<i>PREFACE</i>	iii
Chapter 1: — THE HISTORY OF LIFE INSURANCE POLICY TAXATION AND CHANGES THAT TOOK EFFECT IN 2017	
1.1 Introduction	1
1.2 Pre-1968 History	2
1.3 The Carter Commission Report	2
1.4 The 1968 Federal Budget	2
A. Taxation of policy gains on disposition	3
B. Relief for existing policies	4
1.5 A New Act	4
1.6 The 1977 Federal Budget	4
A. Policy loans as a disposition	5
B. New tax anniversary date	5
1.7 The 1981 Federal Budget	5
1.8 The December 1, 1982 Notice Of Ways And Means Motion and December 7, 1982 Bill C-139	7
A. Rules for post-December 1, 1982 policies issued before 2017	
— “G2 policies/rules”	7
i. Accrual taxation	7
ii. “Exempt policies”	8
iii. Reduction of ACB by NCPI and the treatment of premiums for certain riders	10
iv. Prorating ACB for partial dispositions (withdrawals)	11
v. Annuitization as a disposition	11
B. Rules for pre-December 2, 1982 policies (“grandfathered policies”)	
— “G1 policies/rules”	12
i. The tax rules	12
ii. The effect of changes made to G1 policies	12
iii. Life insurance capital dividend account	15
1.9 Changes to the Exempt Test and Life Insurance Policy Taxation	16
A. Background	16

Table of Contents

B. The 2012 federal budget	18
C. August 23, 2013 draft legislation	20
D. August 29, 2014 draft legislation	21
E. 2014 final legislation — Bill C-43 — The current rules — “G3 policies/rules”	22
i. Pre-test	23
ii. Changes to actuarial assumptions and reserve methods	24
iii. Changes to NCPI calculation	25
iv. Changes to the capital portion of annuity payments from prescribed annuity contracts (“PACs”)	26
v. Changes to the 8 percent test	26
vi. Changes to the 250 percent test	26
vii. Changes to address joint policies	27
viii. Changes to the calculation of the ACB of a policy	28
ix. Changes to dispositions	29
x. Grandfathering (“G2 status”)	29
1.10 Conclusion	31
 Chapter 2: — LIFE INSURANCE PRODUCTS	
2.1 Introduction	33
2.2 An Overview of Pricing	33
A. The elements of premium calculations	33
i. Mortality	33
ii. Expenses	34
iii. Lapse	35
iv. Investment income	36
v. Taxes	37
B. Impact of assumptions	39
C. Behavioural insurance and impact on assumptions	40
2.3 Differences Between Life Insurance Products	41
A. Term vs. permanent	41
i. Term insurance	41
ii. Permanent insurance	41
a. Participating vs. non-participating policies	41
b. Pricing permanent policies — the level premium system	43
c. Level premium calculation	47
d. The reserve calculation	48

Table of Contents

2.4 Term Insurance	49
A. General attributes	49
B. Conversion features	49
i. Attained age conversion	50
ii. Original age conversion	50
C. Joint coverages	50
i. Joint last-to-die	50
ii. Joint first-to-die	51
D. Forms of term insurance	51
i. Annual renewable term	51
ii. 10- and 20-year renewable term insurance	51
iii. Level term insurance	51
iv. Level to annual renewable term insurance	52
2.5 Term-to-100	52
2.6 Limited-Pay Whole Life	52
2.7 Traditional Whole Life	53
A. Credit options	54
i. Cash	54
ii. Reduce premiums	54
iii. Accumulate at interest	55
iv. Purchase paid-up additions	55
v. Term insurance enhancements	56
a. One-year term to insure cash value	56
b. Enhancement options	56
vi. Premium offset	57
B. Coverage options	57
2.8 Universal Life	57
A. General attributes	57
B. Investment options available	59
C. Bonuses	60
D. Expenses	61
i. Cost of insurance	61
a. Yearly renewable COI	61
b. Level COI	61
c. Limited-duration yearly renewable COI	62
d. Limited-duration level COI	62
ii. Surrender charges	63

Table of Contents

iii. Deposit loads	63
iv. Administration fees	64
v. Policy transaction fees	64
vi. Market value adjustments	64
E. Death benefit types	64
2.9 Coverage Options	65
A. Single life and joint	65
B. Multi-life	65
i. Multi-life in private corporation situations	66
ii. Splitting a multi-life policy	67
2.10 Non-Forfeiture Options	67
A. Cash value	67
B. Reduced paid-up values	68
C. Extended term values	69
D. Automatic premium loan	69
2.11 Advanced Death Benefits from Life Insurance Policies	69
2.12 Variable Life Insurance Policies — General Attributes	71
2.13 Special Considerations for Certain Participating Policyholders	72
A. What is demutualization?	72
B. Policyholder tax regime for demutualization benefits	73
2.14 Impact of Legislation and Accounting Standards Governing Insurance Companies	74
A. Disclosure in respect of participating and adjustable life insurance policies	74
B. Accounting standards for recognition and measurement of financial assets of insurers	74
i. Prior to January 1, 2023	74
ii. January 1, 2023 or after	75
C. Change to the taxation of portfolio dividends received by insurers will materially impact policyholders	76
i. 2023 Federal Budget	76
ii. Updates in Bill C-59 (June 2024)	77
2.15 Life Insurance — Financial Underwriting Considerations	77
A. Basic principles	78
B. The evolution of financial underwriting	79
C. Financial underwriting guidelines	80
D. Personal and corporate guidelines	80

Table of Contents

i. Income replacement	80
ii. Business insurance considerations	80
E. Cover memos	82
F. Overall	83
2.16 Conclusion	83
Chapter 3: — TAXATION OF LIFE INSURANCE POLICIES, DISPOSITIONS, AND SELECTED VALUATION ISSUES	
3.1 Introduction	85
3.2 Taxation of Exempt Life Insurance Policies	85
A. General rules and terminology for dispositions	86
B. What is a disposition of an interest in a life insurance policy?	87
C. What is not a disposition of an interest in a life insurance policy?	90
i. Fund value paid on first death	92
ii. Annuitization where the life insured is totally and permanently disabled	93
iii. Disability benefits	94
D. Proceeds of the disposition	94
E. Cash surrender value	95
F. Adjusted cost basis (ACB)	95
G. Disposing of an interest in a life insurance policy	102
i. Full surrender of the policy	102
ii. Partial surrender of the policy	103
iii. Policy loans, policy loan repayments, and policy loan interest	105
iv. Policy dividends on participating insurance policies	109
v. Transfer of ownership (absolute assignment)	110
a. The general rule	110
b. Gifts, corporate distributions, non-arm's length transfers, etc.	110
c. Tax-free rollovers	112
I. Generation transfers and intergeneration transfers	112
II. <i>Inter vivos</i> transfer to spouse or common-law partner	116
III. Transfer to spouse or common-law partner at death	117
IV. Transfer out of a personal trust	118

Table of Contents

3.3 Selected Valuation Issues	119
A. Valuation of an interest in a life insurance policy	119
B. Valuation and the type of insurance product	121
C. Valuation of shares for the deemed disposition upon death under subsection 70(5)	121
i. Corporate-owned life insurance on deceased shareholder, related parties and other shareholders or employees	121
ii. Life insurance shares	124
D. Valuation of shares held by certain trusts	133
E. Valuation of other properties deemed disposed of	134
F. The lifetime capital gains exemption	134
G. Valuation and the corporate attribution rules	138
H. Disposition of shares under the promissory note method	139
I. Transfer of insurance policies involving corporations and a shareholder or employee	139
i. Example 1: Corporate-owned insurance transferred to shareholder (or employee)	141
ii. Example 2: Transfer between related corporations (sister companies)	144
iii. Example 3: Transfer between related corporations (intercompany shareholdings)	147
iv. Example 4: Transfer insurance policy from a shareholder to a corporation	152
v. Miscellaneous transfers	155
a. Amalgamations	155
b. Wind-ups	156
c. Butterfly transactions	157
3.4 Conclusion	158
Chapter 4: — LEVERAGED LIFE INSURANCE — BORROWING AGAINST A POLICY	
4.1 Introduction	159
4.2 Overview of Conventional Leveraged Life Insurance Programs	160
A. General areas of concern relating to interest deductibility and leveraged life insurance	160
i. Simple interest	161
ii. Compound interest	161
iii. Proposed legislation — withdrawn	163

Table of Contents

iv. Special rules in Québec	164
v. Application of the general anti-avoidance rule relating to interest deductibility	164
vi. Interest deductibility limitation and the 2021 Federal Budget	169
vii. Alternative Minimum Tax (“AMT”) and interest deductibility	170
B. General areas of concern relating to GAAR and leveraged life insurance involving issues other than interest deductibility	171
C. Aggressive tax planning	174
D. Tax shelter rules	178
4.3 Application and Associated Risks of Leveraged Life Insurance Programs	179
A. Example 1: Individual retirement application	179
B. Example 2: Corporate application using leveraged life insurance for retirement redemption	182
C. Example 3: Corporate application using leveraged life insurance to pay a bonus	185
D. Example 4: Corporate application using leveraged life insurance for a living buyout	188
E. Example 5: Immediate borrowing application — collateral loan to invest	197
F. Examples 6 and 7: Immediate borrowing application 10/8 plans — for historical reference	198
i. Example 6: 10/8 collateral loan tied to policy — prior to 2013 federal budget	201
ii. Example 7: 10/8 policy loan — prior to 2013 federal budget	204
4.4 Conclusion	206
Chapter 5: — PERSONAL LIFE INSURANCE NEEDS AND APPLICATIONS	
5.1 Introduction	209
5.2 Funding Needs at Death	209
A. Protecting dependants	209
B. Estate preservation	210
i. Funding the tax liability in relation to deemed disposition of capital property at death	210

Table of Contents

ii. Funding tax liabilities in relation to registered retirement plans on death	212
iii. Funding tax liabilities in relation to first home savings account (FHSA)	212
iv. Funding estate taxes	213
v. Provincial probate fees and other estate costs	213
vi. Collateral insurance	214
C. Create, increase or replenish an estate	214
D. Estate equalization	215
5.3 Other Benefits of Life Insurance	216
A. Creditor protection during life	216
i. Dependant relief claims	219
ii. Separation agreements and purpose of insurance	220
B. Using the tax-exempt accumulation of a life insurance policy — withdrawals, policy loans and leveraging	220
C. Intergenerational transfers of life insurance	222
D. Other personal insurance strategies	223
5.4 Conclusion	224
 Chapter 6: — BUSINESS INSURANCE NEEDS — TECHNICAL ISSUES	
6.1 Introduction	225
6.2 Private Company Taxation, Theory of Integration, Life Insurance and the Capital Dividend Account	225
A. Measures relating to tax planning using private corporations	225
i. Income sprinkling using private corporations	226
ii. Holding a passive investment portfolio inside a private corporation	229
iii. Converting a private corporations’s regular income into capital gains	231
iv. Intergenerational transfers of a family business	234
B. Introduction to the theory of integration	239
C. The capital dividend account (CDA)	239
D. Life insurance proceeds received by a private corporation	243
i. Life insurance proceeds received by a trust	245
ii. Life insurance proceeds received by lenders	246
a. Current position	246
b. Historical perspective	247

Table of Contents

iii. Capital dividend account where insured or insurer is non-Canadian	250
E. Effect of various corporate ownership structures	250
F. Payment of a capital dividend	255
G. How an election is made	256
H. CDA — miscellaneous issues	257
6.3 Shareholder and Employee Benefits	259
A. Introduction	259
B. Group life insurance premiums	259
C. Premiums paid by a corporation on personally-owned insurance	259
D. Beneficiary designation under corporate-owned life insurance	260
E. Transfer of ownership of corporate-owned life insurance	262
6.4 Deductibility of Life Insurance Premiums	263
A. Introduction	263
B. Registered life insurance policy	264
C. Employee benefits	265
D. Charitable gift of a life insurance policy	265
E. Collateral insurance	266
i. Historical perspective	266
ii. Paragraph 20(1)(e.2)	268
a. Requirements for deductibility	268
b. Amount deductible	269
iii. Archived Interpretation Bulletin IT-309R2: Premiums on life insurance used as collateral	271
iv. Related matters	273
6.5 Accounting for Life Insurance	273
A. Authoritative support	274
B. Financial reporting	274
6.6 Conclusion	275
Chapter 7: — BUSINESS INSURANCE NEEDS — APPLICATIONS	
7.1 Introduction	277
7.2 Business Loan Protection	277
A. Introduction	277
B. Implementation	278
C. The tax rules	278
D. The benefits associated with this strategy	279

Table of Contents

7.3 Keyperson Insurance Protection	279
A. Introduction	279
B. Implementation	280
C. The tax rules	280
D. The benefits associated with this strategy	281
7.4 Funding Buy/Sell Arrangements	282
A. Introduction	282
B. Overview of structures for life insured buy/sell arrangements at death	282
C. Corporate vs. personally-owned life insurance	283
i. Tax leverage	283
ii. Policing of policy premiums	283
iii. Allocation of cost of premiums	284
iv. Ease of administration	284
v. Family law (Ontario)	284
vi. Tax complexity	285
vii. Creditor protection	285
viii. Potential transfer of ownership	286
a. Corporate-owned life insurance and sale of business to a third party	286
b. Personally-held life insurance on other shareholders for criss-cross buy-sell	286
D. Structuring the buy/sell provisions with life insurance	287
i. Cross-cross purchase method (or criss-cross buy/sell)	288
a. Without use of trustee	288
1. Criss-cross purchase method (or criss-cross buy/sell) with Holding Companies	292
b. Use of a trustee	293
1. Use of trustee with Holding Companies	294
ii. Promissory note method	294
a. Promissory note method with Holding Companies	297
iii. Share redemption method	298
a. Share redemption method with Holding Companies	303
iv. Hybrid (combination) method	304
a. Hybrid (combination method) with Holding Companies	309
v. Hybrid method — optimization clauses	310

Table of Contents

E. Stop-loss rules	310
i. Application	311
ii. Grandfathering rules	311
a. Pre-existing agreement rule	312
b. Pre-existing insurance	312
iii. Planning under the stop-loss rules	314
a. Use of spousal rollover (roll and redeem)	314
b. 50 percent solution	315
iv. Summary	317
F. Other considerations	317
i. Use of the capital dividend account	317
ii. Eligible dividend tax regime	318
iii. Use of a bare trustee	319
7.5 Life Insurance Used in Family Business Succession Planning	319
A. Introduction	319
B. The role of life insurance in family business succession plans	320
i. Sale to a successor during life for a promissory note	320
ii. Use of an estate freeze to transfer ownership to a successor during life	321
iii. Transfer at death to a successor	322
C. The role of life insurance in arm's length business succession plans	323
i. Sale proceeds received in personal hands	323
ii. Sale proceeds received in a family trust	324
iii. Sale proceeds received in a corporation	324
iv. Employee ownership trusts (EOTs)	325
v. Canadian Entrepreneurs Incentive (CEI)	327
D. Intergenerational transfer of small businesses and farms	328
i. The enactment of private member's Bill C-208 and subsequent draft legislation	328
ii. Life insurance and qualifying intergenerational transfers	329
a. Avoid the need to transfer policy on sale	329
b. Additional insurance to fund business acquisition cost	329
iii. Qualifying transfers in conjunction with estate freezes	329
7.6 Life Insurance as a Corporate Investment	330
A. Introduction	330
B. Impact of a corporation owning a cash value life insurance	

Table of Contents

policy	331
C. Issues to consider in comparing corporate-owned life insurance to taxable investments	331
i. Financial considerations	331
ii. Post-mortem tax considerations in comparing alternatives	332
7.7 Retirement Compensation Arrangements	337
A. Introduction	337
B. Retirement compensation arrangement (RCA)	338
i. RCA defined	339
ii. Salary deferral arrangements	340
C. Taxation of RCAs	341
D. SERP investment options	345
E. Life insurance funded SERP strategies	347
i. Life insured SERP strategy	347
ii. Leveraged life insured SERP strategy	348
iii. Split-dollar life insured SERP strategy	350
iv. Front end leveraged RCA (FELRCA) — for historical reference	352
F. The RCA deeming rules	354
G. Winding up an RCA	357
H. Accounting for retirement compensation arrangements	358
Chapter 8: — SPLIT-DOLLAR INSURANCE ARRANGEMENTS	
8.1 Introduction	359
8.2 What is a Split-dollar Insurance Arrangement?	359
A. Employee/shareholder owned death benefit	360
B. Corporate-owned death benefit	362
8.3 Why Split-dollar? — Situations Using Split-dollar Insurance Arrangements	365
A. Executive benefits	365
B. Keyperson insurance	365
C. Buy/sell agreements	366
D. Holding company	366
E. Retirement compensation arrangements	366
F. Family situations	367
G. Charitable giving	367
8.4 How are Split-dollar Arrangements Implemented?	367

Table of Contents

A. Co-ownership and a Split-dollar agreement	367
B. Other legal steps	368
C. Type of product and numerical assumptions	369
i. Universal life (UL) vs. participating (Par) whole life	369
ii. Life pay vs. shorter payment of premiums when using UL vs. Par	370
iii. Guarantees or lack thereof in the context of UL vs. Par	371
D. Funding premiums and allocating costs	373
i. Premium split based on term insurance	373
ii. Premium split based on cash value	374
E. Actuarial opinions	374
8.5 Tax treatment of Split-dollar Arrangements Involving Employee/ Shareholder and a Corporation	375
A. Historical perspective re: assessing an employee or shareholder benefit in split-dollar arrangements	376
B. Quantifying a benefit	379
C. Characterization of the taxable benefit	380
i. Employee vs. shareholder	380
ii. Deductibility of benefit	381
8.6 Tax Treatment of Split-dollar Arrangements in Other Contexts	382
A. Charitable advantage rules and other tax considerations in the charitable context	382
B. RCA advantage rules	384
8.7 Tax Issues Relating to Corporate Ownership and Split-dollar Arrangements	384
A. Adjusted cost basis	384
B. Allocation of value on certain deemed dispositions	386
8.8 Alternative to the Split-dollar Insurance Arrangement	387
8.9 Conclusion	388
Chapter 9: — TRUSTS AND LIFE INSURANCE	
9.1 Introduction	389
9.2 What is a Trust? Why Create a Trust?	389
9.3 Taxation of Trusts	393
A. General tax considerations	393
i. Conduit taxed as an individual	393
ii. Taxation of estates, testamentary and life interest trusts	

Table of Contents

— the 2016 amendments	395
iii. Residence of a trust	397
iv. Trust reporting	398
B. Specific tax considerations relating to income splitting	400
i. Attribution rules	400
ii. Tax on split income rules	401
9.4 Trusts and Life Insurance	402
A. Avoidance of 21-year rule	405
B. Change of trustee and life insurance	406
C. Attribution planning	407
D. Testamentary insurance trusts	408
E. Business insurance trusts	412
F. Trusts and United States estate tax	414
G. Retirement compensation arrangements	414
H. Spousal trusts and life insurance	414
I. Alter ego and joint partner trusts	421
9.5 RRSP Trusts and Life Insurance	422
9.6 Employee Ownership Trusts	424
9.7 Conclusion	424
Chapter 10: — INTERNATIONAL ISSUES	
10.1 Introduction	425
10.2 United States Tax Considerations	425
A. Residence and domicile	425
B. Estate, gift and generation skipping taxes	426
i. Overview of the U.S. transfer tax system	426
a. Estate taxes	426
b. Gift taxes	428
c. Generation skipping tax	429
d. Carry-over vs. step-up basis adjustments	429
ii. Current U.S. estate, gift and generation skipping tax laws	430
a. Overall reduction in transfer taxes	431
b. State death taxes	431
c. Portability	432
iii. Estate tax and life insurance proceeds	433
a. Personal ownership	433
b. Corporate ownership	433

Table of Contents

c. Three-year lookback	434
d. Irrevocable life insurance trusts (ILITs)	434
e. Unlimited Liability Company (ULC) planning	437
C. U.S. transfer taxes for non-United States persons	438
i. The Protocol	439
a. Prorated unified credit (paragraph 2 of Article XXIX B)	439
b. Marital credit (paragraphs 3 and 4 of Article XXIX B)	440
c. Tax credit relief (paragraphs 6 and 7 of Article XXIX B)	440
d. Small estate relief (paragraph 8 of Article XXIX B)	441
ii. Planning for life insurance	441
D. U.S. income tax considerations	442
i. General rules	442
ii. Taxation of U.S. life insurance	442
iii. Taxation of foreign insurance for U.S. persons	443
iv. Reporting requirements for foreign insurance	445
v. Excise tax	446
10.3 Emigration and Immigration	447
A. Deemed disposition	447
i. Taxable Canadian property	447
ii. Individuals	447
iii. Immigration	448
iv. Corporate-owned policies	449
v. Trust-owned policies	449
B. Reporting requirements on emigration	450
10.4 Non-resident Owners of a “Life Insurance Policy in Canada”	450
A. Dual-resident individuals	451
B. Taxable dispositions by a non-resident	451
C. Withholding tax and section 116 clearance requirements	451
i. Canadian “purchaser”	452
ii. <i>Inter vivos</i> gift or non-arm’s length transfer	454
iii. Non-resident “purchaser”	455
iv. Non-resident spouses	455
D. Impact of tax treaties	455
E. Foreign corporations and a “life insurance policy in Canada”	456

Table of Contents

10.5 Foreign Life Insurance	457
A. Foreign property reporting rules	457
B. Canadian taxation of foreign life insurance	458
C. Provincial premium taxes	459
Chapter 11: — LIFE INSURANCE AND PARTNERSHIPS	
11.1 Introduction	461
11.2 Partnership Entities	461
11.3 Unlimited Liability	462
11.4 Partnership Agreement	462
11.5 General Taxation of Partnerships and Partners	463
A. Income	463
B. Year end	463
C. Partnership interest	464
D. Income tax consequences of the retirement of a partner	464
E. Death of an individual partner	465
F. Death of the sole shareholder of a corporate partner	466
11.6 Partnerships and the Proceeds of Life Insurance Policies	466
A. Individual partners	467
B. Corporate partners	467
11.7 Transferring a Life Insurance Policy to or from a Partnership	470
A. Partnership transferring a life insurance policy to a partner	470
B. Transfer of a life insurance policy to a partnership	472
11.8 Partnership Insurance Needs	473
A. Personal insurance	473
B. Key partner coverage	474
C. Collateral life insurance	474
D. Funding the partnership agreement	476
i. Funding obligations on death with partner-owned life insurance	476
a. Basic criss-cross method — individual partners	476
b. Basic criss-cross method with corporate partners	477
c. Trustee'd criss-cross method	479
d. Criss-cross beneficiary designation method	480
ii. Funding obligations on death with partnership-owned life insurance	481
a. Partnership purchases the deceased partner's interest	

Table of Contents

— individual partners	482
b. Partnership purchases the deceased partner's interest	
— corporate partners	484
c. Partners purchase the deceased partner's interest	485
d. Splitting the premium	486
iii. Choosing a structure for funding partnership buyout	
obligations at death	486
iv. Funding the withdrawal of a partner on retirement	487
a. Magnitude of the obligation	487
b. Funding the obligation	488
c. Interest deductibility	490
v. Creditor protection	491
11.9 Conclusion	492
Chapter 12: — INSURANCE AND CHARITABLE GIVING	
12.1 Introduction	493
12.2 What is a Charity?	493
12.3 Meaning of Charitable Giving	494
12.4 Disbursement Quota and Life Insurance Policy Gifts	497
12.5 Tax Incentives and Limitations	498
A. Annual limits	501
B. Gifts of capital property	501
C. Gifts of publicly-listed securities	502
D. Anti-avoidance rules	503
E. Tax shelter donation arrangements	505
12.6 Traditional Gifts of Life Insurance	506
A. Life insurance as a gift	506
B. Types of life insurance policies	507
C. Methods of gifting life insurance	508
i. Bequest of policy proceeds	508
ii. Charity-owned policy	509
a. Assignment of policy	510
b. Value of policy	510
c. Tax consequences of transfer	513
d. Example	513
e. Charities and anti-trafficking provisions	514
f. Benefits of life insurance gifts to a charity	514

Table of Contents

iii. Donor-owned policy	515
iv. Summary	517
12.7 Other Insurance Supported Gifts	517
A. Gift of private company shares	517
B. Capital replacement	519
12.8 Gifts of Segregated Funds	520
A. Segregated fund contract as a gift	520
B. Donating segregated fund contracts in kind	521
12.9 Conclusion	522
Chapter 13: — HISTORY OF ANNUITIES AND SEGREGATED FUNDS AND CURRENT LEGISLATIVE CHANGES	
13.1 Introduction	525
A. Annuities	525
B. Segregated funds	526
13.2 Early Taxation of Annuities from 1917 to 1971	526
13.3 The Carter Commission, Tax Reform and Annuities	528
13.4 The Introduction of the Accrual Taxation of Annuities	529
13.5 Legislative Changes Relating to Prescribed Annuity Contracts	531
13.6 Permitting Additional Types of Annuities under Registered Plans	532
13.7 The Introduction of Segregated Funds	535
13.8 The Taxation of Segregated Funds 1970 to 1977	536
13.9 The Taxation of Segregated Funds 1978 to Present	537
Chapter 14: — TAXATION OF ANNUITY CONTRACTS	
14.1 Introduction	541
14.2 Taxation of Post-1989 Contracts	542
A. Taxation of annuity income	542
i. Overview	542
ii. Accrual taxation of annuities	542
iii. Taxation of annuity payments	544
iv. Definition of prescribed annuity contract	545
B. Taxation of dispositions	550
i. Overview	550
ii. What constitutes a disposition?	551
iii. Definition of proceeds of the disposition	552
iv. Definition of adjusted cost basis	553
C. Taxation on death	555

Table of Contents

i. Contract terminates at death	556
ii. Contract terminates at death, lump sum paid to beneficiary . . .	556
iii. Contract is transferred to beneficiary	557
14.3 Taxation of Pre-1990 Annuity Contracts	558
