

Introduction to 2026 Edition

North Carolina Motions in Limine is devoted to North Carolina “in limine” motions. It includes critical evidence motions that, if granted, can end a case early. This edition covers issues such as excluding expert opinions, scientific tests, and improper discovery.

The *2026 Edition to North Carolina Motions in Limine* replaces the *2025 Edition to North Carolina Motions in Limine* in its entirety.

HIGHLIGHTS

- Updated case law throughout
- New motion to exclude matters not in controversy (Chapter 3)
- New motion to exclude expert testimony on ground that it is not the product of reliable principles and methods (Chapter 5)
- New motion to exclude improper expert opinion (usurps jury function) (Chapter 8)
- New motion to exclude improper terminology (Chapter 9)
- Motion to exclude evidence of failure to properly secure child in safety seat (Chapter 10)

Thank you for subscribing to *North Carolina Motions in Limine*. Each year we make every effort to include new citations to evidence cases, particularly matters of first impression that have occurred during the past year. We hope that you find this book an invaluable tool for your practice.
