Shelving Instructions

- REMOVE and RECYCLE the 2025 supplement from the back of the book.
- PLACE the new 2026 supplement in the back of the book.

Highlights

This revision includes discussion of recent developments affecting Arizona limited liability company and partnership law. The volume reflects our best efforts to provide the fundamental legal principles and practical guidance necessary for the effective representation of clients, while avoiding unnecessary citations and excessive treatment of black-letter law. The forms have been extensively revised to ensure they are current and comprehensive, and numerous new forms have been added to enhance the publication's practical value.
