INTRODUCTION TO THE 2026–2027 EDITION

Pennsylvania Motions in Limine, (Vol. 21, West's® Pennsylvania Practice) is your one-stop source for making or opposing in limine motions. The text is devoted to Pennsylvania in limine motions, critical evidence motions that, if granted, can end a case early. It covers issues such as excluding expert opinions, scientific tests, and improper discovery.

Thank you for subscribing to *Pennsylvania Motions in Limine*. Each year we make every effort to include new citations to evidence cases, particularly matters of first impression that have occurred during the past year. We hope that you find this book an invaluable tool for your practice.
