

TABLE OF CONTENTS

<i>Preface to the Fourth Edition</i>	v
<i>List of Abbreviations</i>	vii

CHAPTER 1: WHY SECURITIES ARE ISSUED, WHAT ARE THEY AND THE SCOPE OF SECURITIES REGULATION

I. Introduction	1
II. The Purpose for Which Securities Are Sold	2
III. What Are Securities?	4
IV. Main Areas of Securities Regulation	7
A. Mandatory Disclosure	7
1. Prospectus Disclosure	7
2. Continuous Disclosure	8
3. Issuer Governance	8
4. Exemptions	9
5. Reassessing the Benefit of Mandatory Disclosure	10
B. Insider Trading	10
C. Market Manipulation	10
D. Takeover Bid and Issuer Bid Regulation	11
E. Securities Industry Regulation	12
F. Investment Fund Regulation	13
G. Regulation of Derivative Securities	14

CHAPTER 2: TYPES OF SECURITIES, THE DISTRIBUTION OF SECURITIES AND TRADING IN SECURITIES

I. Introduction	15
II. Common Types of Securities	15
A. Debt Finance	16
1. Trade Credit	16
2. Accrued Liabilities	17
3. Loans	17
a. Short Term Loan	17
b. Long Term Loan	18

4.	Notes or Commercial Paper	19
5.	Bonds or Debentures	19
	a. Call	21
	b. Sinking Fund	21
	c. Convertible	22
	d. Warrant	22
B.	Equity Finance	23
	1. Share Capital	23
	2. Common (or “Ordinary”) Shares	24
	a. The Right to Vote	24
	b. The Right to Dividends	24
	c. The Liquidation Right	25
	3. Preferred Shares	26
	a. Cumulative (vs. Non-cumulative)	26
	b. Participating (vs. Non-participating)	27
	c. Conversion Rights	27
	d. Redemption/Call Provision	28
	e. Retraction Rights	28
	4. Restricted Shares	28
	5. Special Voting (or Multiple Voting) Shares	29
	6. Rights Offering	30
	7. Options	31
	a. Stock Options Created in Stock Markets	31
	b. Employee Stock Options	31
	8. Units in a Limited Partnership	32
	9. Units in Business Trusts	33
	a. Business Trusts Narrowly Defined	34
	b. What is a Trust?	34
	c. The Potential Similarity of the Business Trust Form to the Corporate Form of Association	35
	d. Common Types of Business Trusts Used in Canada	36
	10. “Units” Consisting of a Bundle of Two or More Types of Securities	40
C.	Government Securities	40
D.	Derivative Securities	41
	1. Warrants as an Example of a Derivative Security	42

2.	Derivative Securities as Risky or “Speculative” Investments	42
3.	The Use of Derivative Securities to Avoid (or “Hedge” Against) Risk	43
4.	Wide Variety of Derivative Securities	44
	a. Stock Index Options	44
	b. Interest Rate Caps	45
	c. Interest Rate Swaps	46
E.	Asset-backed Securities	48
F.	Summary	49
III.	The Distribution of Securities	50
	A. Introduction	50
	B. Direct Issue	50
	1. Direct Contacts	50
	2. Rights Offerings	51
	3. Private Placements	51
	4. Internet Offerings and Crowd Funding	52
	C. Distributions through an Underwriter	53
	1. Types of Underwriting Arrangements	53
	a. “Firm Commitment”: Bought Deal and Marketed Offering	53
	b. Best Efforts Underwriting	54
	c. Standby Underwriting	55
	d. Range of Possibilities	55
	2. Aspects of Distributions through Underwriters	55
	a. Underwriting Agreement	55
	b. Syndicated Underwriting	56
	c. Banking Groups	56
	d. Selling Group	56
	D. Summary	57
IV.	How Securities Are Traded	58
	A. Introduction	58
	B. Trading in Securities	59
	1. The Development of Stock Exchange Trading	59
	2. Trading Through the Facilities of an Exchange	64
	a. Communication	65
	b. Exchange	66

c.	Simplifying the Process	73
d.	Specialist or Registered Trader	76
e.	Electronic Securities Trading	78
3.	Trading Off the Exchange	78
a.	Private Trades	78
b.	Block Trades	79
c.	Over-the-Counter Trades	79
d.	Alternative Trading Systems	81
4.	Margin Trading	81
5.	Short Selling	83
V.	Major Investors in the Canadian Securities Market.....	83
A.	Banks	84
B.	Trust Companies	84
C.	Credit Unions and Caisses Populaire	85
D.	Insurance Companies	85
E.	Pension Funds	85
F.	Investment Funds	86
1.	Mutual Funds	86
2.	Investment Companies	87
G.	Sovereign Wealth Funds	87
H.	Individuals	87
VI.	The Internationalization of Securities Markets.....	88

CHAPTER 3: SECURITY VALUES AND SECURITIES MARKET EFFICIENCY

I.	Introduction	91
II.	How Securities Are Valued	92
A.	The Fundamentals of Security Values	92
1.	Source of Value	92
2.	Discounting	93
3.	Risk	93
a.	Generally	93
b.	Systematic and Unsystematic Risk	94
4.	Summary	95
B.	Approaches to Analyzing Securities	96
1.	Fundamental Analysis	96

2. Technical Analysis	97
III. Securities Market Efficiency	98
A. Concepts of and Factors Affecting Securities Market Efficiency	99
1. Informational Efficiency vs. Fundamental Efficiency	99
2. Factors Affecting Fundamental Efficiency	99
a. Costs of Providing, Disseminating, Gathering, and Assessing Information and Trading on it	100
b. Reducing Costs to Increase Efficiency	101
c. Efficiency and the Value of Securities Available for Trading	102
d. Value of Funds Managed and the Incentive to Gather and Assess Information and Trade on it	102
e. Securities Prices as Averages of Estimates of Securities Values	103
B. How Efficient Are Securities Markets?	104
1. Weak Form Efficiency (Patterns vs. Random Walks)	104
2. Semi-Strong Form	108
3. Strong Form Efficiency	109
4. Issues in the Evidence on Securities Market Efficiency	111
a. The Joint Hypothesis Problem	111
b. Anomalous Results	113
c. Fundamental vs. Informational Efficiency	115
d. Application to Smaller, Less Liquid Securities Markets	116
5. Possible Explanations of the Anomalous Evidence	117
a. Explanations of the Anomalies	117
b. A “Noise” Theory of Deviations from Fundamental Values — Behavioural Finance Explanations	119
c. Market Microstructure	124
IV. The Significance of Securities Market Efficiency for Securities Regulation	125
A. A Policy Perspective	126
1. Assumes a Concept of Securities Value	126
2. Assumes Primarily Fundamental Analysis	126
3. Assumes Securities Markets are Reasonably Efficient in Causing Securities Prices to Reflect their Values	127

4. Assumes Securities Markets Are Not Efficient in the Production of Information	127
5. Securities Market Efficiency Used to Justify Aspects of Securities Regulation	127
B. A Practical Perspective	128

CHAPTER 4: A SHORT HISTORY OF SECURITIES REGULATION IN ENGLAND, THE UNITED STATES AND CANADA

I. Introduction	131
II. Early Evidence of Securities and Securities Markets	132
III. Pre 20th Century History of Securities Regulation in England	133
A. Development of Securities Markets in England	133
B. Early Securities Regulation in England	135
1. Licencing of Stock Brokers and Restrictions on Securities Options, Futures and Short-selling	136
2. The South Sea Company Bubble — Restrictions on the Issuance of Securities	137
3. Mandatory Disclosure	140
4. Statutory Civil Liability for a Misrepresentation in a Prospectus	142
IV. History of Securities Regulation in the United States	143
A. Early Development of Securities Markets in the U.S.	143
B. Pre 20th Century Securities Regulation in the U.S.	143
C. Early 20th Century Securities Regulation in the U.S.	144
D. Broker Self-regulation in the U.S.	146
V. Canadian History of Securities Regulation to 1978	148
A. Early Developments	148
1. Early Trading and Associations of Brokers	148
2. Early Prospectus Disclosure Requirements	149
3. Statutory Liability for Misrepresentations in a Prospectus	150
4. Early Blue Sky (or Merit) Regulation	151
5. Fraud Prevention Acts	151
6. Prospectus Disclosure and Broker Registration Requirements from the 1930s to the early 1960s	152
B. The Kimber Report	157
C. The Merger Report and the “Closed System”	158

D. Interprovincial Cooperation	158
--------------------------------------	-----

CHAPTER 5: PURPOSES, CONSTITUTIONAL DIVISION OF POWERS, AND SOURCES OF SECURITIES REGULATION

I. Introduction	161
II. The Purposes of Securities Regulation	161
A. Investor Protection	163
B. Optimal Allocation of Financial Resources	163
C. The Link between Investor Protection and the Optimal Allocation of Financial Resources	164
D. Achieving Objectives by Promoting Confidence in the Market	165
1. Public Confidence-in-the-market	165
2. The Link between Confidence in the Secondary Market and Confidence in the Primary Market	165
3. Allocation of Savings to Investment Promoting Economic Growth	166
E. Not at Excessive Cost	166
F. The Method of Achieving Public Confidence-in-the-market and the Optimal Allocation of Financial Resources	166
G. The Reduction of Systemic Risk	167
III. Constitutional Division of Powers in Relation to Securities Regulation	168
A. Provincial Regulation	168
B. Efforts to Create a National Securities Regulatory Regime ...	172
1. Early Proposals to 1996	172
2. The Proposed Federal <i>Canadian Securities Act</i>	173
a. Discussion Papers Arguing for a Federal Securities Regulatory Structure for Canada	173
b. The Proposed Canadian Securities Act and the Supreme Court of Canada Constitutional Reference	175
3. The Cooperative Capital Markets Regulatory System	176
IV. Main Sources of Securities Regulation	180
A. Securities Legislation and Related Sources	180
1. Provincial and Territorial Securities Acts	180
2. Provincial Regulations and Rules	182
3. National and Multilateral Instruments	186
4. Policy Statements	186

5. Notices	188
6. Memoranda of Understanding	188
7. Decisions and Rulings	189
8. Blanket Orders	189
9. A Note on Uniform Policy Statements	190
10. Bulletins and Websites	191
B. Securities Exchanges and Self-regulatory Organizations	191
1. Securities Exchanges	192
2. Self-Regulatory Organizations	193
3. Securities Regulatory Authority Review	193
C. The International Organization of Securities Commissions ...	194

CHAPTER 6: THE PROSPECTUS REQUIREMENT

I. Introduction	197
II. Overview of the Contents of a Prospectus.....	198
III. When a Prospectus is Required	201
IV. The Meaning of “Security”	202
A. The Definition of “Security” in the Act	202
1. Common Types of Securities	203
a. Any Bond, Debenture, Note or Other Evidence of Indebtedness, Share	203
b. Any Document Constituting Evidence of an Option, Subscription or Other Interest in or to a Security	208
c. Proportionate Interest in a Specified Portfolio	208
d. Any Document, Instrument or Writing Commonly Known as a Security	209
2. Less Common Securities	209
3. Catch-all Provisions	210
B. The Meaning of an “Investment Contract”	212
1. SEC v. C.M. Joiner Leasing Corporation Joiner Leasing Corporation	213
2. SEC v. W.J. Howey Co.	215
3. Hawaii Commissioner of Securities v. Hawaii Market Center Inc.	217
4. Pacific Coast Coin Exchange of Canada v. Ontario (Securities Commission)	219

5.	The Restated <i>Howey</i> Test and the Potential Continuing Relevance of the <i>Hawaii</i> Test	222
C.	Summary	224
V.	The Meaning of “Trade”	224
A.	Sale for Valuable Consideration	225
B.	Trades on Behalf of Others	225
C.	Pre-Sale Activities — Acts in Furtherance of a “Trade”	226
D.	Open-ended Nature of the Definition	228
VI.	The Meaning of “Distribution”	228
A.	Trade in Securities Not Previously Issued	228
B.	Resale of Securities Returned to the Issuer	230
C.	Sales by Control Persons	231
D.	Deemed Distributions on Resale	232
VII.	The Distribution Process.....	232
A.	The “Waiting Period”	232
B.	Vetting of the Preliminary Prospectus	233
C.	Comment Letter and Clearance Period	234
D.	Limitations on Selling Activities During the Waiting Period	235
1.	The General Principle	235
2.	Issuer and Underwriter Concerns and the Canadian Securities Administrators’ Response	236
E.	“Testing the Waters” for an Initial Public Offering	238
F.	Requirements on Distribution — Delivery of Prospectus and Cooling-off Period	240
G.	Amendment of Prospectus and Lapse of Prospectus	242
H.	National Offerings	242
I.	Canada-U.S. Multi-jurisdictional Offerings	243
J.	Blue-Sky (or “Merit”) Discretion	243
VIII.	Consequences of Failure to File or Deliver Prospectus	246
A.	Failure to Deliver a Prospectus	246
1.	Penal Sanction	246
2.	Administrative Sanctions	247
3.	Civil Sanctions	247
B.	Failure to File the Prospectus	248
1.	Penal Sanction	248
2.	Administrative Sanctions	248

3. Civil Sanction	249
a. Statutory Civil Action?	249
b. Common Law Sanction	250

CHAPTER 7: CIVIL LIABILITY FOR A MISREPRESENTATION IN A PROSPECTUS

I. Introduction	253
II. The Common Law Position	253
A. Contractual Claims	253
B. Tort Claims	255
1. Fraudulent Misrepresentation or Deceit	255
2. Negligent Misstatement	256
III. Statutory Civil Liability	259
A. Expansion on Common Law Liability	259
B. What the Plaintiff Must Show	260
1. Misrepresentation	261
a. Untrue Statements, Omissions and Half-truths	261
b. Forecasts	261
2. Proof of Reliance not Required	266
C. Persons Liable	267
D. Defences	268
1. Issuer's Defences	269
2. Defences for Directors, Underwriters and Persons Signing the Prospectus	269
3. Experts' Defences	270
4. The Statutory Standard of Reasonableness	271
5. Defence Concerning Forward-looking Information	271
E. Damages	273
F. Limitation Period	273
G. Common Law Rights Preserved	273
IV. The Due Diligence Defence	274
A. Some Cases Considering the Due Diligence Defence	274
1. Escott v. BarChris Construction Corporation	275
a. The Facts	275
b. Expertized Portion is Not the Entire Prospectus	276
c. Liability of Directors and Officers	277

TABLE OF CONTENTS

xix

d.	Liability of the Underwriters	280
e.	Liability of the Auditors	281
f.	Summary of the Key Points in BarChris that are Likely to also Apply in Canada	281
2.	Feit v. Leasco	282
3.	Kerr v. Danier Leather Inc.	284
4.	Re YBM Magnex International Inc.	284
B.	The Role of the Securities Lawyer	288
V.	Other Statutory Sanctions	291

CHAPTER 8: CONTINUOUS DISCLOSURE

I.	Introduction	293
II.	Importance, Purpose and Competing Concerns	294
A.	History of Increasing Emphasis on Secondary Market Disclosure	294
B.	The Primary Purpose of Continuous Disclosure	295
C.	Other Benefits of Continuous Disclosure	296
D.	Competing Concerns	296
E.	Summary	298
III.	Reporting Issuers	298
IV.	Financial Statements	300
A.	Annual Financial Statements	300
B.	Interim Financial Statements	301
C.	Delivery of Financial Statements	303
D.	Statements Prepared According to GAAP	304
E.	Audit by Auditor Subject to Auditor Oversight	305
F.	Exemptions	305
1.	Deviation from GAAP	305
2.	Conflict with Laws of Another Jurisdiction	306
3.	Specific Omissions from Disclosure	307
4.	Consistency of Reporting	307
5.	General	308
V.	Management Discussion and Analysis	308
VI.	Annual Information Form	312
VII.	Proxy/Information Circulars	313
A.	Proxy Solicitation Requirements	314

B.	Information Required	316
1.	General Information Circular Requirements	316
2.	Executive Compensation Disclosure in the Proxy Circular	317
3.	Corporate Governance Disclosure	321
C.	Exemptions	321
1.	Automatic Exemptions	321
a.	<i>De Minimus</i> 15 Shareholder Test for Non-management Solicitations of Proxies	322
b.	Compliance with Substantially Similar Laws of Another Jurisdiction	322
c.	Forwarding of Meeting Materials by Intermediary Registered or Beneficial Owners	323
d.	Requests by Beneficial Owners of Securities that Intermediary Registered or Beneficial Owners of Securities Execute a Form of Proxy	323
e.	Other Circumstances in which an Information Circular is Not Required	324
2.	Discretionary Exemptions	325
D.	National Instrument 54-101	326
VIII.	Certification of Annual And Interim Disclosure by the Chief Executive Officer and Chief Financial Officer	330
IX.	Business Acquisition Reports	332
X.	Insider Reports	335
A.	The Reporting Obligations	335
B.	Meaning of “Insider”	337
C.	Meaning of “Reporting Insider”	339
D.	System for Electronic Disclosure by Insiders	341
XI.	Timely Disclosure	342
A.	Material Information Reporting Requirements	342
1.	Reporting of “Material Changes”	342
2.	Extension to “Material Facts”	343
3.	Determining what must be Reported	347
4.	Securities Regulatory Authority and Court Pronouncements on what is Considered “Material” and what is Considered a “Change”	350
a.	Change in the “Operations, Business or Capital”	350
b.	Materiality	352

B.	Proposed Changes, Detrimental Information and Confidential Reporting	356
1.	Unduly Detrimental	357
2.	Proposed Changes	357
a.	Reasonably Probable Confirmation by the Board of Directors	357
b.	Confidential Disclosure and Insider Trading	358
C.	The Process of Disclosure	358
XII.	Best Disclosure Practices	359
XIII.	Multi-Jurisdictional Disclosure System	359
XIV.	System for Electronic Document Analysis and Retrieval (“SEDAR”)	360

CHAPTER 9: CORPORATE GOVERNANCE REQUIREMENTS IN CANADIAN SECURITIES REGULATION

I.	Introduction	365
II.	Background	367
A.	The Dey Report and the Toronto Stock Exchange Guidelines	367
B.	Response to the Enactment of the <i>Sarbanes-Oxley Act of 2002</i> in the United States	369
III.	Corporate Governance Disclosure Requirements and Guidelines	371
A.	Corporate Governance Disclosure Requirements	371
1.	Issuers other than Venture Issuers	374
2.	Venture Issuers	379
3.	Comply or Explain Disclosure Approach to Corporate Governance	382
B.	Corporate Governance Guidelines	383
1.	Composition of the Board and Meetings of Independent Board Members	383
2.	Board Mandate	383
3.	Position Descriptions	384
4.	Orientation and Continuing Education	384
5.	Code of Business Conduct and Ethics	384
6.	Nominating of Directors	385
7.	Compensation Committee	386
8.	Regular Board Assessments	387

9. Enforcement	387
IV. Auditor Oversight and the Audit Committee	388
A. Auditor Oversight	388
B. Audit Committees	390
1. Issuers that are not Venture Issuers	391
2. Venture Issuers	393
3. Audit Committee Authority	395
4. Discretionary Exemption	396
V. Disclosure Controls and Procedures, and Internal Control Over Financial Reporting	396
VI. Some Other Governance Issues	398
A. Potential Scope for Case-by-case Orders related to Corporate Governance Issues	398
B. Current Issues that may lead to further Securities Regulation directed toward Corporate Governance	400
C. Potential Difference in Securities Regulation of Corporate Govern- ance and Court Approach to Corporate Governance	402

CHAPTER 10: SECONDARY MARKET DISCLOSURE SANCTIONS

I. Introduction	405
II. Penal and Administrative Sanctions	405
A. Penal Sanctions	405
B. Administrative Sanctions	406
III. Common Law Civil Sanctions	407
IV. Statutory Civil Sanctions Relating to Secondary Market Disclosure	409
A. Various Issues that needed to be Addressed	411
1. Coverage and Basis for Liability: Which Disclosures? Failure to Disclose?	411
a. Which Disclosures?	411
b. Failure to Disclose?	411
2. What should the Plaintiff be Required to Prove?	412
a. Proof of Reliance?	412
b. Should a Plaintiff be Required to Prove Negligence or Causation?	412
3. Who should be Liable for a Misrepresentation or Failure to Disclose?	413

4.	What Defences?	413
5.	Should there be a Limit on Damages?	415
6.	Control against Unwarranted Litigation or Settlement?	417
B.	The Legislative Response	418
1.	Distinction between Documents, Core Documents, and Public Oral Statements in the Context of Actions for Misrepresentations in Secondary Market Disclosures	419
2.	What the Plaintiff Must Prove to Establish a Claim	421
a.	Elements of the Various Actions	421
b.	No Proof of Reliance Required	425
c.	No Proof of Negligence or Causation	425
3.	Persons Liable for a Misrepresentation or Failure to Disclose	425
a.	Misrepresentation in a Document Released by the Issuer or a Person acting on Behalf of the Issuer	426
b.	Misrepresentation in a Public Oral Statement Made on Behalf of the Issuer	427
c.	Misrepresentation in Document Released, or in a Public Oral Statement Made, by or on Behalf of an Influential Person	428
d.	Failure to Make Timely Disclosure	429
4.	Defences	429
a.	Plaintiff's Knowledge	430
b.	Due Diligence	430
c.	Court Consideration of the Presence of a System to Ensure Continuous Disclosure Compliance and Other Factors	430
d.	Reliance on Expert's Report	431
e.	Non-consent and Corrective Action	432
f.	Expert Withdrawal of Consent	432
g.	Reliance on Disclosure by Other Issuers or Public Official	432
h.	Confidential Disclosure	433
i.	Protection for Forward-looking Information	434
j.	Non-causation: Not Liable for Damages Unrelated to Misrepresentation or Failure to Disclose	435
5.	Limit on Damages and Proportionate Liability	436
a.	Limits on Damages	436

b. Proportionate Liability	437
6. Court Leave to Proceed with an Action and to Discontinue, Abandon or Settle an Action	438
7. Limitation Period	439
8. Statutory Civil Liability Where Documents Incorporated by Reference in a Prospectus	440

CHAPTER 11: EXEMPTIONS FROM THE PROSPECTUS REQUIREMENT

I. Introduction	441
II. The Closed System Concept	442
A. Weaknesses in the System Prior to the Closed System	442
1. Uncertainty Associated with the Meaning of “to the public”	442
2. Continuous Disclosure Requirements	444
B. The Closed System Response	445
1. Response to Uncertainty and Gap in Regulation	445
2. The Concept of the Closed System	446
a. Trading Within the Closed Market	446
b. Trading Outside the Closed Market	446
C. Resale Restrictions	449
1. Deemed Distribution	449
2. The Conditions for Resale Without a Prospectus or Reliance on an Exemption	449
a. Reporting Issuer and the Seasoning Period	450
b. The Restricted Period	451
c. Legend	452
d. No Unusual Effort to Prepare the Market	452
e. No Extraordinary Commissions or Consideration	453
f. Not in default	453
III. Reasons for Exemptions.....	454
A. No Need to Know	455
1. Institutional Investors and other Sophisticated Investors	455
2. Large Purchases	456
3. Wealthy Investors	456

TABLE OF CONTENTS

xxv

4.	Close Connection with the Issuer (or “Common Bonds”)	457
B.	Little or No New Information	458
1.	Rights Offering	458
2.	Stock Dividends	460
3.	Reinvestment Plans	461
C.	Information Provided in other Documents	461
1.	Takeover Bids	461
2.	Amalgamations	462
D.	Safe Investments	462
E.	Usual Prospectus Information and Continuous Disclosure may not be Helpful	463
F.	Small Number of Investors and Small Monetary Value	463
G.	Small Business / Venture Capital	464
H.	Regulated Under another Regulatory Regime	470
I.	Modified Disclosure based on Continuous Disclosure and Possibly also Evidence of Market Following	470
J.	Promotion of Specific Investments or Activities	472
IV.	Examples of Specific Exemptions	472
A.	Capital Raising Exemptions	473
1.	Rights Offering	473
2.	Accredited Investor	476
a.	Exempt Institutions	477
b.	Registered Dealers and Advisors	478
c.	Designated Accredited Investors	479
d.	Investment Accounts Managed by Trust Companies or Portfolio Managers	479
e.	Investment Funds	480
f.	Registered Charities	481
g.	Significant Income or Wealth	481
h.	Persons Owned by Accredited Investors	482
3.	Private Issuer	482
4.	Family, Friends and Business Associates	487
5.	Affiliates	488
6.	Offering Memorandum	490
7.	Minimum Amount Investment	493
8.	Crowd-Funding Exemptions	494

a.	The Multilateral Instrument 45-108 Integrated Crowd-funding Exemption	496
b.	The Start-up Crowd-funding Exemption	504
B.	Transaction Exemptions	508
1.	Business Combination and Reorganization	509
2.	Asset Acquisition	510
3.	Issuer Acquisition or Redemption	510
4.	Takeover Bids and Issuer Bids.....	511
C.	Investment Fund Exemptions	512
D.	Employee, Executive Officer, Director and Consultant Exemptions	512
E.	Control Block Exemptions	516
F.	Miscellaneous Exemptions	517
1.	Isolated Trades	518
2.	Dividends and Distributions	518
3.	Underwriters	519
4.	Government Issued or Government Guaranteed Debt	520
5.	Short-term Debt	521
6.	Variable Insurance Contracts and Mortgages	522
7.	Not for Profit Educational, Benevolent, Fraternal, Charitable, Religious, or Recreational Purposes	524
8.	Exercise of Conversion, Exchange or Purchase Rights ...	524
G.	Other Exemptions	525
H.	Reporting Requirement	526
I.	Exemption Orders	527

**CHAPTER 12: ALTERNATIVE PROSPECTUS PROCEDURES:
SHORT FORM, SHELF, AND PREP PROSPECTUSES AND THE
MULTI-JURISDICTIONAL DISCLOSURE SYSTEM**

I.	Introduction	529
II.	The Origins of the Short Form Prospectus and Shelf Offerings ...	529
III.	The Short Form Prospectus	531
A.	The Concept	531
B.	The Eligibility Criteria	533
1.	The Basic Qualification Criteria	534
a.	The Criteria	534
b.	The Reasons for the Criteria	535

2.	Alternative Criteria for Designated-rating Non-convertible Securities	537
a.	The Criteria	237
b.	Reasons for the Alternative Criteria	538
3.	Alternative Qualification Criteria for Issuers of Guaranteed Non-convertible Debt Securities, Preferred Shares and Cash Settled Derivatives	539
a.	The Criteria	539
b.	Reasons for the Alternative Criteria	540
4.	Alternative Criteria for Issuers of Guaranteed Convertible Debt Securities or Preferred Shares	541
a.	The Criteria	541
b.	Reasons for the Alternative Criteria	541
5.	Alternative Qualification Criteria for Issuers of Asset-backed Securities	542
a.	The Criteria	542
b.	Reasons for the Alternative Criteria	542
C.	The Short Form Prospectus	543
D.	Civil Liability	543
E.	Solicitations of Expressions of Interest	544
IV.	The Shelf Offering Prospectus	546
A.	A Brief Description of Shelf Offerings	546
B.	The Origins of Shelf Offerings in Canada	547
C.	Description of the Shelf Offering Procedure	548
1.	Eligibility	548
2.	Disclosure	548
a.	Continuous Disclosure Information	548
b.	The Base Shelf Prospectus	549
c.	The Shelf Prospectus Supplement	550
d.	Prospectus Certificates	551
3.	Market Following	552
4.	Variable Term Debt Securities	552
5.	At-the-market Distributions	553
6.	Distributions of Novel Derivatives and Asset-backed Securities	554
7.	Civil Liability	555
V.	PREP Procedures	556
A.	General Description	556

B.	Eligibility	558
VI.	Assumptions and Concerns with the Short Form and Shelf Prospectus Procedures and the PREP Procedures	558
A.	The Principle Behind the Short Form Prospectus and Shelf Prospectus Procedures	558
B.	Concerns with the Short Form, Shelf and PREP Procedures	560
1.	Due Diligence and Statutory Civil Liability for Continuous Disclosure	560
2.	Favours Larger Issuers	561
3.	Favours Larger Underwriters	562
VII.	An Integrated Disclosure System	562
VIII.	The Multi-jurisdictional Disclosure System	565
A.	Reasons for the Multi-jurisdictional Disclosure System	565
B.	Permitted Offerings Using U.S. Documentation	566
C.	The Mechanics of an MJDS Offering	568
D.	Additional Canadian Disclosure	569

CHAPTER 13: MANDATORY DISCLOSURE AND MERIT DISCRETION: A RECONSIDERATION

I.	Introduction	571
II.	Some Evidence on the Effects of Mandatory Disclosure	571
A.	New Issue (or Prospectus) Disclosure	572
1.	Stigler	572
a.	Analysis of Price Effects	572
b.	The Analysis of the Effect on Risk	573
2.	Jarrell	574
a.	Method	574
b.	Effect on Price	575
c.	Effect on Risk	575
3.	Simon	575
a.	Method	575
b.	Effect on Price	576
c.	Effect on Risk	576
B.	Secondary Market Disclosure — Financial Statements	577
C.	Comments on the Studies and Further Evidence	577
III.	Is Mandatory Disclosure Worthwhile?	580

A.	Adverse Selection (and its Connection to “Confidence in the Market”)	581
1.	The Concept of Adverse Selection and How Lower Quality Drives Out Higher Quality	581
2.	Adverse Selection in the Securities Market	582
3.	Connection to Confidence in the Market	584

1.	Independent Reviews of Issuer Representations	585
2.	Management Share Ownership	585
3.	Taking on Debt	586
4.	High Payout Policy	586
C.	Issuers Will Have an Incentive to Make the Appropriate Level of Disclosure	586
D.	Market Failures as a Justification for Mandatory Disclosure	587
1.	The Market Failure Arguments	587
a.	Too Little Information	588
b.	Investors Overinvest in Production of Information ...	589
2.	Responses to the Market Failure Arguments	590
3.	Social Gains from Reducing Security Price Inaccuracies	591
4.	Standardization of Information Presentation	594
5.	Credible Commitment Theory	594
6.	Behavioural Economics Evidence of Irrational Behaviour as Support for Mandatory Disclosure?	597
E.	More Recent Empirical Evidence — Effects of Securities Laws on Securities Markets	597
IV.	Proposals for Reform	598
A.	Changes in Emphasis of Mandatory Disclosure	598
1.	Focus on the Secondary Market and Sophisticated Investors	598
2.	Future-Oriented and Market Disclosure	600
3.	Change of Emphasis re Liability and Enforcement	601
4.	Agency Cost Emphasis Not Accuracy Enhancement	602
5.	Permitting Silence and Lying	603
6.	Changing the Definition of which Firms Should be Subject to Mandatory Disclosure	604
7.	Controlling for Excessive Disclosure Costs	605

8.	More Disclosure	606
B.	Issuer Choice Proposals	606
C.	Regulation by Securities Exchanges	610
D.	Investor Regulation	611
E.	Reduced and Better Disclosure Based on Investor Behaviour Theory	611
F.	Supplementing Mandatory Disclosure with more Substantive Controls to Govern Corporate Behaviour	613
G.	Social Disclosure	613
V.	Interest Group Theories	614
A.	Possible Interest Group Influences	615
B.	Interests within Securities Regulatory Organizations	616
C.	Use of Rhetorical Conventions	618
VI.	Merit Discretion	619
A.	Critique of Merit Discretion	619
B.	An Interest Group Theory of Merit Discretion	619

CHAPTER 14: INSIDER TRADING

I.	Introduction	621
II.	The Perceived Problem and the Approach in Canadian Securities Acts	622
III.	Canadian Securities Acts and the Regulation of Insider Trading	624
A.	What, When, Who and How?	624
1.	What is Prohibited?	624
2.	When Does the Prohibition Apply?	624
3.	Who is Prohibited from Trading or Informing?	625
4.	How the Prohibition is Enforced	630
a.	Penal Sanctions	630
b.	Civil Actions	637
c.	Actions by or on Behalf of the Reporting Issuer	641
d.	Administrative Sanctions	643
e.	Insider Reporting	644
IV.	The <i>Criminal Code</i> Insider Trading Prohibition Compared to Provincial Securities Acts	645
A.	What is Prohibited?	645

1.	Issuers vs. Reporting Issuers	662
2.	Types of Securities	663
H.	The Likely Impact of the <i>Criminal Code</i> Provision and the Purpose It Might Serve	664

CHAPTER 15: A RECONSIDERATION OF THE PROHIBITION OF INSIDER TRADING

I.	Introduction	667
II.	Detection and Enforcement Problems	667
A.	Detection Problems	668
B.	Enforcement Problems	669
1.	Circumstantial Evidence	670
2.	Penal Sanctions, the Burden of Proof and Compellability	671
3.	Civil Action for Damages	671
4.	Civil Action for Accounting	672
5.	Administrative Sanctions	673
C.	Summary	673
III.	Insider Trading as a “Victimless Crime”	674
A.	Anonymous Trading	674
B.	“Market Orders”	675
C.	“Limit Orders”	676

D.	Persons Trading in the Opposite Direction	677
E.	If Insiders Gain Someone Loses	677
IV.	Is Insider Trading Detrimental or Beneficial?.....	678
A.	Superior Compensation	680
1.	Manne's Argument	680
2.	Responses to Manne and Replies.....	680
a.	Windfalls	680
b.	Perverse Performance Incentives	681
c.	Hoarding	682
d.	Moral Hazard	682
3.	Adverse Selection (or Management Signaling) Argument for Insider Trading as a Superior Manager Compensation ...	683
B.	More Efficient Pricing	684
1.	The Argument	684
2.	Responses	685
C.	The Implications of Pre-regulation Non-prohibition	686
1.	The Argument	686
2.	Responses and Replies	687
a.	Persistent Advantage Taking	687
b.	Non-Prohibition May Indicate High Enforcement Costs	688
c.	A Public Enforcement Advantage	688
V.	An Interest Group Explanation of the Prohibition of Insider Trading	690
VI.	Mathematical Models and Empirical Evidence	691
A.	Mathematical Modeling	691
B.	The Empirical Evidence	694
1.	Indirect Empirical Evidence	694
2.	More Recent Empirical Evidence	694
a.	The Effect of Insider Trading on Executive Compensation	694
b.	The Effect of Insider Trading on Securities Prices	696
c.	The Effect of Insider Trading on Market Liquidity	697
d.	Empirical Assessments of the Effects of Insider Trading in Different Countries	698
C.	Conclusion on Mathematical Modelling and Empirical Evidence	702

VII. Summary	702
--------------------	-----

CHAPTER 16: MARKET MANIPULATION

I. Introduction	705
II. Types of Market Manipulation	707
A. Wash Sales	707
B. Matched Orders	709
C. Dissemination of False Information	710
D. Trading in Advance of Favourable or Unfavourable Commentary (“Scalping”)	710
E. False Market Signals from High Volume Trading	711
F. Insider Trading as a Form of Market Manipulation	712
III. The Regulation of Market Manipulation under Canadian Securities Legislation and the <i>Criminal Code</i>	714
A. Wash Sales and Matched Orders	714
B. Dissemination of False Information	715
C. Trading in Advance of Favourable or Unfavourable Commentary (“Scalping”)	716
D. False Market Signals from High Volume Trading	717
E. General Market Manipulation Provisions	718
F. Sanctions for Violations of Provincial Securities Act Market Manipulation Provisions	720

CHAPTER 17: TAKEOVER BID AND ISSUER BID REGULATION

I. Introduction	723
II. Background on Takeovers and Takeover Bids	723
A. What is a Takeover?	724
B. Methods of Effecting a Takeover	724
C. Friendly and Hostile Takeovers	725
D. What is a “Takeover Bid” (or “Tender Offer”)??	725
III. Reasons for Takeover Bid Regulation	727
A. Insufficient Information/Gap in Disclosure Requirements	728
B. Insufficient Time to Respond	729
C. “First-Come First-Served” Offers Put Undue Pressure on Security Holders to Tender Early	729
D. Lock-Up of Tendered Securities	729

E.	Unequal Consideration	731
F.	Looting	731
G.	Other Concerns	733
1.	Take-up and Payment	733
2.	Bidder Purchases of Target Securities in the Market During the Bid Period	733
3.	Bidder Sales During Bid Period of Target Securities taken up Under the Bid	733
4.	Pressure on Target Security Holders to Tender	734
5.	Opportunity for Target Directors to Comply with Corporate Stakeholder Fiduciary Duties	735
IV.	An Outline of Takeover Bid Regulation	735
A.	The Basic Rules	736
1.	Commencing a Takeover Bid	736
2.	Provides Information — Disclosure Requirements	737
3.	Time to Assess the Information — Minimum Bid Period	741
4.	First-come First-served Offers Prohibited	741
5.	Lock-up Prevented — Withdrawal Rights	742
6.	Unequal Consideration Prohibited	743
7.	Looting — Formal Valuation Requirements	743
a.	Corporate Law Constraints	743
b.	Multilateral Instrument 61-101 (Ontario and Quebec)	744
8.	Other Concerns Dealt With	748
a.	Financing	748
b.	Take-up and Payment	748
c.	Purchases During Bid Period	749
d.	Sales During the Bid Period	750
e.	Pressure to Tender	750
B.	When the Rules Apply	752
1.	The Definition of “Takeover Bid”	752
2.	Exceptions to the Application of the Takeover Bid Rules	753
a.	“Normal Course” Purchases	754
b.	Private Agreement Exemption	754
c.	Non-reporting Issuer Exemption	756
d.	Foreign Takeover Bid Exemption	756

e.	<i>De Minimis</i> Exemption	757
f.	Exemption Applications	758
C.	Anti-Avoidance Provisions	758
1.	Acting Jointly or in Concert	759
2.	Rights to Acquire Securities in the Future	761
3.	Direct or Indirect Offers	762
4.	Linked Bids — Pre-bid and Post-bid Acquisitions	763
D.	“Early Warning” Disclosure	763
E.	Applications to a Securities Commission or Court	765
V.	Takeover Bid Defences and Takeover Bid Regulation	766
A.	Some Typical Defences	766
B.	Court Challenges to the Validity of Takeover Bid Defences	769
1.	Basis of Action and Standing to Sue	770
2.	The “Proper Purpose” Test	772
3.	The “Best Interests” Test	773
4.	Proportionality Test — Reasonable in Relation to the Threat Posed and Shareholder Approval	774
C.	National Policy 62-202 and Securities Regulatory Authority Responses to Defensive Tactics	776
D.	Response of Securities Commissions to Poison Rights Plans	777
1.	The Questions to be Addressed (the “Regal Test”)	779
2.	The Significance of Security Holder Approval	780
3.	The Significance of Not Having Security Holder Approval	780
4.	Factors Approach	782
5.	The Question of <i>If</i> or <i>When</i> a Rights Plan Should Go ...	783
6.	Rights Plans After Amendments to National Instrument 62-104	787
7.	2013 Proposed National Instrument on Rights Plans Not Adopted	788
VI.	Issuer Bid Regulation	790
A.	The Basic Rules	790
B.	Exemptions from Issuer Bid Requirements	794
1.	Pre-Arranged Acquisitions	794
2.	Security Holder Controlled Acquisition	795

3. Employee, Executive Officer, Director and Consultant Exemption	795
4. Non-reporting Issuer Exemption	795
5. <i>De Minimis</i> Exemption	796
6. Designated Stock Exchange Issuer Bids	796
7. Normal Course Issuer Bid Exemption	797
8. Foreign Issuer Bid Exemption	797
9. Exemption Order	798

CHAPTER 18: THE TAKEOVER BID REGULATION POLICY DEBATE

I. Introduction	799
II. Motivations for Takeovers	799
A. Inefficient Management	800
B. Synergy	800
C. Market Power	800
D. Tax Considerations	800
E. Undervaluation	800
F. Empire Building (or “Managerialism”)	801
G. Looting (or “Expropriation”)	801
H. Hubris	802
III. The Argument Against Takeover Bid Regulation	802
IV. Arguments in Favour of Takeover Bid Regulation and Related Empirical Evidence	808
A. Non-socially Beneficial Takeovers	809
1. Undervaluations	809
2. Reduced Competition	811
3. Empire Building or Managerialism	812
4. Hubris	813
5. Expropriation Theories	814
B. Social Efficiency Benefits of Competitive Bidding	817
V. Some Alternative Approaches to Takeover Bid Regulation	818
A. The “Undistorted Choice” or “Sole Shareholder” Approach	819
B. A Corporate Charter Approach	821

CHAPTER 19: Securities Industry Regulation

I.	Introduction	825
II.	What the Securities Industry Does	826
	A. The Basic Functions of the Securities Industry	826
	1. Channelling Savings to Investment	826
	2. Facilitating Trading	827
	B. Investment Banking	829
	1. Underwriting	829
	a. Financial Advice	829
	b. Insurance Against Market Price Fluctuations	830
	c. Marketing Services	830
	d. Underwriting Helps Allocate Savings to Investment	830
	2. Mergers and Acquisitions	831
	3. Market Making	831
	C. Brokerage	831
	D. Dealing	831
	E. Advising	832
	1. Investment Counselling	832
	2. Market Commentaries	833
	3. Portfolio Management	833
	F. Securities Firms	833
	G. Securities Exchanges	833
	H. Alternative Trading Systems	834
	I. Depository Institutions	834
	J. Clearing Agencies	835
	K. Credit Rating Organizations	836
III.	Problems in Securities Industry Activities	837
	A. Financial Responsibility and the Risk of Securities Firm Business Failures (Solvency)	838
	B. Honesty (or Integrity)	839
	1. Conflicts of Interest	839
	a. Across Securities Firm Departments	839
	b. Other Financial Institution Relationships	840
	c. Other Related Party Transactions	841
	d. Use of Inside Information	842

e. Conflicts Within Specific Services	842
2. Pressure Selling	843
C. Professional Competence (or Proficiency)	843
IV. An Outline of the Regulation of Securities Firms and Their Representatives	845
A. Registration	845
1. Who Must Register	845
2. Subcategories of Registration for Individuals	847
3. Subcategories of Registration for Firms	847
4. “Business Trigger” for Registration as a Dealer or Adviser	849
5. Application for Registration and the Discretion of the Administrator	853
6. Suspension and Revocation of Registration	855
7. Surrender of Registration	857
8. Exemptions from the Registration Requirement	857
B. Responses to Financial Responsibility (or Solvency) Concerns	860
1. Minimum Net Free Capital	861
2. Bonding or Insurance	862
3. Financial Disclosure to Regulator	863
4. Compensation Fund	863
5. Know Your Client	863
6. Competence	864
C. Responses to Honesty (or Integrity) Concerns	864
1. Conflicts of Interest	864
a. The General Requirement	864
b. Some Specific Conflicts of Interest	869
c. Other Conflicts of Interest	876
2. Handling of Client Accounts	879
a. Disclosure Requirements	879
b. Fairness in Allocating Investment Opportunities	886
c. Selling or Assigning Client Accounts	886
d. Custodial Requirements	886
3. Pressure Selling	890
D. Professional Competence (or Proficiency)	892
1. Education and Experience Requirements	893

TABLE OF CONTENTS

xxxix

2.	Know Your Client and Suitability Requirements	894
E.	Compliance, Complaint Handling and Enforcement	895
1.	Firm Level Promotion of and Monitoring of Compliance with Securities Regulation	895
