

Foreword to 2026 Edition

The 2026 edition of these volumes contains statutory annotations comprised of all the published cases interpreting New Jersey insurance statutes in Title 17 of the New Jersey Statutes between March 1, 2025 and March 1, 2026. The volumes do not contain any unpublished decisions. As in years past, the annotations in the insurance codes will provide the user with a solid foundation for legal research, writing and persuasive oral advocacy.
