A.L.R.2d Later Case Service

In recent years, the courts have handed down many decisions in the areas covered by A.L.R.2d annotations. This has substantially increased the supplementation for A.L.R.2d Later Case Service Volumes 28-29, 40-42, and 77, requiring this new compilation. To bring your Later Case Service volumes up to date we have incorporated all the pertinent new decisions into three new volumes.

Shelving Instructions
