Chapter 1: Definitions	1
Assistance	1
General Overview	1
Definition	1
Bitumen Mine Development Project.....	4
General Overview	4
Definition	5
Bitumen Upgrading Development Project	7
General Overview	7
Definition	7
Canadian Development Expense (“CDE”)	9
General Overview	9
Definition	10
Cumulative CDE (“CCDE”)	13
Discussion	19
CCDE	24
Canadian Exploration and Development Overhead Expense (“CEDOE”)	30
General Overview	30
Definition	30
Canadian Exploration Expense (“CEE”)	33
General Overview	33
Definition	34
Specified Purpose	40
Cumulative CEE (“CCEE”)	40
Subsection 66.1(6.2) - Deductible Expense	42
Subsection 66.1(9) - Canadian Development Expenses for Preceding Years.....	43
Discussion: Canadian Exploration Expense for Oil and Gas Activities.....	44

Introduction to Resource Taxation in Canada

Canadian Exploration Expense for Mining Activities	50
Paragraph (g.2) - Transitional Relief	54
Paragraph (g.3) and (g.4) - Transitional Relief	56
Provisions of General Application.....	57
Recharacterized CEE	60
CCEE.....	61
Canadian Oil and Gas Property Expense (“COGPE”)	65
General Overview	65
Definition	66
Cumulative COGPE (“CCOGPE”).....	67
Discussion	71
CCOGPE.....	74
Canadian Renewable and Conservation Expense and Classes 43.1 and 43.2	78
General Overview	78
Definitions.....	79
Discussion	89
Canadian Resource Property	89
General Overview	89
Definition	90
Discussion: General Background	91
Classification of Canadian Resource Properties	92
Right, Licence or Privilege	94
Real Property	97
Rental or Royalty.....	97
Other Interests.....	102
Completion	102
General Overview	102
Definition	103
Designated Asset.....	105
General Overview	105
Definition	105
Eligible Oil Sands Mine Development Expense	108
General Overview	108
Definition	108
Expense/Outlay	111
General Overview	111

Table of Contents

Definition	111
Outlay	112
Discussion	112
Foreign Resource Expense (“FRE”).....	112
General Overview	112
Definitions.....	113
Cumulative FRE (“CFRE”)	115
Adjusted Cumulative Foreign Resource Expense (“ACFRE”) ..	118
Foreign Resource Property	118
Foreign Resource Income	120
Foreign Resource Loss.....	121
Global Foreign Resource Limit	121
Production Tax Amount	122
Discussion	123
FRE Eligible Expenditures and Excluded Expenditures.....	124
CFRE	126
“Foreign Resource Income” and “Foreign Resource Loss”	127
Cumulative Foreign Resource Expense (“CFRE”).....	128
Gas or Oil Well Equipment.....	133
General Overview	133
Definition	133
Discussion	133
15 year maximum life	134
Transmission	135
Distribution.....	135
Transportation	135
Mineral	135
General Overview	135
Definition	136
Discussion	136
Mineral Resource	136
Discussion	137
Bituminous Sands	137
Discussion	138
Oil or Gas Well	138
General Overview	138
Definition	138

Introduction to Resource Taxation in Canada

Discussion	138
Oil Sands Mine Development Project.....	141
General Overview	141
Definition	141
Preliminary Work Activity	143
General Overview	143
Definition	143
Principal-Business Corporation.....	145
General Overview	145
Definition	145
Discussion	146
Qualifying Environmental Trust	150
General Overview	150
Definitions	151
Discussion	154
Specified Energy Property	155
General Overview	155
Definition	155
Discussion	159
Specified Oil Sands Mine Development Expense.....	160
General Overview	160
Definition	161
Specified Oil Sands Mine Development Project.....	163
General Overview	163
Definition	164
Taxable Canadian Property.....	166
General Overview	166
Definition	166
Discussion	168
Chapter 2: Resource Revenues	169
What is Income from Production?.....	169
1. The Various Types of Ownership and Participating Interests in Canadian Resource Properties	171
2. Proceeds of Disposition of Oil and Gas Properties and Mineral Resource Properties	171
3. Proceeds of Disposition of Foreign Resource Properties	172

Table of Contents

4. Exploration and Development Activities.....	172
5. Recovery of Certain Costs.....	173
6. Deemed Disposition	173
7. The Successor Corporation Rules.....	173
8. The Inclusion in Income of Foreign Oil and Gas Production Taxes	173
Chapter 3: Expense Related Items	177
1. Crown Royalites and Mining Taxes	177
2. Resource Tax Deductions	178
3. Canadian Exploration and Development Overhead Expense (“CEDOE”).....	179
4. Surface Rentals	179
5. Delay Rentals.....	179
6. Subsection 21(2).....	180
7. Tangible Costs.....	180
8. Accelerated Capital Cost Allowance (“ACCA”).....	184
9. Investment Tax Credits	187
Qualified Property.....	189
Certified Property	195
SRED Qualified Expenditure Pool	195
Pre-Production Mining Expenditures	197
Chapter 4: Considerations Relating to Documents in the Resource Sector.....	199
Indicia of a Contract.....	199
Letter of Intent.....	200
Term Sheet.....	201
Memorandum of Understanding	201
Effective Time versus Closing Time.....	202
Backdating.....	205
Retrospective Dating	205
Special Doctrines.....	210
A. “Relation Back”	210
B. The Doctrine of Equitable Conversion	211
Chapter 5: Farm-Outs	213
Tax Consequences of the Farm-out Arrangement.....	215
Oilsands Farm-outs.....	218

Chapter 6: Partnership versus Joint Venture.....	221
What is a Partnership?.....	221
Partners Carry on the Partnership Business.....	225
The Scheme of the Act.....	227
Resource Income and Expenses of a Partnership	229
Source of Partnership Income.....	231
Assets of the Partner Used in the Partnership	231
Compensation for the Use of Assets of a Partner	232
Deductibility of Expenses Incurred by a Partner	233
Computation of Adjusted Cost Base of Partnership Interest	236
Partnership Allocation.....	239
The Legal Nature of a Joint Venture	246
(i) Two or More Parties	248
(ii) Intention of the Parties	248
(iii) Limitation to a Single Undertaking or ad hoc Undertaking	248
(iv) A Right of Mutual Control or Management.....	249
(v) Contribution by Each Participant	249
(vi) Joint Ownership in the Venture Subject Matter	250
(vii) Freedom to Dispose of Interests in the Property	250
(viii) Expectation of Benefits or the Presence of an “Adventure”	250
(ix) A Right to Participate in the Benefits	250
(x) Limitations of Liabilities.....	251
Conclusion.....	251
Tax Considerations Relating to a Joint Venture	251
 Chapter 7: Mining Exploration and Development.....	 253
Canadian Exploration Expenses That Relate to Mining.....	254
Canadian Development Expenses that Relate to Mining.....	270
Mining Tax Credits.....	271
Successor Corporation Rules	271
Accelerated Capital Cost Allowance (“ACCA”)	271
 Chapter 8: Flow-Through Shares	 273
General Comments	273
Flow-Through Share or Right	273
The Agreement.....	278
Principal Business Corporation.....	279

Table of Contents

Renunciation	279
Retroactive Renunciation - the “Look Back” Rule.....	284
Part XII.6 Tax.....	285
“Eligible CDE”	286
Stacking Arrangements.....	287
Adjustments.....	288
Investment Tax Credits Relating to Flow-Through Mining	
Expenditures.....	289
Flow-Through Share Investments by Partnership	291
Late Filing	292
 Chapter 9: Carve-out Rules	 295
Carved-out Income	298
Carved-out Property	299
Inclusions	299
Exclusions.....	300
Compliance.....	302
 Chapter 10: The Successor Corporation Rules	 305
Terminology	309
Original Owner	309
Successor	309
Predecessor	311
Qualifying Transaction	312
Acquisition of Control.....	316
Relieving Provisions.....	318
Sale by a Predecessor Owner.....	320
Consequences of a Sale to Which Successor Corporation	
Rules Do Not Apply.....	321
 Chapter 11: Rollover of Resource Properties	 327
Non-Share Consideration.....	332
Paid-up Capital	332
 Chapter 12: Canadian Renewable and Conservation	
Expense	337
Class 43.2.....	340
Class 43.1	342
Specified Energy Property	343

Introduction to Resource Taxation in Canada

Chapter 13: Foreign Exploration and Development.....	345
FRE	346
CFRE.....	347
ACFRE.....	348
Foreign Tax Credits	350
Other Foreign Oil and Gas Levies	353
 Chapter 14: Inbound Resource Transactions	 357
Canadian Corporation.....	357
Branch Operation.....	361
Section 116 Considerations	364
The Foreign Affiliate Dumping Rules.....	365
 Chapter 15: Qualifying Environmental Trusts	 371
 Glossary of Terms.....	 375
 Index	 391
