

Introduction to 2025 Edition

New York Motions in Limine, is devoted to New York “in limine” motions. It includes critical evidence motions that, if granted, can end a case early and covers topics such as excluding expert opinions, scientific tests, and improper discovery.

Highlights

- Updated case law throughout
- New section on the exclusion of improper impeachment evidence - § 7:8
- New sample motion to exclude speculative evidence - § 3:33
- New sample motion to exclude medical bills - § 4:154
- New sample motion to exclude that driver was unlicensed - § 10:225

Thank you for subscribing to New York Motions in Limine. Each year we make every effort to include new citations to evidence cases, particularly matters of first impression that have occurred during the past year. We hope that you find this book an invaluable tool for your practice.
