

## INDEX

### A

Administration and enforcement, *see* Tax administration  
Aged, *see* Older adults

### B

Baby boomers, *see also* Older adults  
    economic need, 243  
    portrait of, 241  
BEIT, 149  
    design issues, 151  
Benson, Edgar J., *see* Benson White Paper (1969)  
Benson White Paper (1969), 4, 31  
    anti-statist opinion, 51  
    debate, 34 *et seq.*  
    letters from populace, 34  
    Pensioners Concerned, 48  
    proposals, 128  
        gross-up and credit method, 128  
        single corporate income tax rate, 128  
    twentieth century generation, 47  
Brooks, Neil  
    Osgoode Hall Law School conference on tax reform (1988), 5

### C

Canadian Protestant League's (CPL), 45  
Carter Commission, *see* Carter Report  
Carter, Kenneth LeM., *see* Carter Report  
Carter Report (1966), *see also* Tax justice  
    age exemption, proposed repeal of, 245  
    aged taxation, little mention, 239  
    collection, analysis of Report, 6  
        tax base reform, 7  
        tax justice and politics of tax reform, 6  
    comprehensive tax base, 90  
    corporate and shareholder tax integration, 116, 121  
    dependency should be recognized in tax system, 223  
    family unit of taxation recommended, 208, 221, 226, 265, *see also* In-  
        dividual and family taxation  
        child lives in one stable household until early adulthood, 231  
        concerns with Carter family unit of taxation, 273

- conjugal family relationship focus is under/over inclusive, 281
- could impose a tax on marriage, 274
- economies of scale irrelevant to tax equity, 282
- full income splitting too costly, 282
- joint taxation as disincentive for women to enter workplace, 277
- marriage penalty/marriage bonus, 275
- single's penalty, 274
- family defined as traditional nuclear family, 228
- recognition of persons supporting other relatives and disabled adult children, 232
- role of wives is housework, produce and care for children, 229
- history of, 1
- income splitting, *see* Income splitting
- international tax, 179 *et seq.*, *see also* International tax and Carter Report
- joint returns, 272
- legacy of, 6
- non-profits, 312
  - all organizations file an information return, 312
  - equalize tax treatment for-profits and for non-profits, 312
  - sort income into taxable and non-taxable categories, 312
  - standards to tax the income of non-profits, 312
- progressive tax system, 108
- purpose of Commission, 54
- recommendations, 2
- redistribution of income, 99
- settlement of tax disputes without litigation, 296
  - administrative appeals officers should be given wide powers of compromise, 296
  - compromise settlements of tax debt, 297
  - restructuring of Department of National Revenue, 296
- taxation as the just choice, 56
- taxation is a state choice, 55
- tax avoidance, 329
  - defined, 330
  - GAAR, *see* General anti-avoidance rule (GAAR)
  - legislative response needed, 334
    - administrative control approach, 336
    - shotgun approach, 335
    - sniper approach, 335
  - tax minimization vs. abusive tax avoidance, 331
- tax burden of taxpayers must be just, 57
- value-added tax (VAT), 156 *et seq.*, *see also* Value-added tax (VAT)
- Comprehensive tax base, 90

Confederation and taxation, 16  
taxing powers, 16

## D

Dependency in current tax system, 222  
Canada child tax benefit (CCTB), 223  
childcare deduction, 223  
child credit, 223  
eligible dependant credit, 222  
potential reform options  
better account for other living and support arrangements, 236  
enhanced direct funding for caregivers, 235  
more direct support for children, 236  
repeal spouse/CLP credit as it's least supportable, 235  
supporting adults with disabilities, 236  
spouse/CLP credit, 222  
DITs (Nordic), 148  
Dividend tax credit, 135  
foreign-source income of Canadian corporations, 142  
specified investment flow-through trust (SIFT) and partnership  
legislation, 137, 141  
standard subsidy rationale, 135  
taxable preferred share rules, 138  
tax-exempts and non-resident investors, 138  
Double Irish/Dutch sandwich (Google) case, 68

## E

Economic power of taxpayers, 57

## F

Fairness, *see also* Tax justice  
problem of fairness and rates of taxation, 25  
problem of immorality and cheaters, 24  
problem of inquisitorial state, 22  
progressive income tax, 28  
single tax theory, 27  
Fleming, Donald, 15

## G

General anti-avoidance rule (GAAR)  
and the Carter recommendations, 339  
defined, 338  
economic substance in, 340

- four key GAAR judgments, 338
- roles of the court and the Minister, 338
- value-shift judgments and role of economic substance, 343, 351

Gini Index, 105
