Editor/Author Questionnaire

1. What are the trends or “forces of change” that make this product attractive to customers?

Federal rules and statutes are frequently amended, and practitioners need the most up-to-date information in their practice. The March 2026 edition contains United States Code Annotated section additions and amendments, many court rule amendments, an updated Time Table for Lawyers in Federal Civil Cases and new notes under United States Code Annotated sections.

2. List all changes to the new edition or updates to the existing title – rank them according to the most important – with 1 being the most important.) Identify each change and how this product increases the content value to the customer (Think about what this book “does”, not what it “is”). Also use statistical information when appropriate).

List of important changes to the new edition or updates	How does the new edition or update increase the value of the content to the customer?	How will the information in this update help customers be more successful in their research?

Statutory updates through Public Law 119-74, approved Jan. 23, 2026.	Customers will have the latest version of annotated statutes, including, but not limited to, amendments to statutory text and new or amended historical and statutory notes.	Customers will have the most recent version of USCA statutes.
2. Historical and Statutory note updates through Public Law 119-74, approved Jan. 23, 2026.	Customers will have the latest version of amended statutes, including the statutory text and note changes made through Jan. 23, 2026.	Users will have up-to-date version of the text of the U.S. Code as well as updated historical and statutory notes for additional sections.
2. Rules amendments received through Jan. 9, 2026.	Additions and amendments include those to the Federal Rules of Civil Procedure and the Federal Rules of Appellate Procedure, through Jan. 9, 2026.	
3. Updated Timetable for Lawyers in Federal Civil Cases, amended as of Dec. 1, 2025.	This table, prepared by the Publisher's editorial staff as a guide to the user, indicates the time for each of the steps of a civil action as provided by the Federal Rules of Civil Procedure and the Federal Rules of Appellate Procedure.	This information provides users with references to commonly used rules and statutory sections concerning deadlines for the filing of documents.

3. What should be stressed about the title in an attempt to sell the product or retain the subscription?

This product is a valuable resource because it contains the most up-to-date rules and statutes applicable to federal civil proceedings in a single volume. Customers appreciate the peace of mind of knowing they are using the most up-to-date edition of this publication.
