INTRODUCTION TO 2026-2027 EDITION

Mangrum and Benson on Utah Evidence, examines each article of the Utah Rules of Evidence. The current language and relevant legislative history for each article is presented, followed by checklists and an analytical overview of the Utah caselaw and United States Supreme Court cases interpreting each evidentiary rule. Any differences between the state and federal rules of evidence. Court rules have been updated through May 2026.

The 2026-2027 Edition of Utah Evidence replaces the 2025-2026 Edition of Utah Evidence in its entirety.
