- Evolving landscape, **19:8**
- Fiduciaries of corporation, responsibilities of directors as, **19:2**
- Legal compliance, Caremark case, **19:5-19:7**
- Preservation obligations, Caremark case, **19:6**
- Supervisors of corporation, responsibilities of directors as, **19:3, 19:4**

### **COSTS AND EXPENSES**

- Federal litigation, expenses regarding ESI (Electronically Stored Information) as costs in, **2:7**

### **COST-SHIFTING STRATEGIES**

- Generally, **25:1-25:7**
- Additional bases for cost shifting, **25:5**
- Arbitration, **20:24**
- Good cause, **25:3**
- Metadiscovery, **25:4**
- New avenue of cost shifting, **25:7**
- Reasonable accessibility, **25:2**
- State court standards, **25:6**

### **COURTROOM**

- Electronic information in courtroom, **1:5**

### **CRISIS MANAGEMENT**

- Commercial general liability policy, coverage for losses from cyber breach, **17:7**
- Crisis management team, assembling of
  - Electronics data and cyber security considerations, **17:4**

### **CRISIS MANAGEMENT—Cont'd**

- Cyber insurance policy
  - first-party losses and third-party losses arising from cyber breach, filling gaps and protecting organization from, **17:8**
- Data preservation, compliance with laws, reporting and effective communications
  - electronics data and cyber security considerations, **17:5**
- Directors and officers policy, protection from claims arising from cyber breach, **17:9**
- Electronics data and cyber security considerations
  - Generally, **17:1-17:9**
  - crisis management plan, **17:3**
  - Crisis management team, assembling of, **17:4**
  - data preservation, compliance with laws, reporting and effective communications, **17:5**
  - risk management
    - coverage for losses from cyber breach, **17:7**
    - reduce risk through insurance, **17:6**
  - Security and vulnerability, understanding computer systems, **17:2**

### **CRISIS MANAGEMENT PLAN**

- Electronics data and cyber security considerations, **17:3**

### **CYBER WARFARE AND CYBERSECURITY**

- Generally, **30:1-30:25**
- Arbitration and mediation, **30:24, 30:25**
- Brower exploits, **30:12**
- Bypassing controls, **30:7**
- Companies, **30:22-30:25**
- Denial of service, **30:9**
- Group phishing, **30:10**
- International law, **30:19-30:21**
- International law and tallinn manual, **30:19-30:21**

**CYBER WARFARE AND**

**CYBERSECURITY—Cont'd**

- Privilege abuse and insider threats, **30:6**
- Prohibition on hack-backs, **30:22**
- Records management program, **6:24**
- Responses, **30:2**
- Self-defense, **30:22**

- Spear phishing, **30:11**
- Spyware, **30:16**
- Steps for securing companies against attacks, **30:23**
- Survey of hostilities, **30:4-30:18**
  - bypassing controls, **30:7**
  - privilege abuse and insider threats, **30:6**
  - social engineering, **30:5**
  - unpatched vulnerabilities, **30:8**
- Threat, **30:1**
- Trojan horses, **30:14**
- Unpatched vulnerabilities, **30:8**
- Vendor/supply chain, **30:17**
- Viruses and worms, **30:13**
- Zero-day exploits, **30:15**

**DATA ANALYSIS**

- Data intelligence and analysis, **23:11-23:15**
  - document an outmoded term, **23:12**
  - handling privileged information effectively, **23:14**
  - importance of upfront analysis and identifying key information, **23:13**
  - the erosion of the family, **23:15**
- Data review, Generative AI, **26:7**

**DATA COLLECTION**

- Budget considerations, collection costs, **24:13**
- Privacy and cyber-security, **6:24**

**DATA DISPOSAL**

- Litigation readiness, **9:8**

**DATA HOSTING**

- Storage costs, budget considerations, **24:13**

**DATA MAPPING**

- Design of effective records management program, **6:19**

**DATA PRESERVATION**

- Litigation readiness, **9:13**

**DATA REMEDIATION**

- Information governance, **28:6, 28:7**

**DATA REVIEW**

- Data analysis, **26:7**

**DATA TSUNAMI**

- Predictive coding, **7:3**

**DEFENSIBILITY**

- Defensible strategy, **23:20**
- artificial intelligence, **23:21**
- Validation, **23:19**

**DELETED DATA/DATA FRAGMENTS**

- Internal investigations, **8:11**

**DENIAL OF SERVICE**

- Cyber warfare and cybersecurity, **30:9**

**DESIGN OF EFFECTIVE RECORDS MANAGEMENT PROGRAM**

- Generally, **6:1-6:26**
- Accounting records, sample records retention schedule, **App. 6B**
- Authenticity issues, **6:22**
- Best practices, **6:6-6:15**
  - information governance committee, **6:7**
- Best practices, records
  - annual records clean out, **6:14**
  - employee compliance audit, **6:15**
  - guidance about creation of documents, **6:13**
  - management manual, **6:11**
  - management policy, **6:9**
  - management training, **6:12**
  - manager, **6:8**
  - retention schedule, **6:10**
- Cloud computing, **6:23**
- Data mapping and record storage, **6:19**

## INDEX

### DESIGN OF EFFECTIVE

#### RECORDS MANAGEMENT PROGRAM—Cont'd

Data privacy and cyber security, **6:24**

Draft documents, **6:21**

Email retention, **6:17**

Finance records, sample records retention schedule, **App. 6B**

Goals of program, **6:3**

Health and Safety, sample records retention schedule, **App. 6D**

Health and Safety records retention schedule, Sample, **App. 6D**

Health records, Sample records retention schedule, **App. 6D**

Issues to consider in the implementation, **6:20-6:23**

dealing with draft documents, **6:21**

Legal hold response plan, **6:16**

Legal records, sample records retention schedule, **App. 6C**

Lifecycle of records, understanding of, **6:5**

Reasons to implement program, **6:4**

Records management, defined, **6:2**

Records management summary, **6:26**

Record storage options, **6:19**

Sample records management policy, **App. 6A**

Sample records retention schedule accounting and finance records, **App. 6B**

health and safety, **App. 6D**

legal records, **App. 6C**

Social media, **6:25**

implement effective records management program, **6:25**

Video conferencing with messaging applications, **6:18**

### DIRECTORS

Corporate governance, **19:2 et seq.**

### DIRECTORS AND OFFICERS INSURANCE

Crisis management, protection from claims arising from cyber breach, **17:9**

### DISCOVERY SANCTIONS

Trial practice management, **16:3**

### DOCUMENT REVIEW AND PRODUCTION

Budget considerations, **24:14**

Correspondence, **26:6**

Design of effective records management program, **6:21**

Memoranda, **26:6**

### DUAL PURPOSE COMMUNICATIONS

Attorney Client Privilege, **15:17**

### EDISCOVERY

Generally, **1:6**

Budgeting and cost control, **24:11**

No more, no less, **1:7**

### EDISCOVERY CHECKLIST

Cross-border and global data privacy planning, **App. 22A**

### EDISCOVERY COUNSEL

Litigation readiness, **9:19**

### EDRM (ENTERPRISE DIGITAL RIGHTS MANAGEMENT)

Overview of data privacy and protection

Data processing, **22:8**

Document review and analysis, **22:9**

Information governance and identification, **22:6**

Preservation and collection, **22:7**

Overview of effect on data privacy and protection, **22:5-22:9**

### ELECTRONIC DISCOVERY COMPLIANCE PROGRAMS

Generally, **18:1-18:6**

Chief Technology counsel job description, **App. 18A** office

checklist of steps to create, **App. 18C**

**ELECTRONIC DISCOVERY  
COMPLIANCE PROGRAMS**

—Cont'd

- Chief Technology counsel—Cont'd office—Cont'd
  - four phase work plan, rolling out, **App. 18D**
  - organizational chart, **App. 18B**
- Creation of office of technology counsel
  - electronic discovery compliance program, adoption of, **18:3**
  - steps, **18:4**
- Office of technology counsel, responsibilities of, **18:2**
- Penalties for failure to comply Sarbanes Oxley Act, **18:5**
- Resources for technology counsel, **18:6**
- Sarbanes Oxley Act
  - penalties for failure to comply, **18:5**
- Technology counsel, resources for, **18:6**

**ELECTRONIC EVIDENCE**

- Generally, **2:1-2:17**
- 2006 amendments to Federal Rules of Civil Procedure, **2:5**
- Attorney-client and work product privileges, **2:13**
- Business and records management processes, **2:11**
- Conclusion, **2:17**
- Corporate governance, **2:16**
- Expenses regarding ESI (Electronically Stored Information) as costs in federal litigation, **2:7**
- Exposure, associated or derivative legal obligation risks, **2:12**
- Federal Rules of Evidence Rule 502, **2:6**
- In-house counsel, impacts on, **2:10**
- International implications, **2:14**
- Predictive coding, **2:9**
- Privacy and other confidentiality obligations, **2:15**
- Rule 34, amendment of 1970, **2:2**
- Sedona Conference, **2:4**

**ELECTRONIC EVIDENCE**

—Cont'd

- Sedona principles, **App. 2A**
- Spoliation of ESI (Electronically Stored Information), sanctions for, **2:8**
- Zubulake decision, **2:3**

**ELECTRONIC INFORMATION**

- Courtroom, **1:5**

**E-MAIL**

- Design of effective records management program, **6:17**

**EMPLOYEE COMPLIANCE**

**AUDIT**

- Design of effective records management program
  - Best practices, records, **6:15**

**EMPLOYEE TRAINING**

- Litigation readiness, **9:7**

**EMPLOYMENT LAW**

- Internal investigations, **8:15**

**ESI (ELECTRONICALLY STORED INFORMATION) LITIGATION**

- Litigation readiness, **9:17**

**ETHICAL CONSIDERATIONS**

- EDiscovery, Machine learning artificial intelligence, **7:35**

**ETHICAL LIMITATIONS**

- Generative AI, **26:14**
- Improper use, Generative AI, **26:14**

**ETHICS**

- Generally, **27:1-27:40**
- Accidentally withheld documents, **27:13**
- Accidental production of electronic information
  - claw back agreements, **27:20, 27:21**
  - metadata, electronic documents containing, **27:22, 27:23**
  - quick peek and claw back agreements, **27:21**
- Accidental production of electronic information and metadata, **27:19**

## INDEX

### ETHICS—Cont'd

- Automatic disclosure requirements
  - generally, **27:9-27:11**
  - meet and confer, topics discussed at, **27:10**
  - time and content of data to be disclosed, **27:11**
- Bankrupt company, preservation of relevant documents of, **27:29**
- Billing for outsourced work, **27:34**
- Checklists
  - generally, **27:38-28:40**
  - after commencement of litigation, **27:40**
  - prior to litigation, **27:39**
- Claw back agreements, accidental production of electronic information, **27:20, 27:21**
- Client confidences and secrets, preservation while outsourcing eDiscovery reviews, **27:32**
- Concerns related to eDiscovery, **27:2**
- Confidential information, client improperly obtaining, **27:25**
- Conflicts of interest, outsourcing eDiscovery reviews, **27:33**
- Consent of client, outsourcing eDiscovery reviews, **27:35**
- Contents of retention policy, **27:7**
- Destruction of documents. Wrongful withholding or destruction of documents. below, **27:12-27:17**
- Document retention policies and preservation plans
  - generally, **27:5-27:8**
  - contents of retention policy, **27:7**
  - time for implementation plan, **27:8**
  - when is duty triggered, **27:6**
- Documents are destroyed, **27:16**
- Management of electronically stored information ESI, **27:4**
- Metadata, accidental production of electronic documents containing, **27:22, 27:23**
- Outsourcing eDiscovery reviews
  - generally, **27:30-28:35**
  - billing for outsourced work, **27:34**
  - client confidences and secrets, preservation of, **27:32**

### ETHICS—Cont'd

- Outsourcing eDiscovery reviews
  - Cont'd
  - conflicts of interest, avoidance of, **27:33**
  - consent of client, **27:35**
  - supervision of nonlawyers, **27:31**
- Ownership of personal records of employees on company computers, **27:28**
- Personal records of employees on company computers
  - generally, **27:26-27:28**
  - consequences of not adopting clear policy, **27:27**
  - ownership of personal records, **27:28**
- Purposely withheld documents, **27:14**
- Quick peek and claw back agreements, accidental production of electronic information, **27:21**
- Reconstruction of wrongfully withheld documents, **27:15**
- Safe harbor rule, wrongful withholding or destruction of documents, **27:18**
- Spoilation doctrine and sanctions, wrongful withholding or destruction of documents, **27:17**
- Supervision of nonlawyers, outsourcing eDiscovery reviews, **27:31**
- Technical competence, **27:3**
- Time for implementation plan, **27:8**
- Triggering duty of document preservation, **27:6**
- Web bugs, use of, **27:24**
- Web bugs used to gather information, **27:36**
- Wrongful withholding or destruction of documents
  - generally, **27:12-27:17**
  - accidentally withheld documents, **27:13**
  - purposely withheld documents, **27:12, 27:14**
  - reconstruction of documents, **27:15**
  - safe harbor rule, **27:18**

**ETHICS—Cont’d**

Wrongful withholding or destruction of documents—Cont’d  
spoliation doctrine and sanctions, **27:17**

**EUROPEAN COMMISSION**

Investigations, legal professional privilege, **21:9**

**FEDERAL ARBITRATION ACT**

Generally, **20:5**

**FEDERAL RULES OF CIVIL PROCEDURE**

Generally, **App. 2B, 2:5**  
Amendments of 2015, **1:2**  
Arbitration, federal and state rules’ impact on eDiscovery in, **20:17**  
Attorney-client privilege, **5:11**  
Budgeting and cost control, **24:4**

**FEDERAL RULES OF EVIDENCE**

Generally, **2:6**  
Attorney-client privilege, **5:12**

**FIDUCIARIES**

Corporate governance, responsibilities of directors, **19:2**

- Predictive coding, **7:27**

**KNOWLEDGE GAPS**

- AI operation, Functional Limitations, **26:10**

**KNOWLEDGE OF CLIENT**

- Generally, **1:4**

**LEGACY DATA CLEANUP**

- Predictive coding, **7:29**

**LEGACY SYSTEMS**

- Budgeting and cost control, **24:6**

**LEGAL HOLDS AND PRESERVATION OF EVIDENCE**

- Generally, **10:1-10:26**
- Acknowledgement of notice, **10:8**
- Adverse inference instruction as sanction, **10:18**
- Arbitration, **20:20**
- Argument to the jury as sanction, **10:19**
- Attorneys' fees as sanction, **10:17**
- Automated legal holds, **10:14**
- Compliance with document retention policy, **10:6**
- Consequences
  - sources of authority to impose sanctions for spoliation, **10:26**
- Courts inherent power to award sanctions, **10:25**
- Definition, **10:2**
- Discoverability of legal hold notices, **10:13**
- Duty to preserve
  - generally, **10:3-10:6**

## INDEX

### LEGAL HOLDS AND PRESERVATION OF EVIDENCE—Cont'd

- Evidence preclusion as sanction, **10:20**
- Failure to preserve, **10:15 et seq.**
- Hold notice
  - generally, **10:7-10:14**
  - Contents, scope, and recipients, **10:7**
- Internet of Things, failure to preserve ESI (Electronically Stored Information) from, **10:24**
- Internet of Things, workplace collaborations tools, ephemeral messaging applications, **10:24**
- Legal test for application, **10:16**
- Monitoring compliance with hold notice, **10:9**
- No sanctions for failure to preserve, **10:22**
- Other available sanctions, **10:21**
- Reminders, **10:10**
- Sanctions, failure to preserve, **10:15 et seq.**
- Sanctions for failure to preserve text messages, **10:23**
- Scope of ESI to preserve, **10:5**
- Scope of hold notice, **10:7**
- Spoilation, failure to preserve, **10:15**
- Terminating the hold, **10:11**
- Text messages, failure to preserve, **10:23**
- Third-party hold notices, **10:12**
- Trigger, **10:4**

### LEGAL LIMITATIONS

- Improper use, Generative AI, **26:14**

### LEGAL RESEARCH

- Summarizing and synthesizing law, **26:5**

### LEGAL WORKFLOWS

- Developments, **26:23**
- Policy making, **26:24**
- Practices, **26:19**
- Selecting the tools, **26:20**
- Training, **26:21**
- Users, Training, **26:22**

### LIFECYCLE MANAGEMENT

- Litigation readiness, **9:8**

### LIFECYCLE OF RECORDS

- Design of effective records management program, **6:5**

### LIFT LEGAL HOLDS

- Litigation readiness, **9:15**

### LITIGATION READINESS

- Generally, **9:1-9:20**
- Employee training, **9:7**
- Foundational elements
  - generally, **9:9-9:20**
  - Define scope of (Electronically Stored Information) ESI in litigation, **9:17**
  - importance of audit trail for litigation readiness, **9:18**
  - Legal hold policies and procedures, **9:9**
  - rise of eDiscovery counsel, **9:19**
  - Roles and responsibilities, **9:16**
- Gateway to information governance, **9:2**
- Information governance
  - key policies and procedures, communications policies, **9:5**
  - record retention policies, key policies and procedures, **9:4**
- Know what kind of data organization has, location, **9:3**
- Legal hold notice procedures, **9:10**
- Legal hold policies and procedures
  - generally, **9:9-9:15**
  - Collection procedures, **9:12**
  - Data preservation and collection in collaborative tools, **9:13**
  - Legal hold notice procedures, **9:10**
  - Lifting legal holds, **9:15**
  - Preservation procedures, **9:11**
  - Strategic preparation, **9:14**
- Lifecycle management and data disposal, **9:8**
- Necessity, **9:1**
- Next frontier, **9:20**
- Understand key business, legal, and regulatory requirements, **9:6**

**LITIGATION RESPONSE  
PRACTICE**

Technology basics, establishment,

## INDEX

### TECHNOLOGY PROJECT PLANNING

- Generally, **4:1-4:15**
- Admissibility of evidence, **4:14**
- Advance discovery response planning, **4:11**
- Artificial intelligence (AI) systems, **4:15**
- Chain of custody, **4:14**
- Classification of ESI (Electroically Stored Information), **4:4**
- Education of response team, **4:8**
- Forming of response team, **4:10**
- Identification of ESI (Electroically Stored Information), **4:3**
- Litigation response practice, establishment of, **4:12**
- Location of ESI (Electroically Stored Information), **4:5**
- Objections, preparation for, **4:13**
- Organization of ESI (Electroically Stored Information), **4:7**
- Planning to produce ESI (Electroically Stored Information), **4:12**
- Preparation for timely response, **4:9**
- Preparation of objectives, **4:2-4:8**
- Record Location Manager (RLM), choice of, **4:10**
- Selection of ESI (Electroically Stored Information), **4:6**

### THIRD-PARTY HOLD NOTICES Generally, **10:12**

### THIRD-PARTY SYSTEMS

- Budgeting and cost control, **24:6**

### TIME

- Ethics, implementation plan, **27:8**

### TRIAL PRACTICE MANAGEMENT

- Generally, **16:1-16:9**
- Admissibility of evidence at trial authentication, **16:5**
- hearsay, **16:6**
- original writing rule, **16:7**
- specific evidence types, **16:8**
- Authentication of evidence, **16:5**

### TRIAL PRACTICE MANAGEMENT—Cont'd

- Conclusion, **16:9**
- Discovery sanctions, **16:3**
- Evidence at trial, admissibility of, **16:4**
- Hearsay, **16:6**
- Mandatory disclosures, **16:2**
- Specific evidence types admissibility of evidence at trial, **16:8**

### TRIAL TECHNOLOGY

- Graphics, **31:15**

### TRIAL TECHNOLOGY & GRAPHICS

- Generally, **31:1-31:16**
- Choosing a virtual platform, **31:13**
- Corporate expectations, **31:2**
- Courtroom visit, **31:9**
- Exhibit database, **31:6**
- Exhibit-sharing software vs. trial presentation software, **31:4**
- Exhibit workflow, **31:8**
- Legal technology obligations, **31:3**
- Local vs. cloud-based data, **31:5**
- Neutral equipment rental vendor, **31:11**
- Presentation, **31:1 et seq.**
- Project management, **31:7**
- Trial equipment and software, **31:10**
- Virtual platforms, Court-directed, **31:14**
- Virtual proceedings, **31:12**

### TRIGGER

- Legal holds and preservation of evidence, **10:4**

### TROJAN HORSES

- Cyber warfare and cybersecurity, **30:14**

### UNIFORM ARBITRATION ACT

- Generally, **20:6**

### UNIVERSITY DATA DISPOSITION POLICY

- Predictive coding, **7:30**

**UNPATCHED VULNERABILITIES**

Cyber warfare and cybersecurity,
