

PREFACE

The 2026 update to *Civil Discovery, 2d* reflects changes to civil discovery in Illinois resulting from legislative and judicial action and includes the following (partial list):

- New cases providing discovery guidance
- Expanded discussion of what constitutes a logical corollary to an expert's disclosed opinion (§ 13:30)
- Expanded discussion of forensic examination of an opposing party's electronics (§ 23:72)
- New section on technology and e-discovery (§ 23:44)
- Expanded discussion of artificial intelligence, including recent state bar association opinions on ethics (§§ 23:123-23:124 and § 24:48)

Many thanks to our excellent editor Kelly Cooper for her support and encouragement.
