

## 2025 Highlights

This edition contains revised and updated material for several chapters, including:

- Chapter 7—Mechanic’s Liens, including a new section heading addressing **Notice**
- Chapter 9—Waiver of Mechanic’s Liens
- Chapter 10—Performance and Payment Bonds
- Chapter 13—Contracts for Work to Be Done on Your Premises, including a new section heading addressing **Delegation of duty**
- Chapter 15—Contingent Payment Clauses, including a new section heading addressing **Prompt payment acts**
- Chapter 16—Warranties in Construction Contracts, including a new section heading addressing **Statute of repose**
- Chapter 23—Arbitration of Construction Disputes

We have also added several new sample forms to our existing forms collection, including:

- Engineering, Procurement and Construction Agreement
- Health, Safety, Security, and Environmental Policies
- Contractor Document Deliverables
- Contractor and Subcontractor Waivers and Releases
- Change Order Form
- Master Construction Agreement
