Uniform Commercial Code Pleading
and Practice Forms

2026 Edition

Enclosed is the 2026 edition of *Uniform Commercial Code Legal Forms*. These softbound volumes replace the 2022-2023 release, **as well as the binder set**. This should greatly improve the reader's experience, eliminating filing work and allowing the content to expand easily.

Though the format is changing, customers are not being charged more for this format change. Subscribers will pay the same overall price that they would have been charged during the course of the year.

Please note that, for ease of handling, the materials in this shipment may ship in more than one box.

Shipping separately is a new FOCD that includes the forms found in the three-volume set.

Shelving Instructions

REMOVE and **RECYCLE** the treatise set (binders and contents).
PLACE the new 2026 volumes 1-3 in your library
