

## INTRODUCTION TO 2025-2026 EDITION

---

*Molnar's Georgia Criminal Law – Crimes and Punishments* is a complete guide to substantive criminal law in Georgia. This thorough reference manual makes Georgia criminal law easily accessible by arranging statutes and commentary by subject matter, rather than merely following the order in which material is set out in the Code. Since last year's edition, new material has been added and/or existing material updated regarding the following subjects, among others:

- Abuse survivor sentencing
- Insanity defense
- Intellectually disabled defendant
- Delusional compulsion
- Justification defense
- Self-defense
- Accident defense
- Disrupting or interfering with public school
- Terroristic threats at schools
- Fentanyl
- Enticing child for indecent purposes
- Gang activity
- Weapons carrying

**This 2025-2026 Edition (Volume 1 and Volume 2) replaces the 2024-2025 Edition, both volumes of which now may be recycled or discarded.**
