

What's New in the 2025 Edition of Government Contract Bid Protests—A Practical and Procedural Guide

- Developments regarding use of artificial intelligence (“AI”) tools at GAO and COFC
- Continued refinement of GAO “interested party” standing
- Discussion of COFC as the “default” venue for challenging DoD Other Transaction Authority (“OTA”) awards
- Updated GAO filing and payment requirements
- Recent trends in GAO treatment of allegations raised after initial protest filing
- Clarification of GAO’s jurisdiction over protests involving size challenges
