

PREFACE

This is the third supplement to the third edition of Colorado Civil Trial Practice. It includes Colorado court rules adopted prior to April 10, 2026, decisions of the Colorado Supreme Court and the Colorado Court of Appeals as reported through 583 P.3d, and Colorado statutes adopted at the 2025 session of the Colorado General Assembly.

I thank my wife, Linda, who has contributed to the production of the three editions and the supplements.
