Guide to the International Sale of Goods Convention

This year we are providing you with all new contents of the treatise. **The three-volume set has been converted into a two-volume pamphlet format.** This should greatly improve the reader's experience in terms of filing pages within a limited binder system—allowing the work to easily expand as needed. Though the format is changing, customers are not being charged more for this format change. Subscribers will pay the same overall price that they would have been charged during the course of the year.

Filing Instructions

- **REMOVE and RECYCLE** the entire treatise set (binders & contents).
- **PLACE** the new 2025 Pamphlet Edition (Volume 1 & Volume 2) in your library.
