

## INTRODUCTION TO 2024-2025 EDITION

*Mississippi Law of Damages* is a complete handbook on damages law for civil practitioners in Mississippi. This handy, yet thorough, reference manual provides concise, orderly discussion of how to plead and prove damages in order to maximize recoveries. This year, new material has been added and/or existing material updated on the following subjects, among others:

- Liquidated vs. unliquidated damages
- Attorney fee awards
- Contract, implied contract, and unjust enrichment actions
- Child support
- Wrongful discharge
- Premises liability
- Intentional infliction of emotional distress
- Alienation of affection
- Tortious interference with contract
- Medical malpractice
- Legal malpractice

**This 2024-2025 Edition replaces the 2023-2024 Edition, which may now be recycled or discarded.**
