

Introduction to the Volume 16B

Your Revised **Volume 16B** of **McQuillin the Law of Municipal Corporations** provides the latest legal case law and analysis as relates to schools. **School boards, teacher employment concerns, and control of students** are all reported in this volume. Public education is an area of constant change and litigation. As technology develops, so do new unexpected legal challenges for school officials. For instance, under what circumstances are warrantless and immediate searches of students' cellphones at school constitutional? When is videotaping or recording on a phone considered a "search" under the Fourth Amendment?

Other highlights of this volume include:

- **Factors contributing to school liability for bullying that results in student's suicide: Forseeability, notice, suicide prevention protocols;**
- **United States Supreme Court: Limitations on schools' ability to discipline students' social media behavior outside of school;**
- **Parents free speech rights:** posting on teacher and school websites; teachers' ability to block certain parents from commenting on social media;
- **School board curriculum** which educates about Islam along with other world religions as **not violative of Establishment Clause;**
- **Constitutionality of requiring vaccinations to attend school;** and
- **School board meeting Open Meeting Law compliance: inadequate notice of meetings, collective bargaining negotiations not "meetings", open-enrollment charter schools subject to Open Meeting Laws.**
