West's McKinney's Forms

Local Government Law, Volumes 23A and 23B

Enclosed are Revised Volumes 23A and 23B of West's McKinney's Forms. This enclosure replaces existing Volumes 23A and 23B, last updated by supplement issued in February 2026. For ease of handling, please note the materials in this shipment may ship in more than one box.

The changes included in these revised volumes represent our best efforts to provide the basic law and practical considerations necessary for the successful representation of clients, without burdening the practitioner with tangential citations and excessive black letter law. Forms have been updated to be more current and comprehensive, and many new forms have been added. Thank you for subscribing to West's McKinney's Forms!
