

Introduction to the 2026 Edition

Kentucky Collections is a step-by-step guide to typical collections representation actions. It provides analysis of various aspects of those actions, including pre- and post-judgment, negotiating settlements, garnishment, execution on real estate, replevin, and temporary restraining orders. This 2026 Edition contains a review of changes to the law that are essential to the day-to-day practice of a Kentucky collection attorney including:

- The Consumer Financial Protection Bureau (CFPB) - § 1:2
- The Federal Fair Debt Collection Practices Act (15 U.S.C.A. § 1692 et seq.) — Introduction (§ 2:1)
- Pre-demand considerations—Statutes of limitation (§ 2:4)

All of these considerations and more are thoroughly examined in the 2026 edition of *Kentucky Collections*.
