**2025-1 Edition**

This year we are providing you with all new contents of *Law of Independent Power*. The three binder set has been converted into a pamphlet format. This new four pamphlet set replaces your existing looseleaf binders and contents. Please note that, for ease of handling, the materials in this shipment may ship in more than one box.

Among the benefits to the new format:

- It is easier to keep pamphlets up to date. Simply replace your existing pamphlet with the latest version. You no longer need to worry about filing or inserting new chapters and supplements into a binder.
- Pamphlets are more convenient to carry and take up less shelf space than most looseleaf binders.
- You will now receive replacement pamphlet print updates twice a year. These pamphlets will replace the multiple looseleaf shipments received in prior years.

### **Filing Instructions**

**REMOVE and RECYCLE** the entire treatise set (binders & contents).
