

INTRODUCTION TO 2026 EDITION

The Handbook on Texas Discovery Practice offers detailed discussions and examples of how the Texas Discovery Rules function in the real world of litigation. It includes the complete text of the Texas Discovery Rules, including the Texas Supreme Court's "Technical Corrections," and contains red-lined versions of the Supreme Court's latest changes to the Discovery Rules.

New features and recent developments in this 2026 Edition include detailed analysis of the updated Texas Discovery Rules containing the 2025 revisions, and case law current through October 2025.
