This publisher's note may be scanned electronically and photocopied for the purpose of circulating copies within your organization.

Highlights

This release features updates to the following:

- **Chapter 9—Privacy Law—I—Statutory Requirements—§ 9:6—Treatment of Personal Information of Employees in Draft Documents—**For drafting purposes of the documentation in this text, the collection, use or disclosure of all personal information, including employee personal information has been considered to be subject to the Act. This may not be the case in all circumstances or for employees of all organizations. The needs of each individual organization and the requirements of every transaction need to be separately addressed and dealt with when drafting documentation for a particular purpose.
- **Chapter 9—Privacy Law—I—Statutory Requirements—§ 9:7—Structure of the Act—**An organization is responsible for personal information under its control and shall designate an individual or individuals who are accountable for the organization's compliance with the following principles.

ProView Developments

Your ProView edition of this product now has a new, modified layout:

- The opening page is now the title page of the book as you would see in the print work
- As with the print product, the front matter is in a different order than previously displayed
- The Table of Cases, Table of Statutes and Index are now in PDF with no searching and linking
- The Table of Contents now has internal links to every chapter and section of the book within ProView
- Images are generally greyscale and size is now adjustable
- Footnote text only appears in ProView-generated PDFs of entire sections and pages
