

## INTRODUCTION TO 2025 EDITION

The 2025 Edition of *Mississippi Insurance Law & Practice* is a complete guide to insurance law in Mississippi. This handy, yet thorough, reference manual makes concise, orderly discussion of how to proceed in most any kind of case involving insurance or insurers quickly accessible to the Mississippi practitioner. This year, new material has been added and/or existing material updated on the following subjects, among others:

- Ambiguity in insurance policies
- Waiver and estoppel
- Withdrawal of a tendered defense
- Extra-contractual remedies; bad faith
- Valued property statute
- Appraisal provisions
- Limits of coverage
- Commercial or personal use of vehicle
- Defining uninsured motor vehicles
- Removal of actions to federal court
