

INTRODUCTION TO 2025-2026 EDITION

This 2025-2026 Edition of *The Admissibility of Expert Testimony in Georgia* is a complete guide to the qualification of experts and the presentation of their evidence, opinions, and testimony in Georgia courts. This handy manual makes the Georgia statutes and relevant caselaw regarding experts quickly accessible. Since last year's edition, new material has been added and/or existing material updated on the following subjects, among others:

- Non-testifying experts
- Disclosure of experts
- Sanctions for failing to follow trial court order
- Products liability
- Toxic torts
- Premises liability
- Negligent security
- Medical malpractice
- Qualifications of experts
- Accident reconstruction testimony
- Seat belt non-use testimony
- Employment law cases
- Criminal cases
- Digital forensic expert testimony

This 2025-2026 Edition replaces the 2024-2025 Edition, which now may be recycled or discarded.
