

Introduction to 2026 Edition

This 2026 edition of the Oklahoma Probate Handbook is a handy source of information for lawyers, accountants, financial planners, and trust officers who deal with estates, guardianships, and trusts. It provides general probate information as well as Oklahoma statutes concerning probate, trusts, guardianships, powers of attorney, and other related matters. This volume contains pivotal information on taxation of decedents, estates, and trusts.

New features and recent developments in this 2026 edition include:

- Up-to-date directories of Oklahoma judges, clerks, and newspapers;
- Fee schedules current through 2026;
- Updated Oklahoma statutes and codes; and
- Revised federal and state tax rates, including updated transfer tax rates and income tax rates.
