

2025 Edition Highlights

By Edward Fiandach

The 2025 edition of *Handling Drunk Driving Cases* keeps you up-to-date on the latest legal developments in the continually evolving field of DUI, DWI and OWI jurisprudence around the country, now in a softbound format for fully merged and updated material and ease of filing and shelving.

Highlights of this edition include:

- New developments in § **8:30 Consequences of a refusal**, where recent decisions in Colorado and California discuss for what purpose and under what circumstances evidence of refusal may be admitted and adverse inference of guilt can be considered by a jury.
- New Confrontation Clause cases under §§ **34:13 Cases under *Crawford***, and **34:15 *Bullcoming v. New Mexico***.
- New section **34:16 *Smith v. Arizona***.
