Release No. 5, October 2026

This publication provides a broad array of research tools to address all matters needed by the practitioners of criminal law. With the text of the R.S.C. 1985 version of the Criminal Code and 22 Related Acts, this work allows criminal practitioners to do comprehensive research while significantly reducing research time.

This release features new digests to the case law in the *Criminal Code* and the *Charter*. As well, sections of the *Criminal Code* were updated to reflect recent amendments.

Please refer to the *Crankshaw Report* for in-depth case law highlights published in Release 26-5 and the most recent legislative developments.
