-------------------------	---

This publisher’s note may be scanned electronically and photocopied for the purpose of circulating copies within your organization.

Highlights:

- **Bail**—On December 5, 2023, *An Act to amend the Criminal Code (bail reform)*, S.C. 2023, c. 30 (former Bill C-48), received Royal Assent, and its amendments came into effect January 4, 2024. These amendments aim to address serious repeat violent offenders who use weapons, and repeat offenders who commit violence against intimate partners. The commentary in the following sections of this chapter feature updates to reflect these amendments: § 4:2 – General Principles; and § 4:4 – Release by a Justice of the Peace.
- **Sentencing—Suspended Sentence and Probation**—Manitoba’s Court of Appeal held an ordered condition requiring the accused to “take all medications prescribed by any medical practitioner” to contravene s. 7 of the Charter: *R. v. Patchinose*, 2023 MBCA 58, 2023 CarswellMan 227 (Man. C.A.).

ProView Developments

Your ProView edition of this product now has a new, modified layout:

- The opening page is now the title page of the book as you would see in the print work
- As with the print product, the front matter is in a different order than previously displayed
- The Table of Cases, Table of Statutes and Index are now in PDF with no searching and linking
- The Table of Contents now has internal links to every chapter and section of the book within ProView
- Images are generally greyscale and size is now adjustable
- Footnote text only appears in ProView-generated PDFs of entire sections and pages
