ACKNOWLEDGMENTS

The retirement of Judge Paul (Pete) Breckenridge made our Fall 2019 edition of BAJI the first edition in over forty-five years in which Pete had not been involved as a committee member or as Chairman of the committee. Pete served in the United States Navy in World War II. After the war he volunteered to assist in the testing of two nuclear explosions at Bikini Atoll in July of 1946. Pete attended Stanford University on a 6 year expedited program, where he received a BA degree in just three years and then entered Stanford Law School. Pete graduated from Stanford Law School as part of the esteemed class of 1952; which included two future members of the United States Supreme Court; Chief Justice William Rehnquist and Justice Sandra Day O'Connor. He joined the Los Angeles County Public Defenders Office in 1953, and rose to the position of Chief Deputy in 1967. Appointed to the Los Angeles Superior Court in 1968; he thereafter became a member, and later the chairman of both the civil (BAJI) and criminal jury instruction committees. When he retired in 1988, he retained his ties with both CALJIC and BAJI committees, and became the chairman of both BAJI and CALJIC when the Los Angeles Superior Court relinquished its ties with West Publishing.

Pete was more than just the chairman of both BAJI and CALJIC Committees. For over 30 years he prepared our extensive agendas with the skill, clarity and precision of a master craftsman. Pete's year round efforts included crafting agendas for both civil and criminal instructions that encompassed all the many required changes to our instructions from case law to legislative enactments. In these agendas, Pete crafted new instructions, modifications to existing instructions as well as use notes and comments to the instructions. It's largely due to Pete's work that BAJI and CALJIC instructions have withstood the scrutiny of appellate courts, have only rarely been criticized and often cited as a model for trial judges and others to follow. To members of BAJI and CALJIC committees Pete will always be "Mr. Jury Instruction."

In his more than fifty years with BAJI and CALJIC, Pete dedicated himself to producing a quality and accurate work product. For that, the bar, members of the BAJI and CALJIC committees, and Thomson Reuters are grateful.

PREFACE

For over sixty years the Los Angeles Superior Court BAJI committee provided the bench and bar with pattern jury instructions for civil trials. This outstanding committee was phased out in 2003.

The publisher has elected to continue this work with a reconstituted committee composed of former members of the committee and other outstanding members of the bench and bar, providing continuity to the ideals and goals of the original committee.

This edition contains new instructions and special verdict forms. It is the firm hope of the publisher and the committee that this updated edition will continue to be of assistance to the bench and bar.

PUBLISHER'S NOTE

These jury instructions are not officially drafted or edited by the Los Angeles Superior Court or any committee of that Court.
