Revised Volume 9A

Enclosed is Revised Volume 9A of Federal Procedural Forms. This enclosure replaces existing Volume 9A, last revised by supplement, issued June 2025.

The changes included in these revised volumes represent our best efforts to provide the basic law and practical considerations necessary for the successful representation of clients, without burdening the practitioner with tangential citations and excessive black letter law. Forms have been updated to be more current and comprehensive, and many new forms have been added.

Thank you for subscribing to Federal Procedural Forms.

### **Shelving Instructions**
