PUBLIC WATER USE RIGHTS

- Generally, **8:1 et seq.**
- Access to public waters
 - Public recreational inland waters, **8:36**
- Access to waters
 - generally, **8:31**
 - beach access, below
- Beach access
 - generally, **8:32**
 - dry sand area, customary use, **8:33**
 - fee, denial of access by, **8:35**
 - prescription and dedication, **8:34**
- Bed ownership, navigability, and public rights
 - generally, **8:2**
 - equal footing doctrine, **8:8**
 - federal bed ownership, **8:9**
 - historical basis, below
 - navigability, generally, **8:3**
 - state bed ownership, **8:7**
 - states
 - sovereignty, **8:5**

PUBLIC WATER USE RIGHTS—Cont'd

- Bed ownership, navigability, and public rights
 - Cont'd
 - states—Cont'd
 - state bed ownership, **8:7**
 - tribal bed ownership, **8:10**
- Federal bed ownership, **8:9**
- Historical basis
 - generally, **8:4**
 - state sovereignty, **8:5**
 - “waste” lands underlying tidal waters, **8:6**
- Navigability
 - bed ownership, navigability, and public rights, above
 - navigability for title: federal versus state ownership, below
- Navigability for title
 - generally, **8:11**
 - federal test, **8:12**
 - meandered lakes and islands, **8:17**
 - state definitions, post-patent disputes
 - generally, **8:13**
 - federal test, adoption, **8:14**
 - less restrictive tests, **8:16**
 - more restrictive tests, **8:15**
- Navigability for title: federal versus state ownership
 - patents to land. State definitions, post-patent disputes, below this group
- Patents to land. Navigability for title: federal versus state ownership, above
- Public recreation. Recreation rights, below
- Public recreational inland waters, **8:36**
- Public trust
 - exchanging, restrictions on, **8:25**
 - filling, restrictions on, **8:25**
- Public trust doctrine
 - generally, **8:18**
 - Illinois Central Railroad v. Illinois*, **8:19**
 - purposes of trust, **8:20**
 - severance of trust lands
 - generally, **8:21**
 - partial severance, balancing, **8:23**
 - total severance, **8:22**
 - shared governmental control, **8:24**
- Recreation rights
 - generally, **8:26**
 - beach access, above
 - common law theories, **8:30**
 - federal/state powers, **8:27**
 - navigation servitude & constitutionality, **8:29**
 - susceptibility of waters for public use, **8:28**
- Scope of chapter, **8:1**
- Severance of trust lands. Public trust, above

PUBLIC WATER USE RIGHTS—Cont'd

- States
 - bed ownership, navigability, and public rights, above
 - navigability for title: federal versus state ownership, above
 - public recreational rights, **8:27**
- Title and ownership
 - bed ownership, navigability, and public rights, above
 - navigability for title: federal versus state ownership, above
- Tribal bed ownership, **8:10**
- Trusts. Public trust, above
- “Waste” lands underlying tidal waters, **8:6**

QUALITY

- Hydrologic cycle, distribution of water, **2:7**
- Interstate water quality. **Interstate Allocation** (this index)
- Prior Appropriation Doctrine** (this index)

RATIFICATION

- Interstate compacts, effect of ratification on state law, **10:26**

RECHARGE AREAS

- Groundwater allocation, protection of recharge areas, **5:69**

RECLAMATION ACT OF 1902

- Preemption, Congressional deference to state law, **9:22**

RECLAMATION AND RECLAMATION RIGHTS

- Transfer of reclamation rights. **Prior Appropriation Doctrine** (this index)

RECREATION

- Public Water Use Rights** (this index)

REGIONAL VARIATION

- Hydrologic cycle, distribution of water, **2:6**

REGULATION

- Federal Allocation and Regulation of Water** (this index)

RELATION BACK

- Prior appropriation doctrine, intent, **4:64**

RELICION

- Loss or gain of riparian land, **3:39, 3:43**

RESERVATION

- Adjudication of water rights, entry of decree, preclusion of reserved rights claims, **7:23**
- Prior Appropriation Doctrine** (this index)

RESERVED RIGHTS

- Generally, **6:1 et seq.**

RESERVED RIGHTS—Cont'd

- Federal non-reserved rights, **6:21**
- Federal reserved rights, **6:16**
 - constitutional basis, **6:17**
 - duty to claim, **6:19**
 - implied intent, **6:18**
 - non-quantified reserved rights, **6:20**
- Indian reserved rights
 - generally, **6:2**
 - administration, **6:8**
 - groundwater, **6:6**
 - pollution prevention on reservations, **6:14**
 - qualifications, **6:5**
 - recognition in winters, **6:3**
 - relation to Endangered Species Act, **6:15**
 - settlements, **6:9**
 - groundwater, **6:11**
 - instream flows and off reservation leasing, **6:12**
 - sources of water, **6:10**
 - source, **6:4**
 - transfer, **6:7**
 - trust relationship & breach of trust, **6:13**
- Scope of chapter, **6:1**

RESERVOIRS

- Prior appropriation doctrine, operation of federal reservoirs, **4:42**

RESOURCES, WATER

- Hydrologic cycle, Impacts on global climate change, **2:13**
- Statutory modification of the common law of riparianism
- State water resources planning, **3:89**

RESTATEMENT OF TORTS (SECOND)

SECTION 850

- Riparian rights, **3:68**

RESTATEMENT OF TORTS (SECOND)

SECTION 858

- Groundwater allocation, California rule of correlative rights, **5:19**

RESTRICTIONS

- Limitations and Restrictions** (this index)

REUSED WATER

- Prior Appropriation Doctrine** (this index)

RIPARIAN RIGHTS

- Generally, **3:1 et seq.**
- Abandonment of facility, artificial watercourses, **3:28**
- Accretion, loss or gain of riparian land, **3:39, 3:40, 3:42**
- Allocation
 - generally, **3:53**

RIPARIAN RIGHTS—Cont'd

- Allocation—Cont'd
 - apportionment, **3:60**
 - current theories of natural flow, **3:55**
 - domestic use preference
 - generally, **3:56**
 - municipal water supply, **3:58**
 - uses entitled to, **3:57**
 - municipal water supply, domestic use preference, **3:58**
 - natural flow theory, **3:54, 3:55**
 - nineteenth century natural flow theory, **3:54**
 - reasonable use rule, **3:59**
 - statutory modification of allocation criteria.
 - Common law, below
- Apportionment, allocation, **3:60**
- Artificial accretion and erosion, loss or gain of riparian land, **3:42**
- Artificial watercourses
 - generally, **3:24**
 - conversion of natural to artificial watercourse, **3:25**
 - facility abandonment, **3:28**
 - lake level maintenance statutes, **3:27**
 - prescriptive rights, **3:26**
- Avulsion, loss or gain of riparian land, **3:39, 3:41**
- Boundaries. Riparian land, below
- California reasonable beneficial use rule, **3:69**
- Channel, bed and banks, and flow, **3:22**
- Civil law rules, use of surface of water, **3:78**
- Common law
 - loss or gain of riparian land, state or federal common law, **3:44**
 - pollution as unreasonable use, **3:64, 3:65**
 - statutory modification
 - allocation criteria
 - states, below
 - jurisdiction of permit agency, below
 - surface of water, use of, **3:78**
- Common law of riparianism
 - Modification of the common law
 - Sources of and limitations on authority, **3:87**
 - statutory modification
 - generally, **3:85**
 - Constitutionality of modification of common law, **3:88**
 - reasons for modification or replacement of the common law, **3:86**
 - statutory modification, allocation criteria
 - out-of-state diversions, **3:96**
- Common law of riparianism, statutory modification
 - allocation criteria
 - State constitutional provisions, **3:98**
 - State environmental protection acts, **3:97**

RIPARIAN RIGHTS—Cont'd

- Constitutionality of modification of common law, **3:88**
- Diffused surface waters, **3:13, 3:14**
- Facility abandonment, artificial watercourses, **3:28**
- Federal common law
 - pollution as unreasonable use, **3:66**
 - riparian land, state or federal common law, **3:44**
- Floods and flood waters
 - generally, **3:15**
 - common law rules, **3:16**
 - impoundment, dam operator's liability for flooding, **3:62**
 - municipal liability, subdivision plat approval, **3:17**
- Historical foundations
 - generally, **3:2**
 - American origins
 - classic law of riparian rights, **3:7**
 - prior appropriation, riparian rights or, **3:6**
 - Roman law origins, **3:3**
- Impoundment
 - generally, **3:61**
 - flooding, dam operator's liability for, **3:62**
 - United States, liability of, **3:63**
- Justifications for, **3:8**
- Lake subdivision, extent of riparian land, **3:47**
- Licenses. Jurisdiction of permit agency, above
- Limitations on right to fill
 - generally, **3:75**
- Loss or gain of riparian land
 - generally, **3:38**
 - accretion, **3:39, 3:40, 3:42**
 - avulsion, **3:39, 3:41**
 - reliction, **3:39, 3:43**
- Maps and Plats** (this index)
- Modification of common law. Common law, above
- Municipalities** (this index)
- Natural flow theory
 - allocation, **3:54, 3:55**
 - Hawaii, **3:70**
- Natural watercourses
 - channel, bed and banks, and flow, **3:22**
- Natural watercourses
 - generally, **3:20**
 - consequences of existence or nonexistence, **3:21**
- Nature of riparian rights, **3:9**
- Usufruct, **3:10**
- Navigable waters
 - generally, **3:19**
 - riparian land, below

RIPARIAN RIGHTS—Cont'd

- Non-consumptive uses
 - generally, **3:71**
 - fill, right to, above
 - surface of water, below
 - wharves, below
- Non-riparian use, watershed limitation, **3:49, 3:50**
- Ownership of diffused surface waters, **3:14**
- Permit agency. Jurisdiction of permit agency, above
- Platted streets, **3:48**
- Pollution as unreasonable use
 - generally, **3:64**
 - discharges of sewage, **3:67**
 - federal common law rights, **3:66**
 - relationship between common law and regulatory standards, **3:65**
- Prescription and prescriptive rights
 - generally, **3:84**
 - artificial watercourses, **3:26**
- Prior appropriation doctrine, unexercised riparian rights, **4:13**
- Reliction, loss or gain of riparian land, **3:39, 3:43**
- Restatement of Torts (Second) Section 850, **3:68**
- Right to fill
 - generally, **3:74**
- Right to wharf out
 - generally, **3:72**
 - location of wharves, **3:73**
- Riparian land
 - generally, **3:29 et seq.**
 - boundaries. Location of water boundaries, below this group
 - common law, state or federal, **3:44**
 - extent of
 - generally, **3:45**
 - lake subdivision, **3:47**
 - source of title and unity of title rules, **3:46**
 - location of water boundaries
 - generally, **3:32**
 - non-navigable waters, **3:33**
 - non-tidal navigable waters, **3:35**
 - public ownership, extension landward of mean high tide, **3:36**
 - states, boundaries between, **3:37**
 - tidal navigable waters, **3:34**
 - loss or gain of riparian land, above
 - navigable waters. Location of water boundaries, above this group
 - states, below
 - stream, necessity of contact with, **3:30**
 - tides or tidal waters. Location of water boundaries, above this group
 - who may be a riparian, **3:31**
- Roman law origins, **3:3**

RIPARIAN RIGHTS—Cont'd

Rules

- allocation, reasonable use rule, **3:59**
- California reasonable beneficial use rule, **3:69**
- civil law rules, use of surface of water, **3:78**
- riparian land, source of title and unity of title rules, **3:46**

Scope of chapter, 3:1

Springs, 3:18

States

- boundaries between states, location of, **3:37**
- loss or gain of riparian land, state common law, **3:44**
- non-consumptive use, exercise of state navigation servitude, **3:76**
- time of exercise, unexercised rights in dual states, **3:52**

State water resources planning

- Statutory modification of the common law of riparianism, **3:89**

Statutory modification of the common law of riparianism

- allocation criteria generally, **3:93**
- Modification of the watershed limitation, **3:95**
- priority versus public interest, **3:94**

Statutory modification of the common law of riparianism

- allocation criteria modification of watershed limitation, **3:95**
- jurisdiction of permit agency generally, **3:90**
- exemptions, **3:92**
- uses covered, **3:91**

State constitutional provisions, 3:98

- statutory modification of allocation criteria, **3:98**

- statutory modification of allocation criteria environmental protection acts, state, **3:97**
- state constitutional provisions, **3:98**

Streams

- riparian land, necessity of contact with stream, **3:30**
- subsurface streams, **3:23**

Subdivision plat approval involving flood plain, municipal liability, 3:17

Subject of, generally, 3:11 to 3:19

Subsurface streams, 3:23

Surface of water, use of

- generally, **3:77**
- common and civil law rules, **3:78**
- over-use of surface, control of, **3:79**

Surface waters

- generally, **3:12**
- diffused surface waters, **3:13, 3:14**

RIPARIAN RIGHTS—Cont'd

Surface waters—Cont'd

- subsurface streams, **3:23**

Tides and tidal waters, see specific lines in this topic

Time of exercise

- generally, **3:51**
- unexercised rights in dual states, **3:52**

Title and ownership

- diffused surface waters, **3:14**
- riparian land, source of title and unity of title rules, **3:46**

Transfers

- generally, **3:80**
- consumptive rights, **3:83**
- non-consumptive rights, **3:82**
- Transfer of riparian rights, **3:81**

Usufruct nature of, 3:10

Watercourses

- artificial watercourses, above

Watershed limitation

- non-riparian use, **3:49, 3:50**

Wharves, location of wharves

- generally, **3:73**

RIPENESS

Equitable apportionment

- interstate allocation, ripeness of injury, **10:14**

ROMAN LAW

- Historical foundations, **3:3**

ROTATION

- Prior appropriation doctrine, modification of priority, **4:36**

RULES

- International Water Allocation** (this index)

- Riparian Rights** (this index)

SALINITY

- Prior appropriation doctrine, water quality limitations on exercising appropriative rights, salinity control, **4:101**

SAND

- Public water use right to beach access, customary use of dry sand area, **8:33**

SCOPE OF TREATISE

- Generally, **1:1, 1:2**

SEDIMENT

- Prior appropriation doctrine, sediment loading, water quality limitations on exercising appropriative rights, **4:97**

SEEPAGE

- Prior appropriation doctrine, reused water subject to appropriation, **4:18**

INDEX

SERVITUDE

- Federal regulation of water, navigation servitude generally, **9:13**
- no compensation, rule of
 - generally, **9:15**
 - interferences with public right of navigation, **9:16**
 - scope of navigation servitude, **9:17**
- no compensation for fast lands, **9:18**
- protection of navigation, **9:14**
- Public water use, recreational rights, navigation servitude & constitutionality, **8:29**
- Riparian rights, non-consumptive use, exercise of state navigation servitude, **3:76**

SETTLEMENT

- Adjudication of water rights, entry of decree, **7:24**
- Indian water rights. **Federal Allocation and Regulation of Water** (this index)

SETTLEMENTS, 6:9

- Groundwater, **6:11**
- Instream flows and off reservation leasing, **6:12**
- Pollution prevention on reservations, **6:14**
- Relation to Endangered Species Act, **6:15**
- Sources of water, **6:10**
- Trust relationship & breach of trust, **6:13**

SEVERANCE OF TRUST LANDS

- Public Water Use Rights** (this index)

SEWAGE

- Riparian rights, pollution, **3:67**

SOURCE

- Riparian land, source of title rule, **3:46**

SOVEREIGN IMMUNITY

- Adjudication of water rights, **7:3**

SPORHASE CASE

- Interstate Allocation** (this index)

SPRINGS

- Prior appropriation doctrine, water subject to, **4:21**
- Riparian rights, **3:18**

STATES

- Interstate Allocation** (this index)
- Preemption of state law. **Federal Allocation and Regulation of Water** (this index)
