

Highlights of the 2026 Edition

The 2026 edition of *Guide to Homeland Security* includes discussion of:

- Legislation extended the sunset date of HSA § 210G, 6 U.S.C.A. § 124n, while authorizes actions to protect facilities and assets from unmanned aircraft or unmanned aircraft systems. See § 2:23.
- Updated organizational charts for Department of Homeland Security entities. See § 3:1.
- Discussion of the Investment Advisors Rule, which imposes anti-money-laundering and anti-terrorism funding program and suspicious activity report filing requirements on certain registered investment advisers and exempt reporting advisers. See § 4:64.
- Review of current CBP privacy practices regarding collection and retention of biometric information. See §§ 6:224, 6:228.
- Implementation of REAL ID on May 7, 2025. See § 6:235.
- Discussion of the continued delay in implementation of the 2016 rule on Transportation Worker Identification Credential (TWIC) card readers at covered facilities. See § 8:6.
- Updates regarding ongoing container security standards and procedures announced in 2018. See § 8:55.
- Discussion of the Reforming Intelligence and Securing America Act (RISAA) of 2024, which among other things reformed the Foreign Intelligence Surveillance Act of 1978. See Chapter 10.
