

FOREWORD TO 2025 EDITION

This 2025 Edition of *Mississippi Civil Procedure* is a complete guide to civil practice in Mississippi. These handy, yet thorough, reference manuals make concise, orderly discussion of how to proceed in most any kind of civil case quickly accessible to the Mississippi practitioner. Since last year's edition, new material has been added and/or existing material updated on the following subjects, among others:

- Standing
- Personal jurisdiction
- Principal place of business
- Venue
- Motion to amend
- Permissive counterclaims
- Summary judgment
- Parties
- Joinder
- Discovery
- Electronically stored information (ESI)
- Rule 60 relief from judgment
- Rule 59 motion for new trial
- Additur and remittitur
- Contempt

This 2025 Edition (Volume 1 and Volume 2) replaces the 2024 Edition, both volumes of which may now be recycled or discarded.
