Introduction to the 2026-2027 Edition

The 2026-2027 Edition of *Handling Motor Vehicle Accident Cases* is the definitive legal resource devoted to cases involving motor vehicle accidents. This year's update includes a new and revised Chapter 13, Trucking Accident Litigation, and new case notes throughout.

Topics receiving significant changes in this update include:

- § 1:1.20 Negligence—Rear-end collision
- § 1:4 Negligence—Duty to pedestrians
- § 2:19 State and local governments
- § 2:19.50 State and local governments—School Districts
- *And much more!*

This release is also updated with new Table of Contents, Table of Laws and Rules, Table of Cases, and Index to reflect these enhancements.
