

INTRODUCTION TO THE 2025 EDITION

A quick reference for insurance carriers, policyholders, and claimants, *Life and Health Insurance Law* provides analysis of the impact of contractual provisions, state and federal statutes and regulations, and state and federal court opinions on life and health insurance questions. This new 2025 edition provides many new leading-edge cases and topical discussions to put you on the leading edge of the latest developments in this area of the law.

Among the topics with significant updates in the 2025 edition are:

- § 2:4 Statutes and regulations
- § 5:14 Insurability
- § 6:4 Burden of proof
- § 9:1 Time and method of payment
- § 9:10 Premium notices
- § 11:19 Divorce
- § 11:10 Substantial compliance
- § 12:10 Surgical and miscellaneous benefits—Generally
- § 14:6 Diseases and treatment—Cause
- § 15:2 Definitions; disability
- § 17:1 Pre-existing health condition—Generally
- § 19:2 Long term care insurance
- § 26:13 ERISA in general

We hope that you will continue to use *Life and Health Insurance Law, 2025 Edition* whenever a claimant with life or health insurance issues presents you with a controversy for litigation.
