

Preface to the 2026 Edition

This 2026 edition of *Probate Jurisdiction and Procedure* in Connecticut 3d continues to revise and update earlier editions in the Connecticut Estates Practice Series on probate jurisdiction and procedure. As we have in previous editions, we express our continuing gratitude to the Probate Court Administrator's Office for permitting us to reprint the current version of the Probate Court Rules of Procedure in Appendix A and other of its forms and publications in this treatise.
