PREFACE

For over sixty years the Los Angeles Superior Court CALJIC committee provided the bench and bar with pattern jury instructions for criminal trials. This outstanding committee was phased out after publication of the October 2005 edition.

The publisher has elected to continue this work with a reconstituted committee composed of former members of the committee and other outstanding members of the bench and bar, providing continuity to the ideals and goals of the original committee.

This edition contains new and revised instructions, use note and comment additions prompted by recent legislation, ballot measures, and appellate decisions. It is the firm hope of the publisher and the committee that this updated edition will continue to be of assistance to the bench and bar.

Criminal Jury Instructions

PUBLISHER'S NOTE

These jury instructions are not officially drafted or edited by the Los Angeles Superior Court or any committee of that Court.
