

Highlights to 2025-2 Update

With this update to *Bankruptcy Desk Guide*, the publication becomes six soft-bound volumes (five treatise; one forms) that will be updated and replaced in their entirety biannually.

Various monetary amounts throughout the Bankruptcy Code were automatically adjusted April 1, 2025, and those adjustments are discussed throughout the bankruptcy chapters with this update.

This update also incorporates updated citations of case law throughout, resulting in the addition of opinions reflecting new developments and the revision or deletion of numerous cited authorities that have been abrogated or have become outdated since the last update.

Finally, the official forms have been updated in *Bankruptcy Forms Guide* (volume 6 of the set).
