## **Pattern Discovery Tort Actions 3d**

2025 Edition

By Douglas Danner, Larry L. Varn, and Amy Dorsey

This year we are providing you with all new contents of the treatise. The six-volume set has been converted into a four-volume pamphlet format. This should greatly improve the reader's experience in terms of filing pages within a limited binder system—allowing the work to easily expand as needed. Though the format is changing, customers are not being charged more for this format change. Subscribers will pay the same overall price that they would have been charged during the course of the year. Please note that, for ease of handling, the materials in this shipment may ship in more than one box.
