

INTRODUCTION TO THE 2025-2026 EDITION

This authoritative treatise, **NEPA Law and Litigation** continues to serve as the definitive source on NEPA, providing practitioners with an understanding of how this statute can, in effect, be used to override the policies and decisions of federal agencies. This update includes significant text and citation revisions throughout the volume including:

- Chapter 2 NEPA and Its Administration, Environmental Review Requirements in Other Legislation, and Executive
- Chapter 3 Judicial Review under NEPA
- Chapter 4 NEPA Litigation
- Chapter 5 When NEPA Applies
- Chapter 7 The Environmental Review Process
- Chapter 8 The Threshold Question: Must an Environmental Impact Statement Be Prepared?
- Chapter 9 Scope of the Environmental Impact Statement
- Chapter 10 What Is an Adequate Impact Statement
- Chapter 12 State Environmental Policy Acts
- Chapter 13 Environmental Assessment in the European Union, the United Kingdom and Canada
- This edition includes a summary of the CEQ's phased process of revising the NEPA regulations that it issued in 2020. It also includes the latest case law developments, as well as citations to recent literature on NEPA.

We hope you will continue to use **NEPA Law and Litigation** in your practice for every NEPA environmental case you handle in your practice.
