

2026 Highlights

This edition contains revised and updated material for several chapters, including:

- Chapter 1—Introduction and Overview
- Chapter 5—Privity Issues in Construction Contracts
- Chapter 10—Performance and Payment Bonds, including new section headings addressing **Arbitration** and **Priority**
- Chapter 16—Warranties in Construction Contracts, including a new section heading addressing **Expert testimony**
- Chapter 23—Arbitration of Construction Disputes

We have also added two new sample forms to our existing forms collection, including:

- **Amended and Restated Engineering, Procurement and Construction Agreement**
- **Engineering, Procurement and Construction Agreement**
