**
- Packaging regulation, **3:36**
- Producers subject to FIFRA regulation
 - Production establishments regulated, **3:5**
 - Types of producers regulated, **3:4**
- Prohibitions under FIFRA
 - Generally, **3:75**
 - Misbranding, **3:77**
 - Miscellaneous, **3:79**
 - Misuse of pesticides, **3:78**
 - Registration-related, **3:76**
- Protection for pesticide workers, **3:9**
- Registration under FIFRA
 - Cancellation. Cancellation of pesticide registration, above
 - Change of pesticide registration
 - Generally, **3:56**
 - Indemnities, **3:71; 3:72**
 - Information reporting, **3:57**
 - Changes to label or formulation, **3:34**
 - Classification of pesticide, **3:31**
 - Conditional registration, **3:20**
 - Current registration scheme, generally, **3:16 to 3:34**
 - Data compensation
 - Approach of 1978, **3:15**
 - Formulator's exemption, **3:29**
 - Pre-1978, **3:14**
 - Requirements, applicability of, **3:28**
 - Today, generally, **3:27**
 - Disclosure of proprietary data, **3:38**
 - Effect of registration, **3:35**
 - Exemptions. Exemptions under FIFRA, above
 - Experimental use permits, **3:45 to 3:45**
 - Exports, **3:74**
 - Formulation changes, **3:34**
 - Formulator's exemption, data compensation, **3:29**
 - Generic registration, **3:19**

Pesticides—Cont'd

- Registration under FIFRA—Cont'd
 - Historical development and overview, **3:13 to 3:14**
 - Imports, **3:73**
 - Indemnities, **3:71; 3:72**
 - Judicial review of registration and reregistration decisions, **3:26**

 - Nature of data required, **3:30**
 - Notice. Notice, above
 - Packaging regulation, **3:36**
 - Periodic review of registration, **3:25**
 - Procedural reforms, substantive requirements, **3:18**
 - Referral to other agencies, **3:33**
 - Reregistration under FIFRA, **3:21 to 3:22**
 - Residue tolerances on agricultural commodities, **3:39 to 3:41**
 - Review. Review concerning registration under FIFRA, below
 - RPAR process of special review, **3:17**
 - Special local needs registration, **3:49 to 3:49**
 - Special review (the RPAR process), **3:17**
 - Substantive requirements, **3:16 to 3:17**
 - Suspension of pesticide registration, **3:67 to 3:67**
- Reporting, cancellation of pesticide registration, **3:57**
- Reregistration under FIFRA
 - Data obligations (Phase 3), **3:23**
 - EPA review of data (Phase 4), **3:24**
 - Judicial review of registration and reregistration decisions, **3:26**
 - Listing active ingredients (Phase 1), **3:21**
 - Procedural obligations (Phase 2), **3:22**
- Residues in food. See **Food and Food Additives** (this index)
- Residue tolerances on agricultural commodities
 - Generally, **3:39**
 - Certificate of usefulness, **3:40**
 - Establishment of a tolerance or exemption, **3:41 to 3:40**
 - Judicial review, **3:43**
 - Procedural requirements, **3:42**
 - Substantive criteria, **3:41**
 - Temporary tolerances, **3:44**
- Review concerning registration under FIFRA
 - Cancellation of pesticide registration, **3:66**
 - Exemptions under FIFRA registration, **3:55**
 - Judicial. Judicial review, above
 - Periodic review of registration, **3:25**
 - Residue tolerances on agricultural commodities, **3:43**
 - Special review (the RPAR process), **3:17**
 - Suspension of pesticide registration, **3:69; 3:70**

Pesticides—Cont'd

- Special local needs registration
 - Generally, **3:49**
 - Disapproval criteria, **3:51**
 - Procedural requirements, **3:50**
 - Suspension of state registration authority, **3:52**
- State law and regulation
 - Generally, **3:91**
 - Applicators and dealers, **3:12**
 - Federal preemption, **3:92**
 - Local bans and other regulatory options, **3:93**
 - Special local needs registration, suspension of state authority, **3:52**
- Substantive requirements for registration under FIFRA
 - Generally, **3:16**
 - Procedural reforms, **3:18**
 - Special review (the RPAR process), **3:17**
- Suspension of pesticide registration
 - Generally, **3:67**
 - Emergency suspension, **3:70**
 - Hearings, **3:68; 3:69**
 - Indemnities, **3:71; 3:72**
 - Judicial review, **3:69; 3:70**
- Table of session law to U.S. Code Cross-references for FIFRA, **App 3A**
- Torts, toxic torts, **3:95**
- Toxic torts, **3:95**
- What is regulated under FIFRA, **3:2**
- Who is subject to regulation under FIFRA
 - Generally, **3:3**
 - Applicators, **3:7 to 3:9; 3:12**
 - Commercial applicators, **3:8; 3:9**
 - Dealers, **3:7; 3:11; 3:12**
 - Laboratories, **3:6**
 - Pesticide workers, protection of, **3:9**
 - Private applicators, **3:10**
 - Producers, **3:4; 3:5**
 - State regulation of applicators and dealers, **3:12**
- Worker protection, **3:9**

Pharmaceuticals

- Unregulated or minimally regulated wastes, **5:26**

Philosophy

- Law of chemical regulation and hazardous waste, **1:3**

Phosphate (DBPP, TBPP, and TRIS-BP)

- Generally, **2:68**

Placards

- Generators of hazardous waste, **5:37**

Plant closings

- See **Closure** (this index)

Plastics

- Hazardous wastes, petitions, **5:28**

Polybrominated biphenyls (PBBs)

- Generally, **2:68**

Polychlorinated biphenyls (PCBs)

- Generally, **2:80; 5:22**
- Cleaning up old deposits, **2:85**
- Disposing of found PCBs, **2:85**
- Food additives, **2:83**
- Penalty policy of TSCA, **2:75**
- Pesticides, **2:83**
- Regulatory requirements, **2:82**
- Transformers, **2:81**
- Unregulated or minimally regulated wastes, **5:22**
- Water pollutant effluents, **2:84**

Polymer

- Premanufacture notice exemption, **App 2F**

Preemption and preemptive rights

- Toxic chemicals, **2:90**

Premanufacture notice (PMN)

- Generally, **2:15**
- Data submission obligations placed on PMN submitter, **2:18**
- EPA's requirements, **2:20**
- Exemptions from PMN-related requirements, **2:21**
- Polymer exemption, preamble to final rule (1984), **App 2F**
- Requirements, premanufacture notice (PMN), **2:16; 2:20**
- Section 8(c) question and answer summaries (November 1983), **App 2H**
- Section 8(c) rule preamble (August 1983), **App 2G**
- Section 8(e) question and answer summaries (July 1986, May 1987, and July 1989), **App 2I**
- Section 5 PMN polymer exemption: preamble to final rule (November 1984), **App 2F**
- Section 5 PMN Rule: Preamble to final rule, revisions and clarifications (May and September 1983, April 1986 and June 1989), **App 2E**
- Significant new use rules (SNUR), **2:17**

Professional services contract

- Expert and specialized legal representation, **App 6X**

Prospective purchasers

- Agreement regarding contaminated property, **App 6R**

P-TBB and P-TBBA (non-PBC chemicals)

- Generally, **2:69**

Public participation

CERCLA national contingency plan, **6:59**
Hazardous wastes law enforcement, **5:162**

Public sewers

Discharges of toxics to, **7:28**

Public water system

Definitions, **App 7I**

Punitive damages

CERCLA violations, **6:81**

Purchasers

Agreement regarding contaminated property,
App 6R
CERCLA liability, innocent purchasers, **6:100**

Radioactive wastes

Unregulated or minimally regulated wastes, **5:12**

Railroads

Hazardous waste transport manifest, **5:55**

RCRA

See **Resource Conservation And Recovery Act (RCRA)** (this index)

Reactive waste storage

Generally, **5:89; 5:104**

Reclaimed materials

CERCLA actions against used oil reclaimers,
6:90
Unregulated or minimally regulated hazardous
wastes, **5:14; 5:21; 5:24**

Recordkeeping and reporting

Biennial generator report form (EPA Form), **5:39**
Community right-to-know provisions of SARA
(hazard disclosure and emergency response),
reporting requirements
Generally, **6:172**
Inventory reporting
Compilation and contents of report, **6:174**
Disclosure to public, **6:175**
Safety data sheets, **6:173**
Toxic chemical release reporting
Generally, **6:176**
What must be reported, **6:178**
Who must report, **6:177**
Generators of hazardous waste, **5:39**
Government-funded cleanup of hazardous waste
sites and spills (Sections 104 and 105),
reportable quantities, **6:54**
Marine Environment Protection Committee,
Fifty-Sixth Session report, **App 6W**
Pesticide registration cancellation, **3:57**
Spills on navigable waters, duty to report, **6:13**
TSCA Section 8, data acquisition requirements
Generally, **2:27**

Recordkeeping and reporting—Cont'd

TSCA Section 8, data acquisition requirements
—Cont'd
Amendments, **2:28**
Question and answer summaries, section 8(c),
App 2H, 2I
Significant adverse reactions under section
8(c), **2:29**
Significant information under section 8(c),
2:30
What sorts of information are significant, **2:30**
Wastewater effluents, reporting obligations,
enforcement, and citizen suits, **7:21**

Recycled materials

CERCLA Section 107 actions, **6:91**
Unregulated or minimally regulated wastes, **5:5;**
5:14; 5:21

Registration of pesticides

See **Pesticides** (this index)

Remedial actions

See **Comprehensive Environmental Response,
Compensation And Liability Act**
(CERCLA) (this index)

Reporting

See **Recordkeeping and Reporting** (this index)

Research and development activities

TSD of hazardous wastes facilities, **5:129**

Residual risk standards, air emissions

Generally, **7:13**

Residues

Hazardous wastes residues in empty containers,
3:89; 5:17; 5:23
Pesticide residues on food. See **Food And Food
Additives** (this index)

Resource Conservation and Recovery Act (RCRA)

Bankruptcy, effect on Imminent hazard actions
under RCRA, **6:33**
EPA “Guidance on use of Section 7003,” **App 6S**
Hazardous wastes, law and regulation
Enforcement and penalty policies, **5:145;**
5:153; 5:154
Table of session law to U.S. Code cross-refer-
ences, **App 5A**
TSD facilities, RCRA-based requirements,
5:114
Imminent hazard actions under RCRA
Background and overview of Section 7003,
6:21
Bankrupt defendants, **6:33**
Guidance on use of Section 7003, **App 6S**

Resource Conservation and Recovery Act (RCRA)—Cont’d

- Imminent hazard actions under RCRA—Cont’d
 - Jurisdiction of Section 2003
 - Generators and transporters, **6:24**
 - Governmental entities, **6:26**
 - Inactive and abandoned sites, **6:23**
 - Owners and operators of TSD facilities, **6:25**
 - Waste types, **6:22**
 - Procedural issues
 - Indispensable or necessary parties, **6:27**
 - Intervention by private plaintiffs and others, **6:28**
 - Jury trial, **6:29**
 - Proof, **6:30**
 - Remedies
 - Generally, **6:31**
 - Bankrupt defendants, **6:33**
 - Joint and several liability, **6:32**
 - Private party contribution actions, **6:34**

Revocation of TSD facility permit

- Generally, **5:117; 5:118**

Risk assessment and management

- Generally, **1:4**
- Laws and regulations, violation of, **1:6**
- Penalties, **1:6**
- Uncertainty, dealing with, **1:5**

Rivers and harbors appropriations act of 1899

- Generally, **6:157**

Rodenticide, fungicide, and insecticide

- See **Pesticides** (this index)

Salt dome prohibition

- Permanent permitted TSD standard, **5:90**

SARA

- See **Superfund Amendments and Reauthorization Act of 1986 (SARA)** (this index)

Secondary material

- Generator-controlled reclamation of hazardous secondary material, **5:14**

Secured creditors

- CERCLA liability, **6:101**

Security

- Permanent permitted TSD facilities, **5:86**

Seismic standards

- Permanent permitted TSD facilities, **5:90**

Seizure

- Pesticides regulation violation, **3:82**
- TSCA enforcement method, **2:72**

Service stations

- CERCLA Section 107 actions, gasoline service stations, **6:90**

Settlement and compromise

- Generally, **6:142**
- Administrative settlements, **6:147**
- Buyouts, de micromis, **6:149**
- Buyouts, de minimus, **6:148**
- Contribution, **6:154**
- Covenants not to sue, **6:146**
- Dominant issues, **6:142**
- EPA settlement policy excerpts, **App 6C**
- Guidance on financial assurance in Superfund settlement agreements and unilateral administrative orders, Office of Site Remediation (April 2015), **App 6Z**
- Joint defense and dispute resolution agreement for superfund site, **App 6E**
- Liability, **6:153**
- Mixed funding, **6:150**
- Modification, **6:152**
- Municipal settlement policy, EPA interim, **App 6J**
- OSHA standards challenges, **9:37**
- Pre-1986 litigation, **6:142; 6:143**
- Procedures, settlement, **6:145**
- State input regarding remedial actions, **6:49**
- Vessels liability, **6:151**

Sewage and industrial discharges to water bodies

- Unregulated or minimally regulated wastes, **5:10**

Sewers

- Discharges of toxics to public sewers, **7:28**

Shareholders

- CERCLA actions, **6:108; 6:115**

Ships

- See **Vessels** (this index)

Sludges

- Unregulated or minimally regulated wastes, **5:16**

Solid waste, municipal

- Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), actions against responsible parties under Section 107, **6:93**

SPCC plans

- See **Spill Prevention Control And Countermeasure (SPCC) Plans** (this index)

Spill prevention control and countermeasure (SPCC) plans

- Affirmative obligation, **6:14**

Spills on navigable waters

Generally, **6:2**

Administration

Generally, **6:3**

Cost documentation, **6:5**

Policy and coordination, **6:4**

Response activities, **6:5**

What is prohibited, **6:6**

Affirmative obligations

Cleanup of spilled oil, **6:15 to 6:17**

Duty to report spills, **6:13**

Government-funded removals, **6:16**

Natural resource damages, **6:17**

Private discharger obligations, **6:15**

Reimbursement issues and defenses, **6:16**

Spill Prevention Control and Countermeasure (SPCC) plans, **6:14**

Caused solely by third party, **6:19**

Cost documentation, **6:5**

Duty to report spills, **6:13**

Exclusive federal remedy, **6:11**

Executive Order 12777 on implementation of statutes, **App 6F**

Facilities onshore and offshore as regulated entities, **6:9; App 6O, 6P**

Government-funded removals, **6:16**

Natural resource damages, **6:17**

Owner or operator as regulated entities, **6:10**

Policy and coordination, **6:4**

Private discharger obligations, **6:15**

Procedures, **6:20**

Reimbursement issues and defenses, **6:16**

Remedies, federal and state, **6:11; 6:12**

Response activities, **6:5**

Spill Prevention Control and Countermeasure (SPCC) plans, **6:14**

State law remedies, **6:12**

Statutes, Executive Order 12777 implementation of, **App 6F**

Statutory exclusion, **6:18 to 6:20**

Third party as sole cause, **6:19**

Vessels as regulated entities, **6:8**

What is prohibited, **6:6**

Who are regulated entities

Generally, **6:7**

Facilities onshore and offshore, **6:9; App 6O, 6P**

Owner or operator, **6:10**

Vessels, **6:8**

Statute of limitations

CERCLA disputes, **6:129; 6:132**

Storage of hazardous wastes facilities

See **Treatment, Storage, Or Disposal (TSD) Of Hazardous Wastes Facilities** (this index)

Strict liability

CERCLA liability, **6:110**

Study, investigatory/feasibility

Generally, **App 6B, 6L**

Study of hazardous wastes

Unregulated or minimally regulated wastes, **5:15**

Study of new and existing substances and mixtures

Chemical fate testing guidelines, **2:10**

Data compensation, **2:12**

Environmental effects testing guidelines, **2:9**

EPA's hazard ranking system, **App 6G, 6G-1**

Exemptions and data compensation, **2:12**

Health effects testing guidelines, **2:11**

Laboratory practices, **2:8**

Section 5 PMN polymer exemption: preamble to final rule (November 1984), **App 2F**

Test rule requirements, **2:8 to 2:12**

Successor corporations

CERCLA Section 107 actions, **6:107**

Superfund Amendments and Reauthorization Act of 1986 (SARA)

Generally, **6:164**

Agreement for superfund site, joint defense and dispute resolution, **App 6E**

Citizen suits, **6:182; 6:187**

Community right-to-know provisions. See **Community Right-To-Know Provisions Of The Superfund Amendments And Reauthorization Act Of 1986 (SARA)** (this index)

Duties of governmental representatives

Emergency response plans, **6:171**

Formation and operation of local emergency planning committees, **6:170**

Emergency planning requirements (Subtitle A)

Duties of governmental representatives, **6:170 to 6:171**

Obligations of facility owners and operators, below

Enforcement provisions

Administrative orders, **6:186**

Citizen suits, **6:182; 6:187**

Civil and criminal penalties, **6:186**

State and local entities, suits by, **6:187**

State superfund provisions, summary of selected, **App 6H**

Trade secret protection, **6:185**

EPA interim municipal settlement policy, **App 6J**

Extremely hazardous substances, obligations of facility owners and operators, **6:167**

Forms, joint defense and dispute resolution agreement for superfund site, **App 6E**

Superfund Amendments and Reauthorization Act of 1986 (SARA)—Cont'd

- Hazard disclosure and emergency response.
 - Community right-to-know provisions, above
- Joint defense and dispute resolution agreement for superfund site, **App 6E**
- Municipal settlement policy, EPA interim, **App 6J**
- Obligations of facility owners and operators
 - Contaminated aquifers owners and operators, **App 6Q**
 - Emergency notification in event of release
 - Generally, **6:166**
 - Contents of notice, **6:169**
 - Extremely hazardous substances, **6:167**
 - Other substances, **6:168**
 - Extremely hazardous substances, **6:167**
 - Initial notification, **6:165; 6:169**
- Release of discretionary information, EPA revised policy, **App 6M**
- Reporting requirements, routine or periodic (Subtitle B)
 - Generally, **6:172**
- Inventory reporting
 - Compilation and contents of report, **6:174**
 - Disclosure to public, **6:175**
- Release reporting, toxic chemical release reporting
 - Generally, **6:176**
 - What must be reported, **6:178**
 - Who must report, **6:177**
- Safety data sheets, **6:173**
- Settlement under Section 122
 - Administrative settlements, **6:147**
 - Agreement, joint defense and dispute resolution agreement for superfund site, **App 6E**
 - Buyouts, de micromis, **6:149**
 - Buyouts, de minimis, **6:148**

Toxic Substances Control Act (TSCA)—Cont'd

Enforcement—Cont'd

Government, enforcement by

Administrative penalties (above)

Judicial enforcement, **2:71**

Seizure, **2:72**

Inspection and forcible entry, **2:70**

Environmental Protection Agency (EPA)

Accidents, substantial risks notice to EPA under TSCA Section 8(e), **2:35**

Asbestos Hazard Emergency Response Act, EPA's regulations, **2:60**

Data acquisition requirements under TSCA Section 8, notice to EPA of substantial risks, **2:31 to 2:35**

Disclosure of confidential information, substantial risks notice to EPA under TSCA Section 8(e), **2:34**

Guidance for petitioning the EPA under Section 21 of TSCA, **App 2J**

Introducing new chemicals into commerce (premanufacture notice "PMN") under TSCA section 5, EPA's PMN requirements, **2:20**

Leaks, substantial risks notice to EPA under TSCA section 8(e), **2:35**

Notice to EPA under section 8, substantial risks, **2:31 to 2:35**

Premanufacture notice (PMN), introducing new chemicals into commerce under TSCA Section 5, EPA's PMN requirements, **2:20**

Recordkeeping and reporting of substantial risks. Substantial risks notice to EPA under section 8(e), below

Spills, substantial risks notice to EPA under section 8(e), **2:35**

Substantial risks notice to EPA under section 8(e), below

Exemptions

Expedited actions, **2:24**

FFDCA substances exemption, **2:3**

FIFRA substances exemption, **2:2**

PMN-related requirements, exemptions from, **2:21; App 2F**

Polymer, exemption from PMN, **App 2F**

Protection from disclosure, **2:49**

Study of new and existing substances and mixtures under section 4, **2:12**

Exemptions and expedited actions, **2:24**

Exports, **2:53**

Final action plan: TSCA confidential business information reform (June 1994), **App 2K**

Foreign regulation of toxic substances, **2:93**

Formaldehyde standards, composite wood products, **2:87; App 2N**

Toxic Substances Control Act (TSCA)—Cont'd

Frank R. Lautenberg Chemical Safety for the 21st Century Act, **2:47 to 2:51; App 2M**

Hexachloronorborene (non-PBC chemical), **2:69**

Imminent hazards under section 7, **2:25**

Imports, **2:52**

Inspections

Asbestos Hazard Emergency Response Act (AHERA), inspection and reinspection, **2:61**

Enforcement of TSCA, inspection and forcible entry, **2:70**

Introducing new chemicals into commerce under section 5. Premanufacture notice (PMN), below

Lead-based paint, **2:86**

MBOCA (non-PBC chemical), **2:69**

Mercury (this index)

Non-PCB chemicals, requirements for other, **2:68; 2:69**

Notice

Introducing new chemicals into commerce under section 5. Premanufacture notice (PMN), below

Premanufacture. Premanufacture notice (PMN), below

Occupant protection, asbestos emergency response, **2:64**

PCBs. Polychlorinated Biphenyls (PCBs), below

Penalties, enforcement means

Generally, **2:73**

Civil monetary penalty inflation adjustment rule, **2:74**

Mechanics of TSCA penalty policy, **2:74**

Special considerations for PCBs, **2:75**

Per- and Polyfluoroalkyl Substances (PFAS), **2:88**

Policy, mechanics of TSCA penalty policy, **2:74**

Polybrominated Biphenyls (PBBs), **2:68**

Polychlorinated Biphenyls (PCBs)

Background, **2:80**

Cleaning up old deposits, **2:85**

Disposing of found PCBs, **2:85**

Food additives, **2:83**

Pesticides, **2:83**

Regulatory requirements, **2:82**

Transformers, **2:81**

Water pollutant effluents, **2:84**

Preemption of state law, **2:90**

Premanufacture notice (PMN), introducing new chemicals into commerce under section 5

Generally, **2:15**

Data submission obligations placed on PMN submitter, **2:18**

Toxic Substances Control Act (TSCA)—Cont'd

Premanufacture notice (PMN), introducing new chemicals into commerce under section 5 —Cont'd

Exemptions from PMN-related requirements, **2:21**

Requirements, **2:16; 2:20**

Significant New Use Rules (SNUR), **2:17**

Prioritization

Risk evaluation and regulation of chemical substances and mixtures, **2:23**

Testing requirements by rule, order or consent agreement, **2:6**

P-TBB and P-TBBA (non-PBC chemicals), **2:69**

Recombinant DNA products (biotechnology), **2:95**

Recordkeeping and reporting, data acquisition requirements under section 8

Generally, **2:27**

Confidentiality. Disclosure of confidential information, above

Disclosure of confidential information.

Disclosure of confidential information, above

Question and answer summaries, section 8(c), **App 2H, 2I**

Significant adverse reactions under section 8(c), requirements, **2:29**

Significant information under section 8(c), **2:30**

TSCA sections 8, 12 and 13, enforcement response policy for reporting and recordkeeping, **App 2L**

What sorts of information are significant, **2:30**

Section 4, study of new and existing substances and mixtures

Amendment of § 4(f), **2:14**

Chemical fate testing guidelines, **2:10**

Environmental effects testing guidelines, **2:9**

EPA's hazard ranking system, **App 6G, 6G-1**

Exemptions and data compensation, **2:12**

Health effects testing guidelines, **2:11**

Laboratory practices, **2:8**

Test rule requirements, **2:8 to 2:12**

Section 5, introducing new chemicals into commerce (premanufacture notice "PMN")

Generally, **2:15**

Amendments of §§ 5(e) and 5(f), **2:19**

Data submission obligations placed on PMN submitter, **2:18**

EPA's requirements, **2:20**

Exemptions from PMN-related requirements, **2:21**

Polymer exemption: preamble to final rule (November 1984), **App 2F**

Preamble to final PMN rule, revisions, and clarifications (1983, 1986, 1989), **App 2E**

Toxic Substances Control Act (TSCA)—Cont'd

Section 5, introducing new chemicals into commerce (premanufacture notice "PMN")

—Cont'd

Requirements, premanufacture notice (PMN), **2:16; 2:20**

Significant new use rules (SNUR), **2:17**

Section 7, imminent hazards under, **2:25**

Section 8, data acquisition requirements

Generally, **2:26**

Question and answer summaries (1983), section 8(c), **App 2H, 2I**

Recordkeeping and reporting, **2:27 to 2:30**

Submission of health and safety studies, **2:36**

Significant adverse reactions under section 8(c) requirements, recordkeeping and reporting, **2:29**

Significant information, recordkeeping and reporting requirements under section 8, **2:30**

Significant New Use Rules (SNUR), **2:17**

State toxic substances control programs, **2:89**

Substances regulated under Act

Generally, **2:1**

FFDCA exemption, **2:3**

FIFRA exemption, **2:2**

Substantial risks notice to EPA under section 8(e)

Generally, **2:31**

Confidentiality, **2:34**

Spills, leaks, and accidents, **2:35**

What must be reported, **2:33**

Who must report, **2:32**

Substantive confidentiality standards, **2:40**

Testing requirements by rule, order or consent agreement

Developing testing rules, **2:5**

Exemptions and data compensation, **2:12**

Testing consent requirements, **2:7**

Testing requirements by rule, order or consent agreement

Priorities, **2:6**

Special rules for extremely dangerous chemical substances and mixtures, **2:13**

Time

Protection from disclosure, duration, **2:50**

Tris (2,3-Dibromo-Propyl) Phosphate (DBPP, TBPP, and TRIS-BP), **2:68**

Unreasonable risk of injury

Disclosure of confidential information, necessity of, **2:46**

Regulatory powers and options when present, **2:22**

Unreasonable risk present, powers and options, **2:22**

Trade secrets

Disclosure. See **Disclosure Of Information About Chemicals And Hazards** (this index)

Transfers

Real property transfers, state law, **6:161**

Transportation

Tier 2 motor vehicle emissions standards and gasoline sulfur control requirements, **App 7K**

Whitman v. American Trucking Assoc., **App 7L**

Transporters of hazardous wastes

See **Hazardous Wastes** (this index)

Treatment, storage, or disposal (TSD) of hazardous wastes facilities

Generally, **5:60; 5:101**

Boilers and industrial furnaces, **5:106**

Categorical non-waste fuels, **5:109**

Chemfuel, **5:108**

Closure of Interim status facility

Generally, **5:73; 5:75**

Financial requirements, closure and postclosure, **5:75**

Postclosure, **5:74; 5:75**

Closure of permanent permitted status facility

Financial responsibility, closure and postclosure, **5:98**

Substantive requirements, closure and postclosure, **5:100**

Denials of permit, **5:130**

Duration of permit, **5:120**

Effect of permit, **5:124**

Emergencies, preparedness for and prevention of, **5:91**

Emergency permits, **5:125**

Expiration of permit, **5:123**

Financial obligations

Interim status TSD facilities, **5:75; 5:78**

Permanent permitted TSD facilities, below

Floodplain location standards, **5:90**

Groundwater protection and corrective action

Operational requirements, **5:93**

Preconditions, permitting, **5:94**

HSWA land ban, EPA regulatory implementation of, **5:103**

Identification number, **5:83**

Ignitable and reactive waste stored in containers or tanks, **5:89; 5:104**

Impoundments, surface, **5:127**

Incinerators, **5:105**

Inspection, **5:87**

Interim status and its standards

Closure, **5:73; 5:75**

Financial requirements

Closure and postclosure, **5:75**

Miscellaneous considerations, **5:78**

General requirements, **5:72**

Liability insurance requirements, **5:76**

Treatment, storage, or disposal (TSD) of hazardous wastes facilities—Cont'd

Interim status and its standards—Cont'd

Postclosure, **5:74; 5:75**

Requirements, **5:69**

Significance, **5:67**

Sources of standards

Corrective action requirements, **5:71**

Effect of 1984 amendments, **5:71**

Part 265, **5:70**

Termination due to noncompliance with 1985 deadline requirements, **5:80**

Transition to permanent permitted status, **5:81**

Who qualifies, **5:68**

Land ban rule

Implementation of HSWA land ban, EPA regulatory implementation of, **5:103**

Land disposal, **5:102; 5:103**

Landfills

EPA interim municipal settlement policy, **App 6J**

Excluded wastes, standards, **5:79**

Permit requirements and procedure, **5:127**

Remedial investigations/feasibility studies, summary of sites, **App 6L**

Liability insurance requirements

Interim status facilities, **5:76**

Permanent permitted facilities, **5:96**

Lists, technical appendixes to 40 CFR Part 264, **App 5B**

Manifest system requirements, **5:92**

Miscellaneous section 3004 requirements, **5:107**

Modification of permit, **5:117; 5:121**

Notice requirements, **5:84**

Notification requirements, **5:65; 5:84**

Permanent permitted status and its standards

Applicability of part 264 standards, **5:82**

Categorical non-waste fuels, **5:109**

Closure and postclosure

Financial responsibility, **5:98**

Substantive requirements, **5:100**

Financial responsibility

Generally, **5:95**

Absent owner/operators, **5:99**

Bankrupt owner/operators, **5:99**

Closure and postclosure, **5:98**

Liability insurance requirements, **5:96**

State and federal TSD facilities, **5:97**

Groundwater protection and corrective action

Operational requirements, **5:93**

Preconditions, permitting, **5:94**

HSWA land ban, EPA regulatory implementation of, **5:103**

Ignitable, reactive, or incompatible waste, **5:89; 5:104**

Siting of hazardous waste facility, **5:111**

Treatment, storage, or disposal (TSD) of hazardous wastes facilities—Cont'd

- Permanent permitted status and its standards—Cont'd
 - Standards applicable to all TSDs
 - Emergencies, preparedness for and prevention of, **5:91**
 - Floodplain location standards, **5:90**
 - Identification number, **5:83**
 - Ignitable, reactive, or incompatible waste, **5:89**
 - Inspection, **5:87**
 - Manifest system requirements, **5:92**
 - Notice requirements, **5:84**
 - Personnel training, **5:88**
 - Salt dome prohibition, **5:90**
 - Security, **5:86**
 - Seismic location standards, **5:90**
 - Waste analysis, **5:85**
 - Standards of performance for specific TSD facility
 - Generally, **5:101**
 - Boilers and industrial furnaces, **5:106**
 - Categorical non-waste fuels, **5:109**
 - Chemfuel, **5:108**
 - HSWA land ban, EPA regulatory implementation of, **5:103**
 - Ignitable and reactive waste stored in containers or tanks, **5:89; 5:104**
 - Incinerators, **5:105**
 - Land disposal, **5:102; 5:103**
 - Miscellaneous section 3004 requirements, **5:107**
 - Underground storage tanks, **5:110**
 - Transition from interim status, **5:81**
- Permit, requirements and procedure
 - Generally, **5:112**
 - Application requirements, **5:114 to 5:112**
 - Boilers and industrial furnaces, **5:128**
 - Contents of permit, **5:119**
 - Deadlines, **5:130**
 - Denials, **5:130**
 - Duration of permit, **5:120**
 - Effect of permit, **5:124**
 - Emergency permits, **5:125**
 - Expiration of permit, **5:123**
 - Information requirements, **5:116**
 - Interim status termination, **5:130**
 - Issuance, modification, and revocation followed by reissuance of permit (procedures), **5:117**
 - Landfills, **5:127**
 - Modification of permit, **5:117; 5:121**
 - Other laws, requirements of, **5:115**
 - RCRA-based requirements, **5:114**
 - Reissuance of permit, **5:117; 5:123**

Treatment, storage, or disposal (TSD) of hazardous wastes facilities—Cont'd

- Permit, requirements and procedure—Cont'd
 - Research and development activities, **5:129**
 - Revocation followed by reissuance of permit (procedures), **5:117**
 - Rule, permits by, **5:125**
 - Surface impoundments, **5:127**
 - Suspension and revocation (procedures), **5:118**
 - Termination of permit, **5:122; 5:130**
 - Underground Injection Control (UIC) well permits, **5:126**
 - Who must have permit, **5:113**
- Personnel training, **5:88**
- Place of hazardous waste facility, **5:111**
- Reissuance of permit, **5:117; 5:123**
- Research and development activities, **5:129**
- Revocation of permit, **5:117; 5:118**
- Salt dome prohibition, **5:90**
- Security, **5:86**
- Seismic location standards, **5:90**
- Siting of hazardous waste facility, **5:111**
- Standards
 - Generally, **5:66**
 - Interim status, above
 - Landfills, wastes excluded from, **5:79**
 - Permanent permitted status, above
- Surface impoundments, **5:127**
- Suspension of permit, **5:118**
- Termination of permit, **5:122; 5:130**
- Transition from interim status, **5:81**
- Transporters as TSD facility, **5:51**
- Underground storage tanks, **5:110**
- Waste analysis, **5:85**
- Who is regulated
 - Generally, **5:61**
 - Disposal facilities, **5:64**
 - Storage facilities, **5:62**
 - Treatment facilities, **5:63**

Tris (2,3-dibromo-propyl) phosphate (dbpp, tbpp, and tris-bp)

- Generally, **2:68**

Tsca

- See **Toxic Substances Control Act (TSCA)** (this index)

Tsd facilities

- See **Treatment, Storage, Or Disposal (TSD) Of Hazardous Wastes Facilities** (this index)

29 cfr part 1910

- Occupational Safety and Health Standards, **App 9B-1**

Underground injection control (UIC) well permits

Generally, **5:126; 7:45**
 Enforcement, **7:47**
 Infrastructure Investment and Jobs Act, **7:43**
 Substantive endangerment standard, **7:46**

Underground storage tanks

Generally, **5:167; 5:168**
 Applicability of federal requirements, **5:169**
 Citizen suits, **5:175**
 Closure, federal requirements, **5:172**
 Community right-to-know provisions, summary of selected state underground storage tank provisions, **App 6I**
 Corrective action requirements, **5:171**
 Enforcement, **5:174**
 EPA's UST regulations, **5:168 to 5:172**
 Federal requirements, **5:169 to 5:171**
 Financial responsibility, **5:173**
 Permanent permitted status and its standards of performance, **5:110**
 State programs, **5:176**
 Substantive requirements for active USTs, **5:170**
 Summary of selected state underground storage tank provisions, **App 6I**
 TSD facility, **5:110**
 Well permits, Underground Injection Control (UIC), **5:126**

United States v. Bestfoods, et al.

Case law, **App 6T**

Unreasonable risk of injury under tsca

Disclosure of confidential information, necessity of, **2:46**
 Regulatory powers and options when present, **2:22**

Variance, wastewater effluents

Fundamentally different factors variance, **7:27**
 Small system variance regulations, **App 7J**
 Standards for effluent limitations based on water quality, **7:26**

Vessels

CERCLA litigation settlement, **6:151**
 International conventions impacting air emissions from ships, **7:17**
 Liability for spills on navigable waters, **6:8**

Waste minimization

EPA guidance to hazardous waste generators, **App 5G**

Wastewater effluents

Generally, **7:18; 7:19**
 Antarctic Conservation Act, **7:30**
 Citizen suits, **7:21**

Wastewater effluents—Cont'd

Clean Water Act, generally, **7:18**
 Clean Water Act of 1977, requirements
 Citizen suits, **7:21**
 Enforcement, **7:21**
 Reporting obligations, **7:21**
 Substantive standards, **7:20**
 Toxic permit conditions and limitations, **7:22**
 Enforcement, **7:21**
 Imminent and substantial endangerments, **7:29**
 Impaired waters lists and controls, **7:24**
 Limitations
 CFR parts and sections containing toxic effluent limitations, **App 7B**
 Permit conditions and limitations, **7:22**
 Statutory variance standards for effluent limitations based on water quality, **7:26**
 Permit conditions and limitations, **7:22**
 Public sewers, toxics discharged to, **7:28**
 Reporting obligations, **7:21**
 Revised water quality standards, Water Quality Act of 1987, **7:25**
 Standards
 Clean Water Act of 1977, substantive standards, **7:20**
 Statutory variance standards for effluent limitations based on water quality, **7:26**
 Variance, below
 Water Quality Act of 1987, revised water quality standards, **7:25**
 Statutory law, cross-references between session law and U.S. Code sections, **App 7A**
 Tables
 CFR parts and sections containing toxic effluent limitations, **App 7B**
 Cross-references between session law and U.S. Code sections, **App 7A**
 Variance
 Fundamentally different factors variance, **7:27**
 Small system variance regulations, **App 7J**
 Standards for effluent limitations based on water quality, **7:26**
 Water Act of 1987, requirements
 Generally, **7:23**
 Impaired waters lists and controls, **7:24**
 Revised water quality standards, **7:25**
 Statutory fundamentally different factors variance, **7:27**
 Statutory variance standards for effluent limitations based on water quality, **7:26**

Water

Clean Water Act And The Oil Pollution Act Of 1990, Section 311. See **Spills On Navigable Waters** (this index)
 Definition of "Public Water System," **App 7I**

Water—Cont'd

- Drinking water. Groundwater and drinking water, below
- Effluents. See **Wastewater Effluents** (this index)
- Groundwater and drinking water
 - Generally, **7:31**
 - Enforcement, **7:47**
 - List of chemicals EPA must evaluate for safe drinking water, **App 7C**
 - Original regulatory scheme and EPA actions before 1986, **7:32**
 - Post to 1986 amendments changes in direction, **7:33 to 7:31**
 - Post to 1996 amendments changes in direction, **7:37 to 7:36**
 - Protecting underground water from contamination sources other than injection wells, **7:42 to 7:39; App 7C**
 - Regulation of water supply, **7:32 to 7:36**
 - Sole source demonstration, **7:44**
 - Terminology and criteria, **7:33**
 - Underground Injection Control (UIC), **5:126; 7:45 to 7:42**
 - Wellhead protection, **7:43**
- Imminent and substantial endangerments, **7:29; 7:46**
- Impaired waters lists and controls, **7:24**
- Infrastructure Investment and Jobs Act, **7:43**
- List of chemicals EPA must evaluate for safe drinking water, **App 7C**
- Marine Environment Protection Committee, Fifty-Sixth Session report, **App 6W**
- Public sewers, discharges of toxics to, **7:28**
- Public Water System, defined, **App 7I**
- Rivers And Harbors Appropriations Act of 1899, generally, **6:157**
- Sewers, discharges of toxics to public sewers, **7:28**
- Spills. See **Spills On Navigable Waters** (this index)
- Substantial endangerments, **7:29; 7:46**
- Underground Injection Control (UIC)
 - Generally, **5:126; 7:45**
 - Enforcement, **7:47**
 - Substantive endangerment standard, **7:46**
- Underground water, protecting from contamination sources other than injection wells
 - Generally, **7:42**
 - List of chemicals EPA must evaluate for safe drinking water, **App 7C**
 - Sole source demonstration, **7:44**

Water—Cont'd

- Underground water, protecting from contamination sources other than injection wells
 - Cont'd
 - Wellhead protection, **7:43**
- Variance regarding wastewater effluents
 - Fundamentally different factors variance, **7:27**
 - Small system variance regulations, **App 7J**
 - Standards for effluent limitations based on water quality, **7:26**
- Wastewater effluents. See **Wastewater Effluents** (this index)
- Water Act of 1987, requirements
 - Generally, **7:23**
 - Impaired waters lists and controls, **7:24**
 - Revised water quality standards, **7:25**
 - Statutory fundamentally different factors variance, **7:27**
 - Statutory variance standards for effluent limitations based on water quality, **7:26**
- Wellhead protection from contamination, **7:43**
- Wells. See **Wells** (this index)
