The 2026-2027 Edition of Trademark Trial and Appeal Board

The 2026–2027 Edition of *Trademark Trial and Appeal Board: Practice and Procedure* has been comprehensively updated to reflect current developments in the law and practice before the Board. This Edition has been updated by a new author, Stephen R. Baird, a principal shareholder at Greenberg Traurig, LLP. See *About the Author*. Each chapter has undergone substantial revision, including incorporation of the June 2026 edition of the Trademark Trial and Appeal Board Manual of Procedure (TBMP) in the treatise's appendix.
